**PG & RESEARCH DEPARTMENT OF COMMERCE**  
**STUDENTS FEEDBACK**  
**2020-2021**

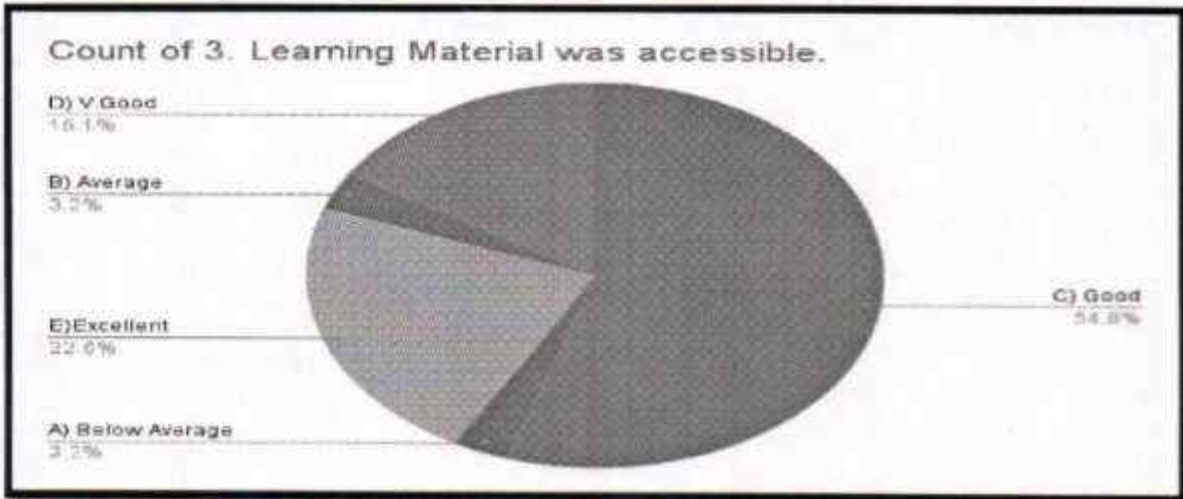

**Inference:**

The above Pie chart showed that 64.5% of the students felt that there is good in the content of the subject was useful, 19.4% of the students felt that there is very good in the content of the subject was useful, and 12.9% of the students felt that there is average.

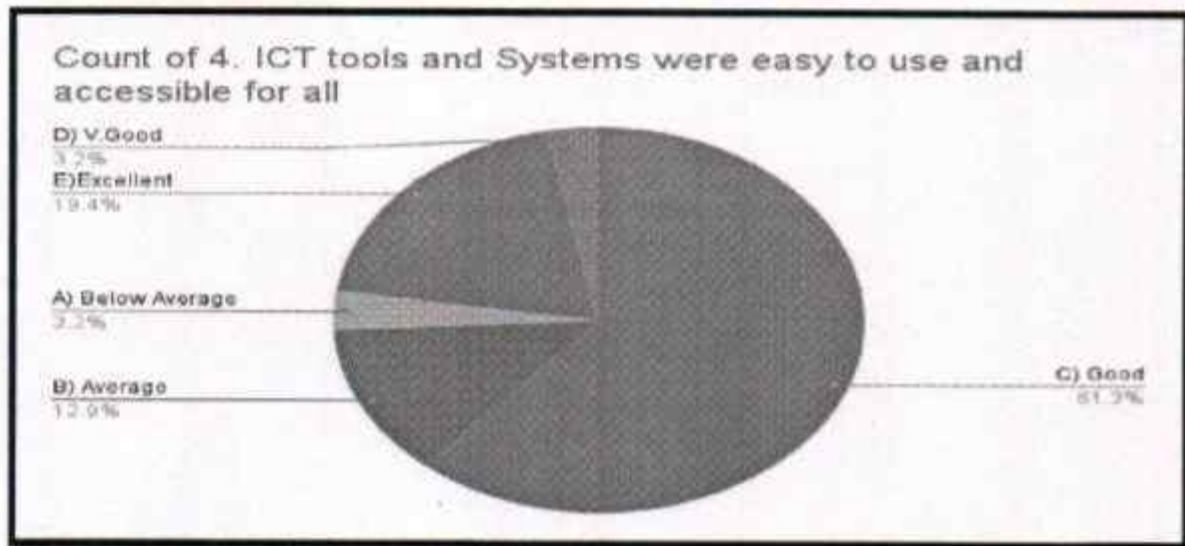

**Inference:**

The above Pie chart showed that 71% of the students felt that there is good standard of lecture method, 9.7% of the students felt that there is average standard of lecture method.

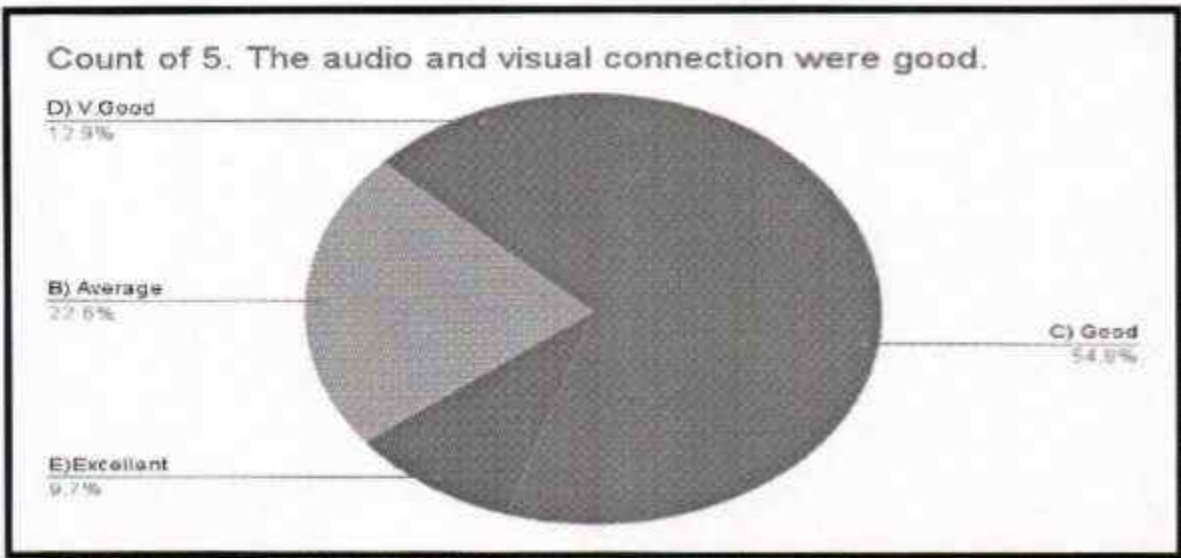

**Inference:**

The above Pie chart showed that 54.8% of the students felt that there is good in learning material was accessible student, 22.6% of the students felt that there is Excellent in learning material was accessible student.

