KMG Centre for Indian Knowledge Systems (IKS)

“Smart Grains from Ancient Brains”

Millet-Based Food Stall and Herbal Drinks Exhibition

Date: 05.08.2025, Tuesday

Venue: KMG New Auditorium

The KMG Centre for Indian Knowledge Systems (IKS) successfully organized a millet-based food stall and herbal drinks exhibition titled “*Smart Grains from Ancient Brains*” on 5th August 2025 at the KMG New Auditorium. The programme aimed to highlight the nutritional and health benefits of millets and herbal-based drinks while promoting awareness of traditional Indian food knowledge systems.

Objectives

- To promote awareness of the nutritional and health benefits of millets.
- To encourage the use of herbal-based drinks rooted in Indian traditions.
- To showcase innovative food preparations using traditional grains.
- To involve students in creative and practical demonstrations of ancient food knowledge.
- To provide a platform for healthy competition and recognition of talent.

Program Summary

Inaugural Session

- The event was inaugurated by the Principal, **Dr. C. Dhandapani**, in the presence of faculty members, students, and other dignitaries.

Interactive / Practical Segments

- More than 100 students from various departments set up stalls showcasing a wide range of millet-based food items and herbal drinks.

- Dishes prepared from *ragi*, *bajra*, *jowar*, *foxtail millet*, and *kodo millet* were displayed.
- Herbal beverages reflecting traditional practices were also featured.

Student / Staff Involvement

- Students actively prepared, displayed, and explained their food and drink items.
- The programme was competitive in nature, and prizes were awarded:
 - **First Prize:** B.Com (Computer Applications) Students
 - **Second Prize:** BCA Students
 - **Third Prize:** B.Sc. Mathematics Students

Common Dignitaries Present

- Principal
- Vice-Principals
- Deans
- Heads of Departments
- IQAC Coordinator
- Faculty Members

Participants

1. A total of more than 100 participants attended the programme.
2. Participants included students from various disciplines.
3. Faculty members from multiple departments were actively involved.
4. Administrative staff and support team contributed to the coordination.
5. The Principal and Institutional heads were present throughout the event.

Outcomes

- Created awareness about the health and nutritional benefits of millet and herbal drinks.
- Enhanced student creativity through the preparation and presentation of traditional food items.
- Strengthened appreciation for Indian knowledge systems related to food heritage.
- Encouraged healthy competition and teamwork among students.
- Inspired faculty and students to incorporate traditional food practices into daily life.

Conclusion

The programme was planned and executed under the guidance and leadership of **Prof. R. M. Balamurugan (Director – IKS)**, **Dr. V. Valarmathi (Coordinator – IKS)**, and the **IKS Team Members**. Their coordinated efforts ensured the smooth conduct of the event. The exhibition successfully showcased the rich heritage of Indian food systems and proved to be an enriching experience for the student community.
