## EDITOR'S NOTE

Being the Editor of our college newsletter, it has been a profound journey. Here in our newsletter we learnt to invest our time and resources wisely. As a teacher I am proud to say that teaching is a prestigious and dedicated profession and it is a never end process at any cost. I hope these all are felt during the pandemic time, because the teaching community never stopped their work in lock down period too, they continued

the teaching- learning pedagogy with the help of ICT. Nowadays the communication technology is growing well in Higher Education systems and this technology was playing a main role in teaching learning method. In the time of pandemic our faculty members organized various webinars, workshops and Quiz programmes to all the faculty members and students. On behalf of our management and Principal, I congratulate all and wish all the readers a good health.