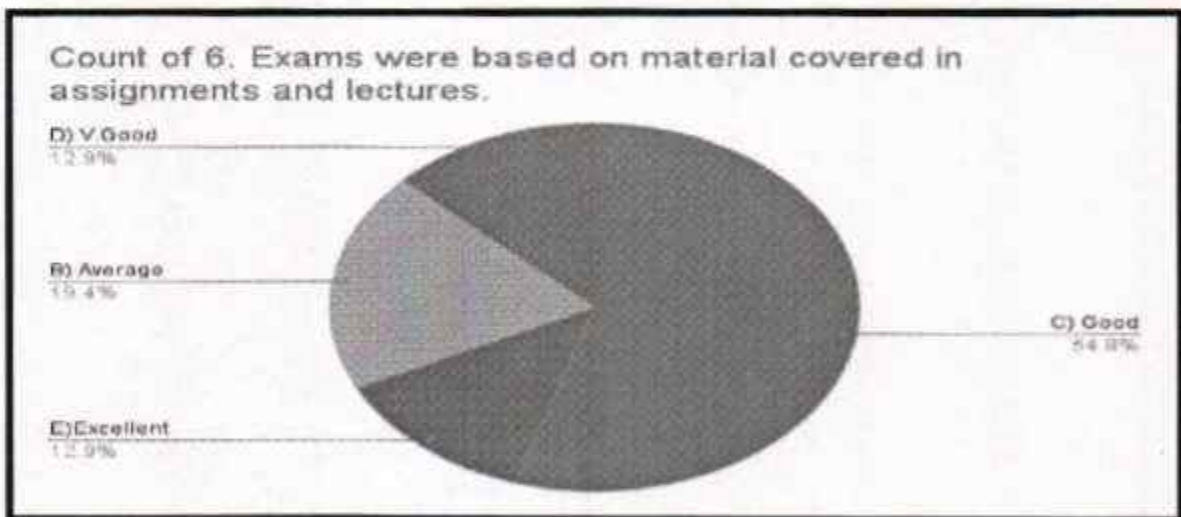

**Inference:**

The above Pie chart showed that 61.3% of the students felt that there is good in ICT tools are easy to access, 19.4% of the students felt that there is excellent in easy access the ICT tools.

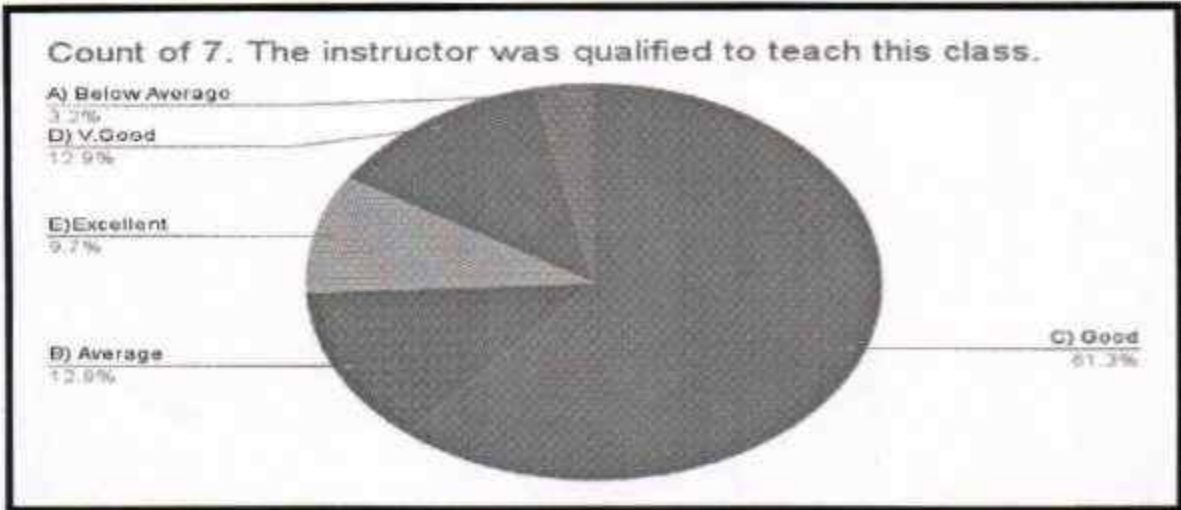

**Inference:**

The above Pie chart showed that 50% of the students felt that there is good the audio and visual connection, 22.6% of the students felt that there is average of audio and visual connection and 12.9% of the students felt that there is very good.

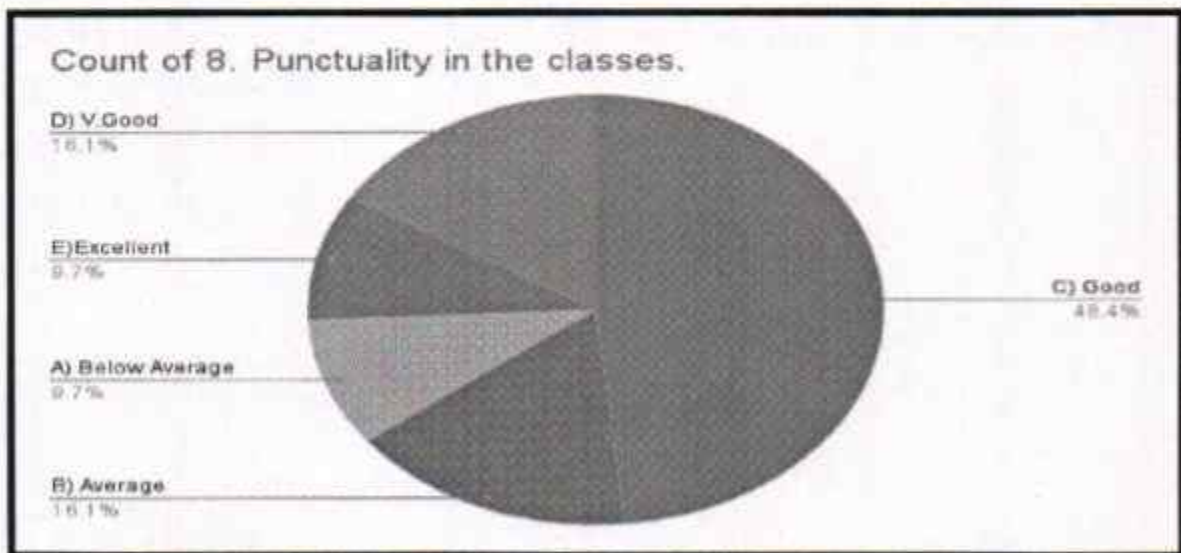

**Inference:**

The above Pie chart showed that 54.8% of the students felt that there is good Exams were based on material covered in assignments and lectures, 19.4% of the students felt that there is average exams were based on material covered in assignment and lectures.

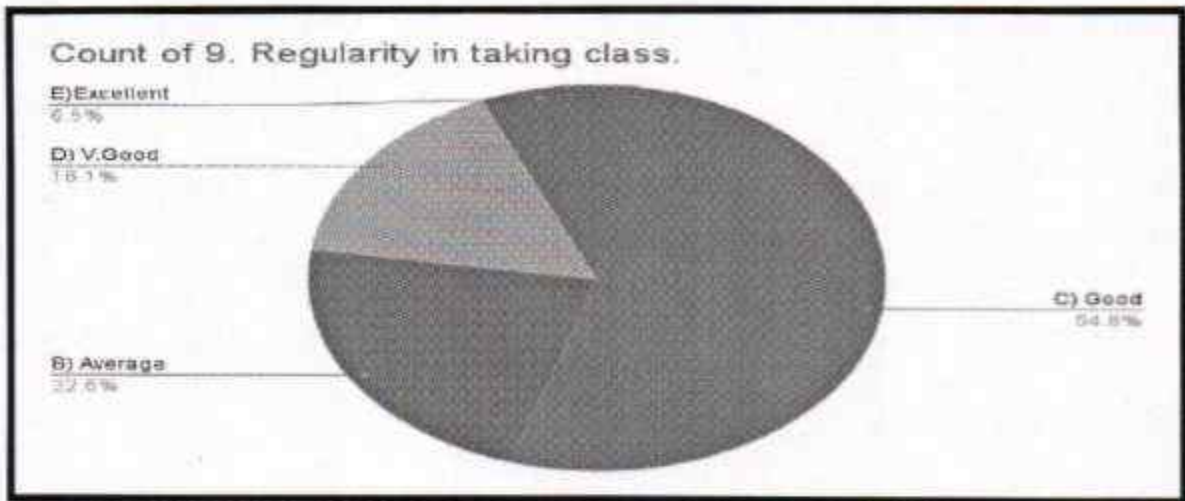

**Inference:**

The above Pie chart showed that 61.3% of the students felt that there is good an instructor was qualified to teach this class, 12.9% of the students felt that there is very good instructor was qualified to teach this class.

