MANAGEMENT

“Continuous effort – not strength or intelligence – is the key to unlocking our potential.” - Winston Churchill

The purpose of the newsletter is to disseminate information about the activities and accomplishments of KMG College of Arts and Science. It also shows the continuous efforts put by the teachers in taking the institution to the next level. The activities carried out by departments and clubs to improve students' learning levels are extraordinary. We are particularly pleased to see the youngsters participating actively in a variety of activities. The Management congratulates and appreciates the Principal, all the staff members and students who put hands together in achieving this height.

EDITOR'S NOTE

At the outset, I would like to express my gratitude to the Almighty, our Management and Principal for the opportunity given to serve as the editor of newsletter Volume:4, Issue:1. The College is preparing for the second cycle of NAAC, and we have achieved significant progress in all areas.

In this issue of newsletter, I have compiled the events conducted in our college from Jul 2021 to Dec 2021. My appreciation to all departments and clubs for their enthusiasm and tireless efforts in ensuring the success of all of the activities. I'd like to express my appreciation to Mr. B. Balaji, Assistant Professor, Department of Chemistry, Member - IQAC, for his support and contributions in bringing this version altogether. Happy Reading!

PRINCIPAL

"We are what we repeatedly do. Excellence then, is not an act, but a habit."

This news letter is another feather in the cap of KMG College of Arts and Science, as it showcases the happenings of our College from Jul 2021 to Dec 2021. It gives me pleasure to see the tremendous work of our staff members in conducting various seminars, workshops and outreach programs. I'm delighted to see the students participate in numerous seminars that pave the way for them to flourish in their chosen industry. I appreciate the management for their unwavering commitment and support in this great cause of teaching young brains. I applaud the IQAC of our College on launching the newsletter. I wish and pray that our institution expands in all areas and accomplishes more in the near future.

Dr. M. Valarmathi, M.Sc., M.Phil., B.Ed., Ph.D.,