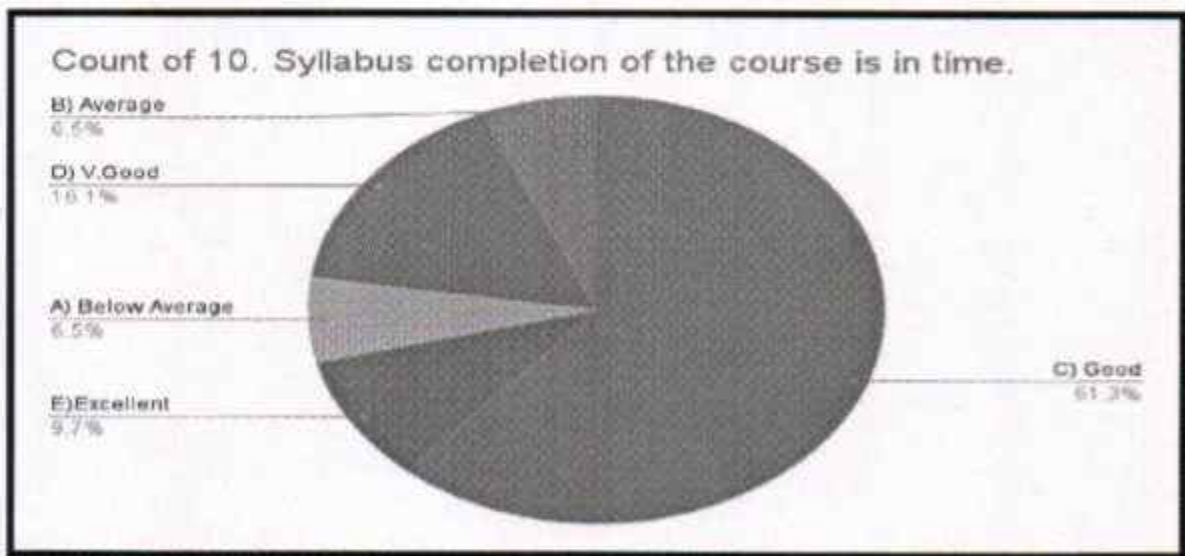

**Inference:**

The above Pie chart showed that 48.4% of the students felt that there is good in punctuality in the classes, 16.1% of the students felt that there is very good and average punctuality in the classes

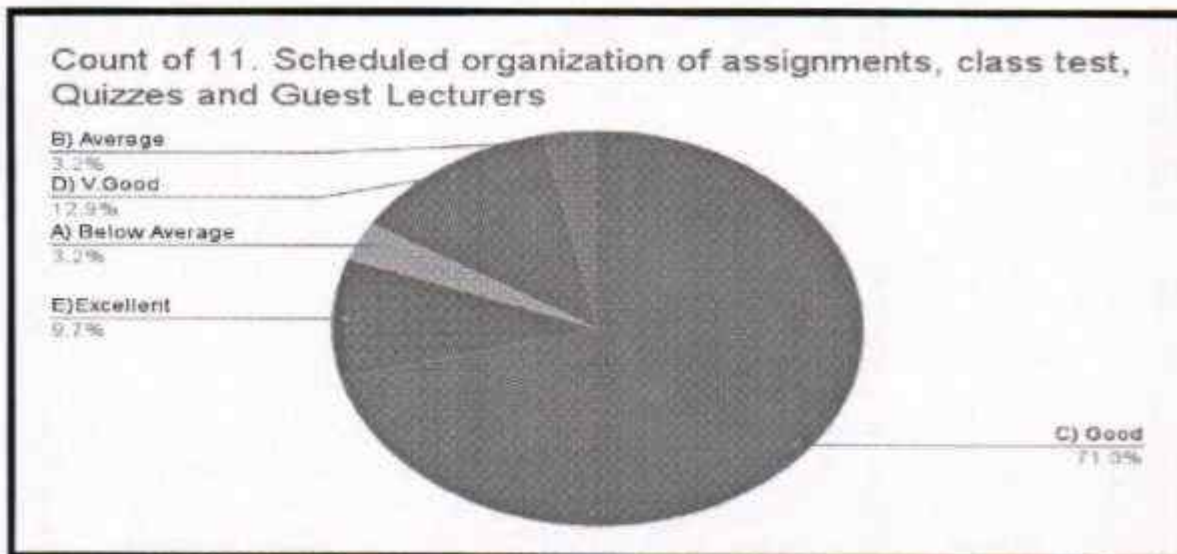

**Inference:**

The above Pie chart showed that 54.8% of the students felt that there is good and regularity in taking class, 22.6% of the students felt that there is average regularity in taking class.

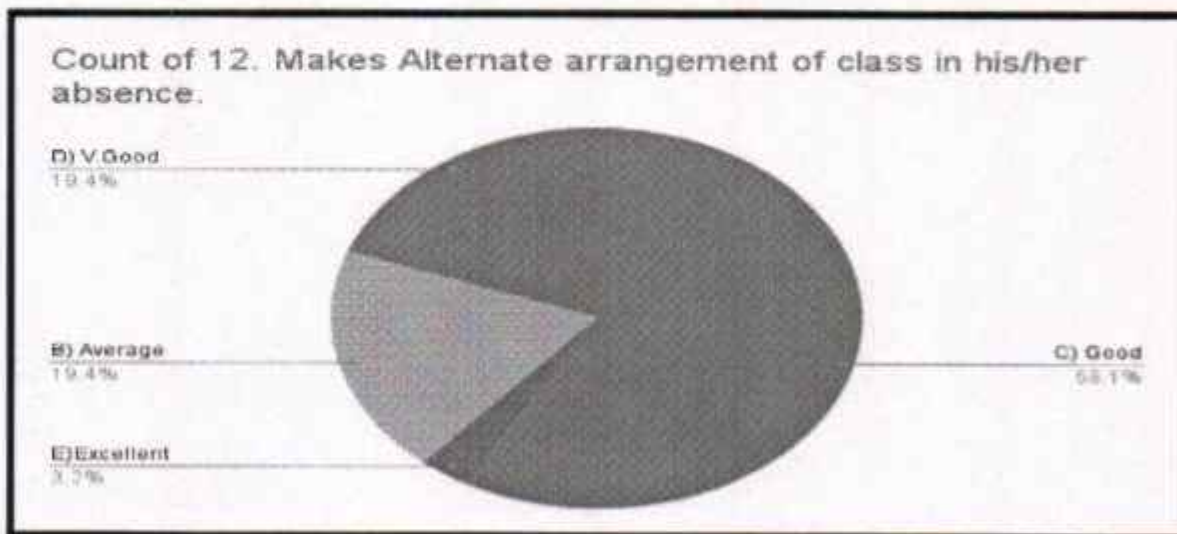

**Inference:**

The above Pie chart showed that 61.3% of the students felt that there is good completion of syllabus in time, 16.7% of the students felt that there is very good completion of syllabus in time.

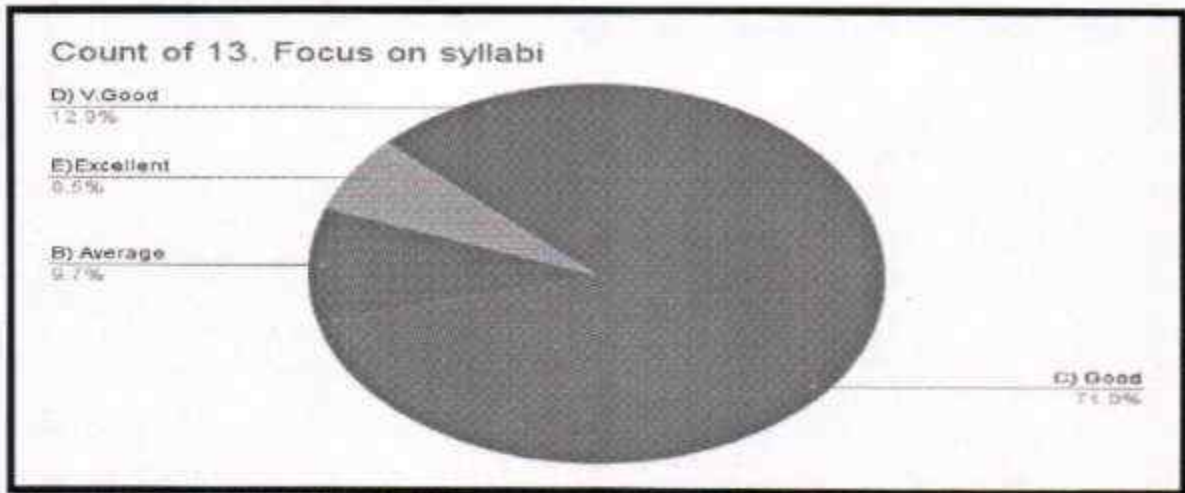

**Inference:**

The above Pie chart showed that 71% of the students felt that there is good in scheduling assignment, class test, quizzes and guest lectures. 12.9% of the students felt that there is very good.

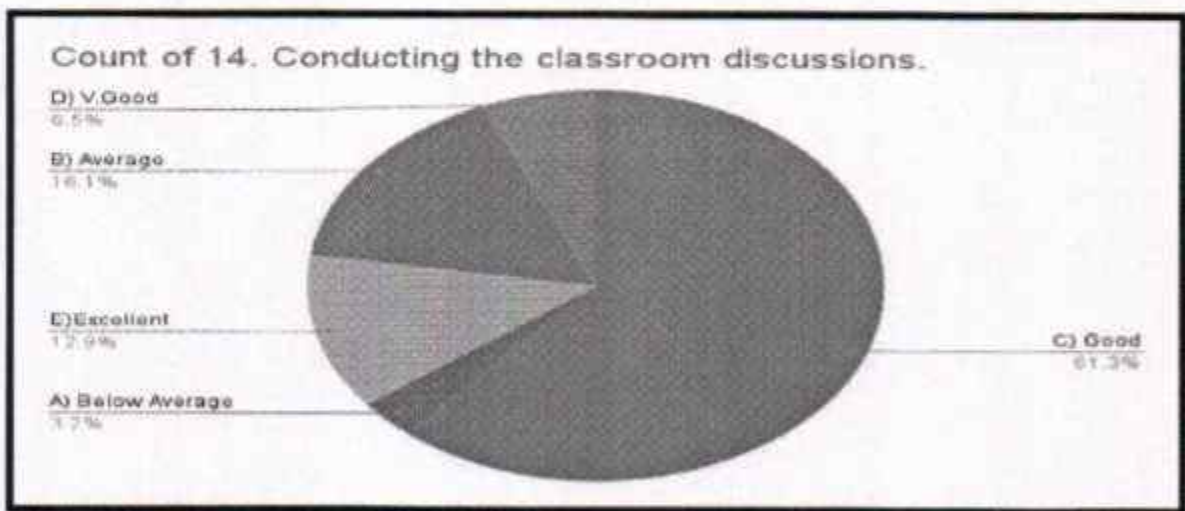

**Inference:**

The above Pie chart showed that 58.1% of the students felt that there is good in alternative arrangement of the class in case of their absent, 19.4% of the students felt there is very good and average.

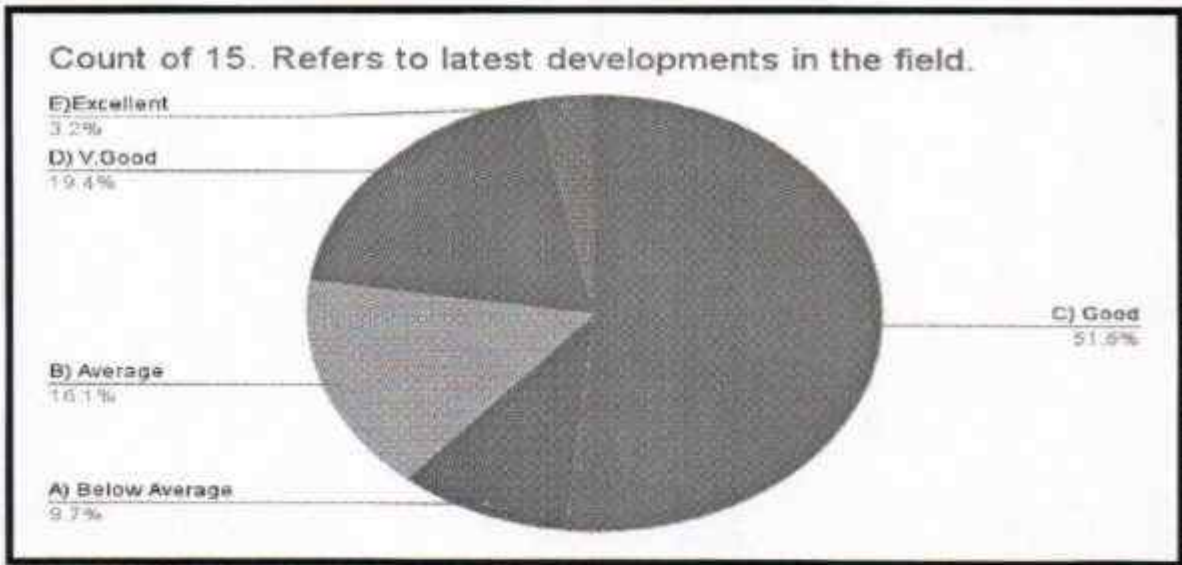

**Inference:**

The above Pie chart showed that 71% of the students felt that there is good in focus on syllabi. 12.9% of the students are felt that there is very good.

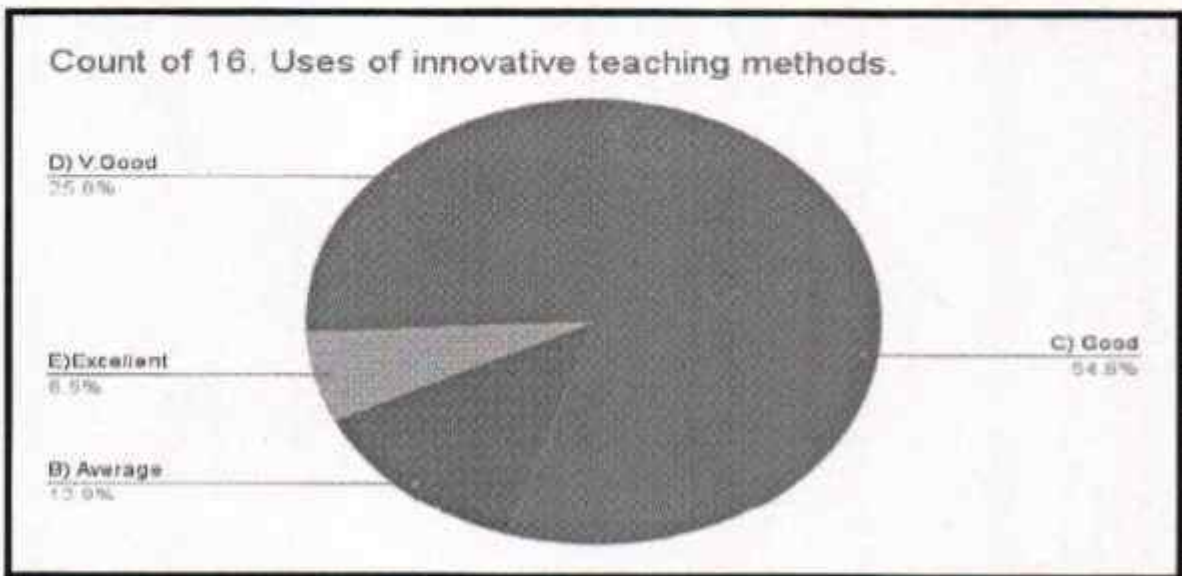

**Inference:**

The above Pie chart showed that 61.3% of the students felt that there is good in conducting the classroom discussions, 16.1% of the students felt that there is average in conducting the classroom discussions.

**Inference:**

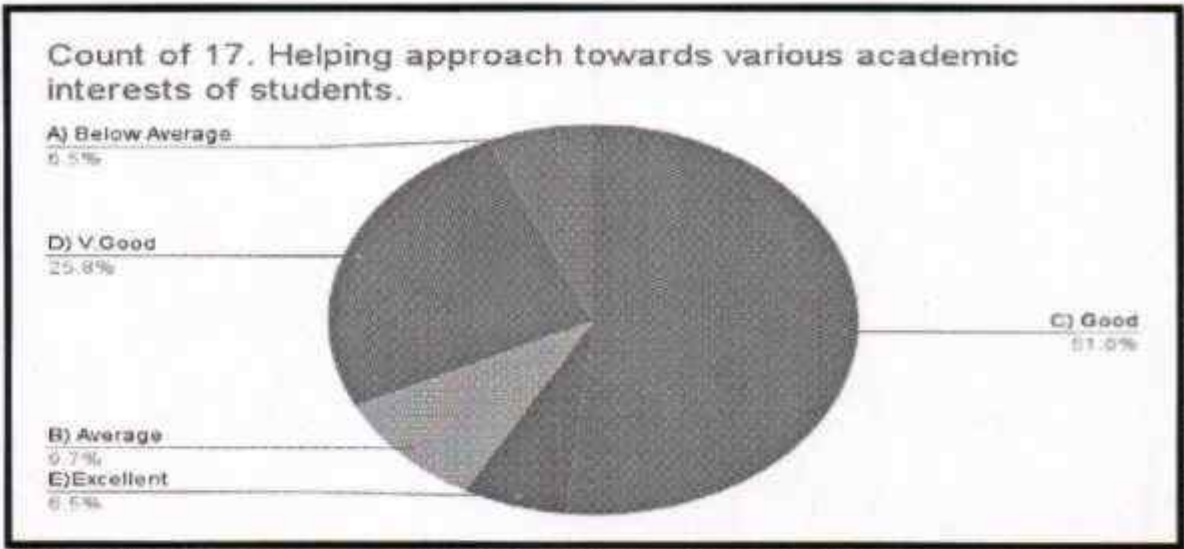

The above Pie chart showed that 61.3% of the students felt that there is good in conducting the classroom discussions, 16.1% of the students felt that there is average in conducting the classroom discussions.

**Inference:**

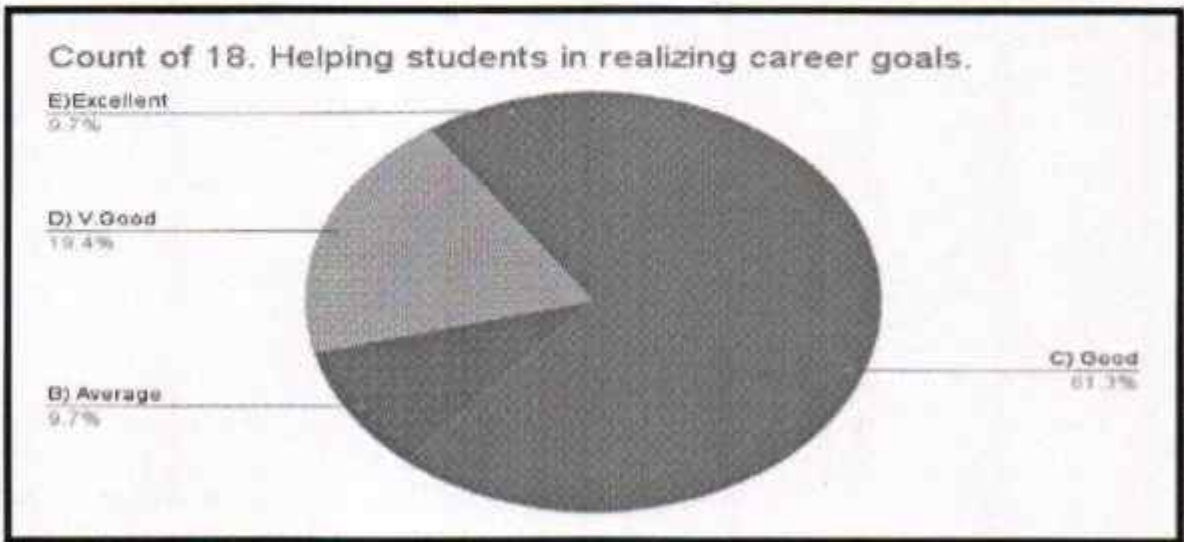

The above Pie chart showed that 54.8% of the students felt that there is good in uses the innovative teaching methods, 25.8% of the students felt that there is very good in innovative teaching methods.

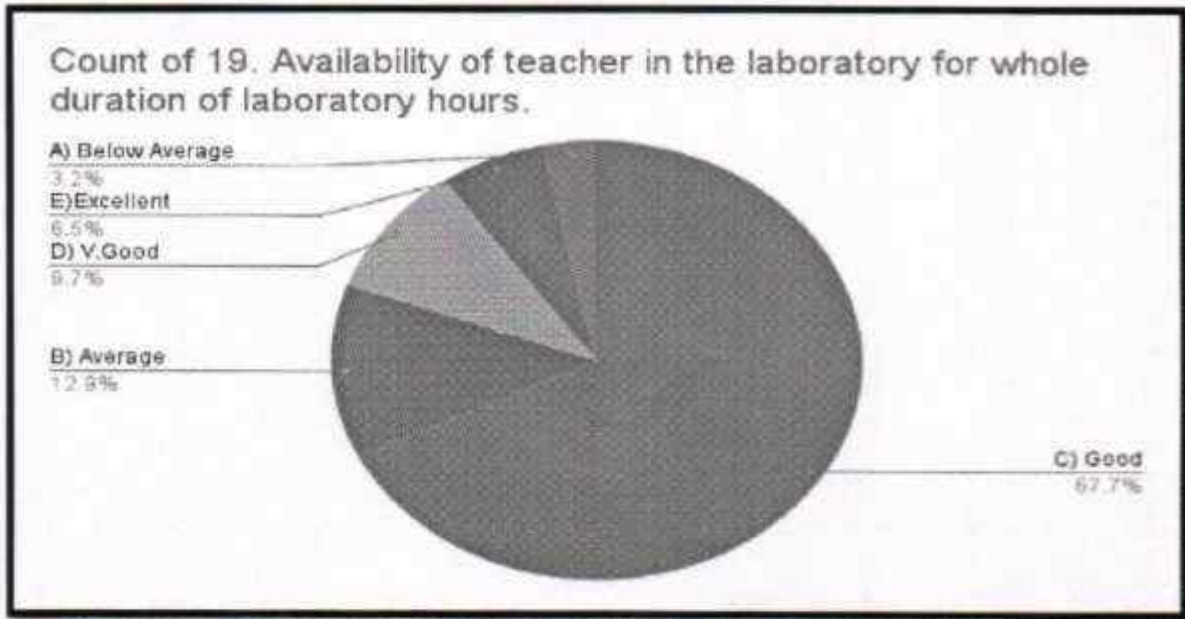

**Inference:**

The above Pie chart showed that 51.6% of the students felt that there is good in helping approaches towards various academic interests of the students, 25.8% of the students felt that there is helping approaches towards various academic interests of the students.

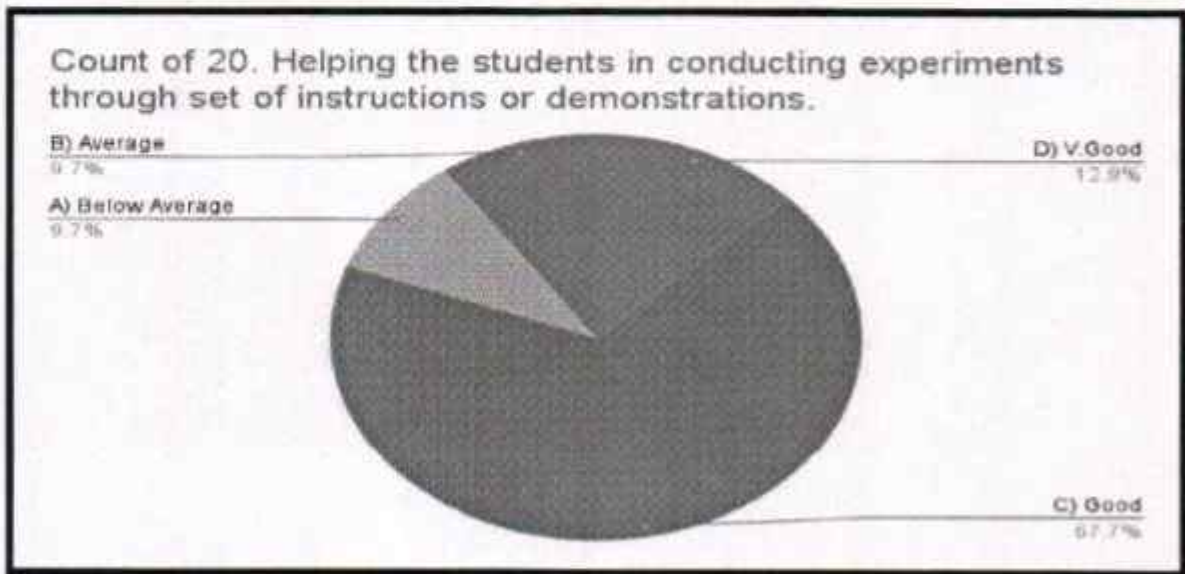

**Inference:**

The above Pie chart showed that 61.3% of the students felt that there is good in helping students in realizing career goals, 19.4% of the students felt that there is helping students in realizing career goals of the students.

**Inference:**

The above Pie chart showed that 67.7% of the students felt that there is good in availability of teacher in the laboratory during laboratory hours, 12.9% of the students is average felt that availability of teacher in the laboratory during laboratory hours

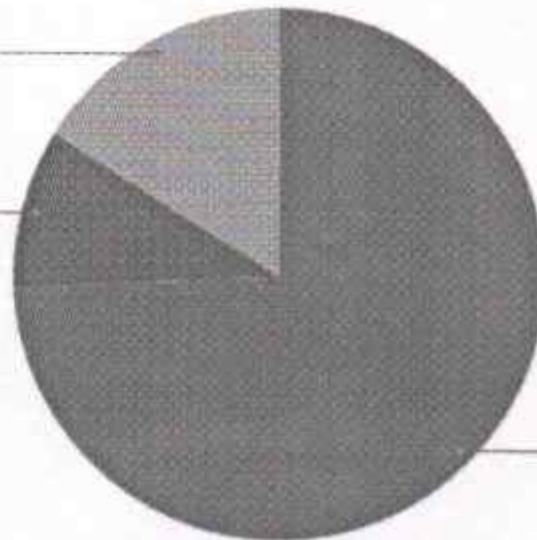

**Inference:**

The above Pie chart showed that 67.7% of the students felt that there is good in helping students in conducting experiments, 12.9% of the students felt that there is very good in helping students in conducting experiments

Count of 21. Control mechanism in effectively conducting the classes.

D) V.Good  
16.1%

A) Below Average  
9.7%

C) Good  
74.2%

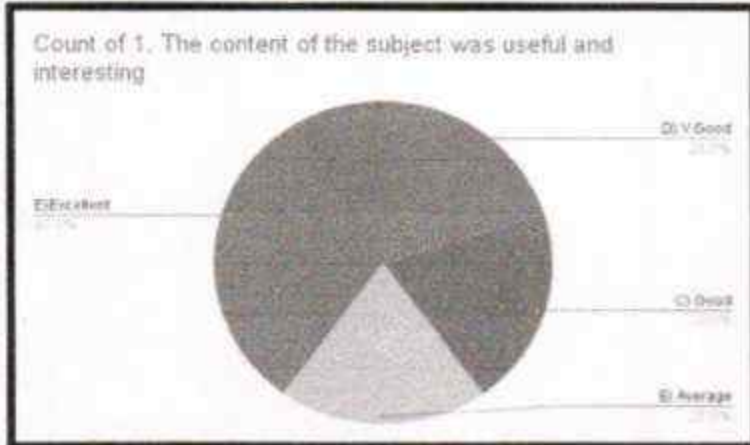

**Inference:**

The above Pie chart showed that 74.2% of the students felt that there is good in controlling the students while taking classes, 16.1% of the students felt that there is very good in controlling the students while taking classes.

BIO CHEMISTRY  
STUDENTS FEEDBACK  
2020-2021

80% of the student's feedback was positive and indicated that they found the subject matter to be both useful and engaging.

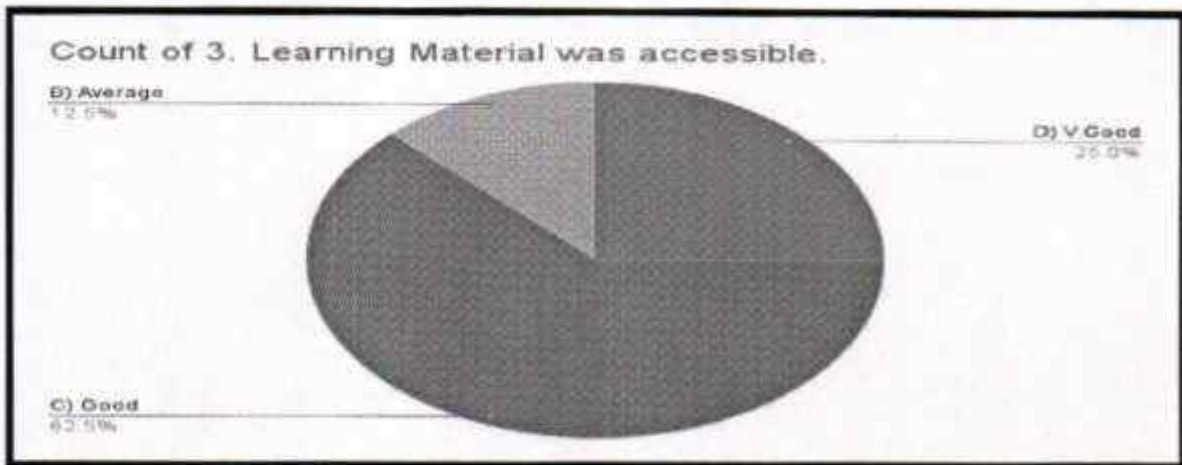

We have made an effort to maintain the present student feedback at the same level or higher.

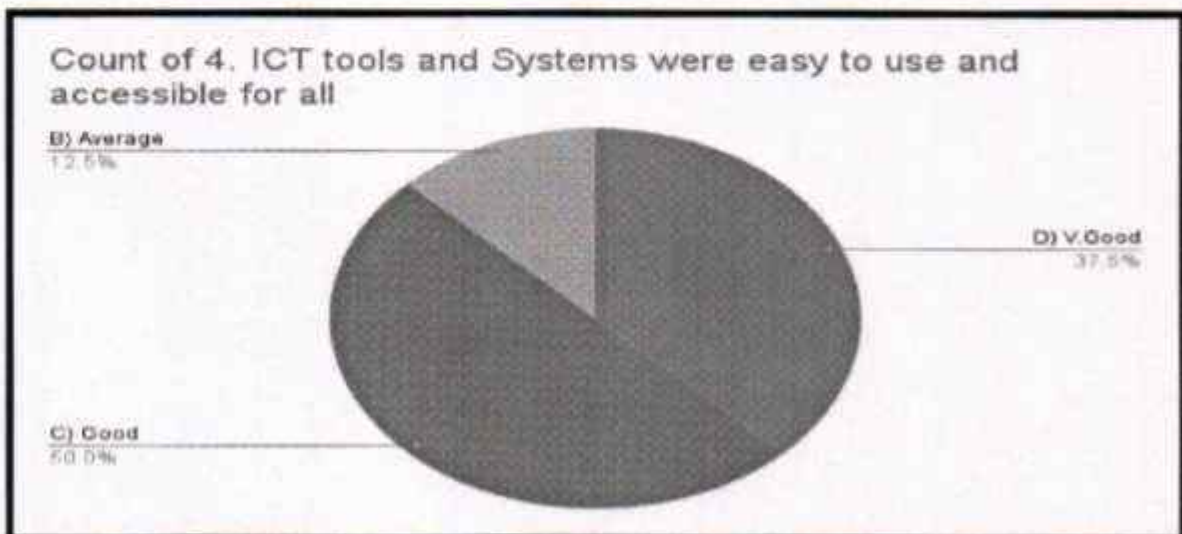

80% of the students gave good feedback, saying they thought the lecture was well-structured and arranged.

80% of the student's feedback was positive and indicated that they found the lecture was structured and well organized

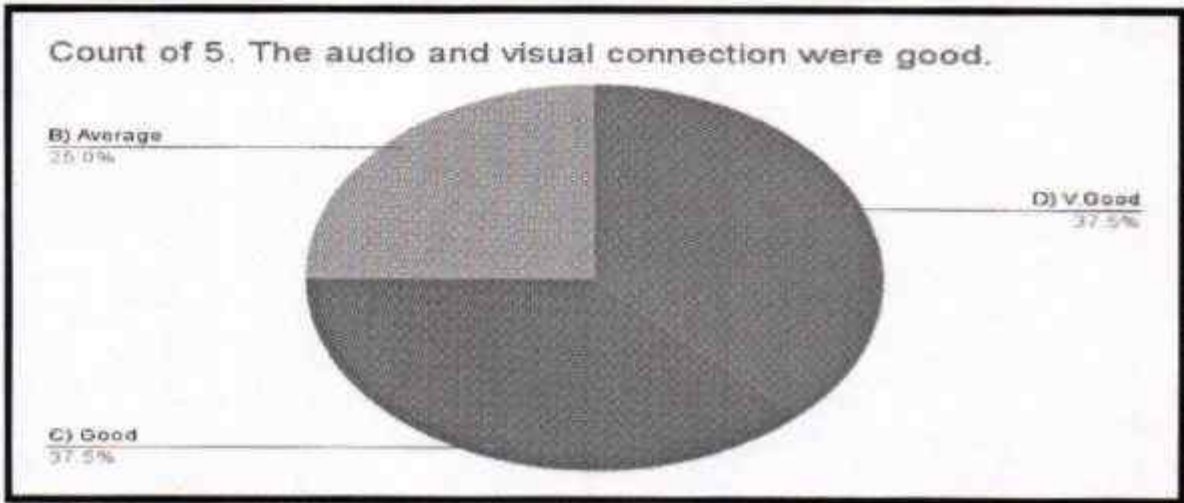

. We have worked to keep the level of the current student feedback at or above it..

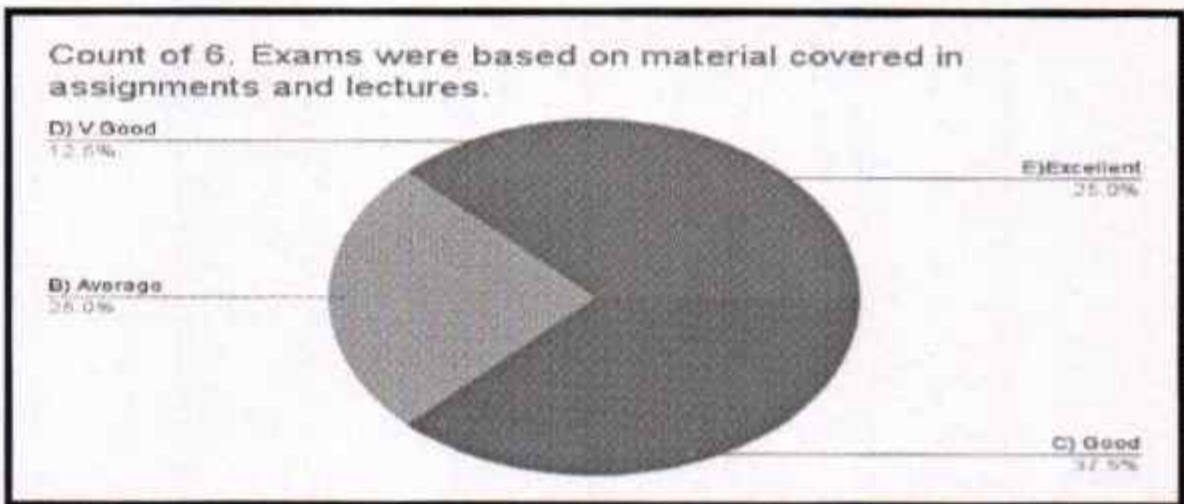

87% of students have provided feedback regarding the learning materials and their accessibility. Thanks to our efforts, the level of the most current student feedback has been maintained at or above it.

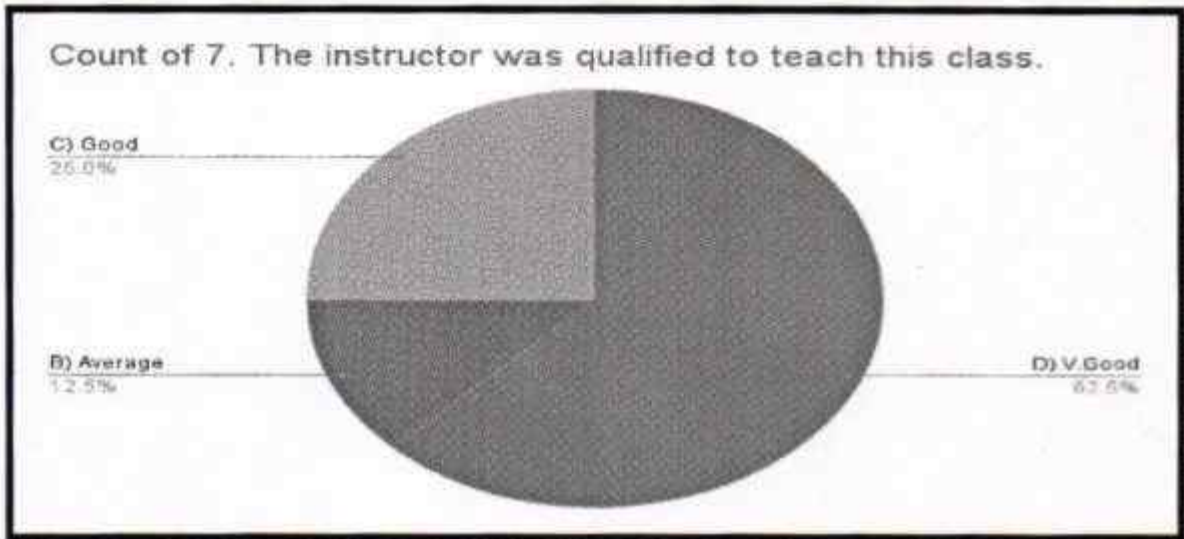

Students gave ICT tools and systems an average rating of 87% for usability and accessibility. Have made efforts to maintain the standard of the most recent student feedback at or above it.

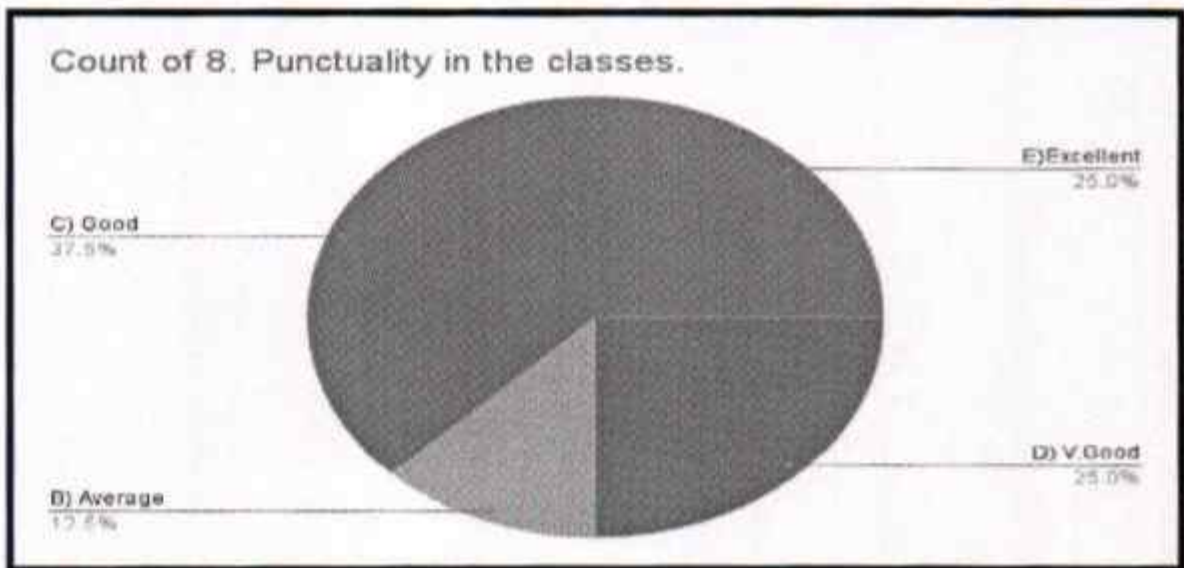

We performed the necessary adjustments to acquire the larger proportion of a audio and visual connection, receiving 25% of the average audio and visual connection.

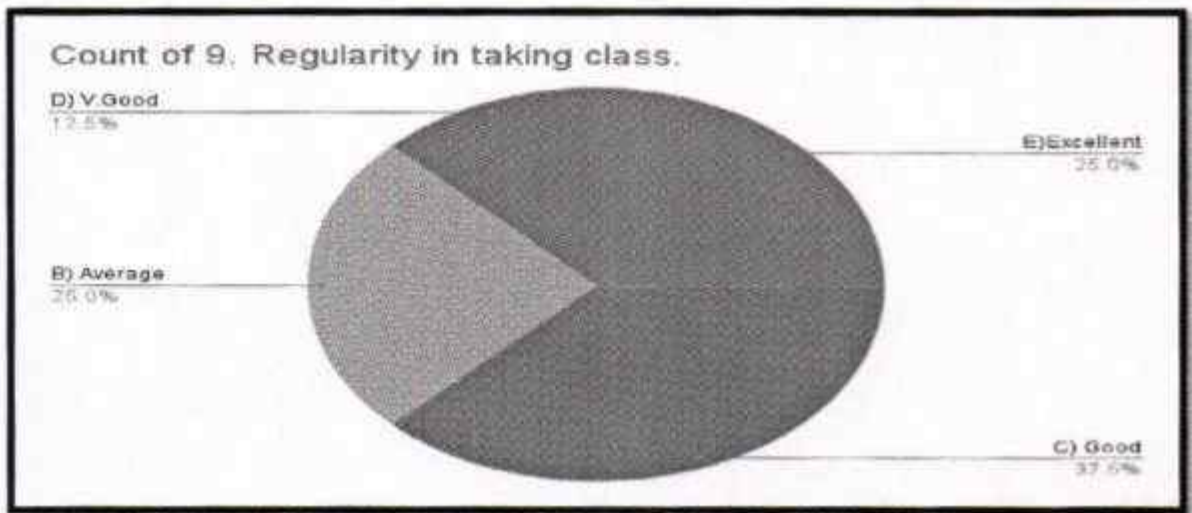

The students' feedback for exams that were based on material from assignments and lectures was 25% on average. In an effort to keep assignment and lecture at the higher level, we have improved material preparation for exams .

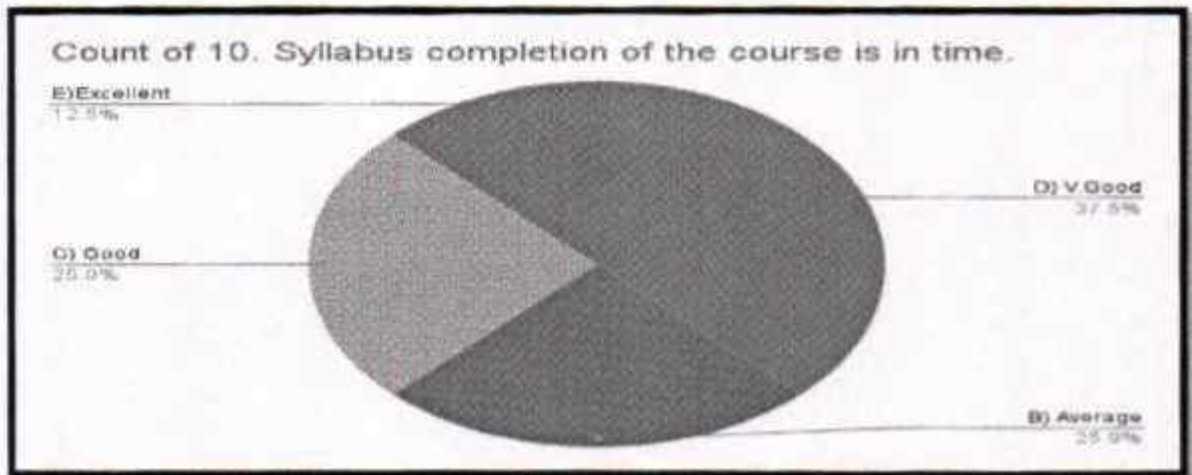

87% of the feedback we got indicated that the instructor was qualified to teach this particular course. We have made attempts to keep the most recent student feedback's standard at or higher than it.

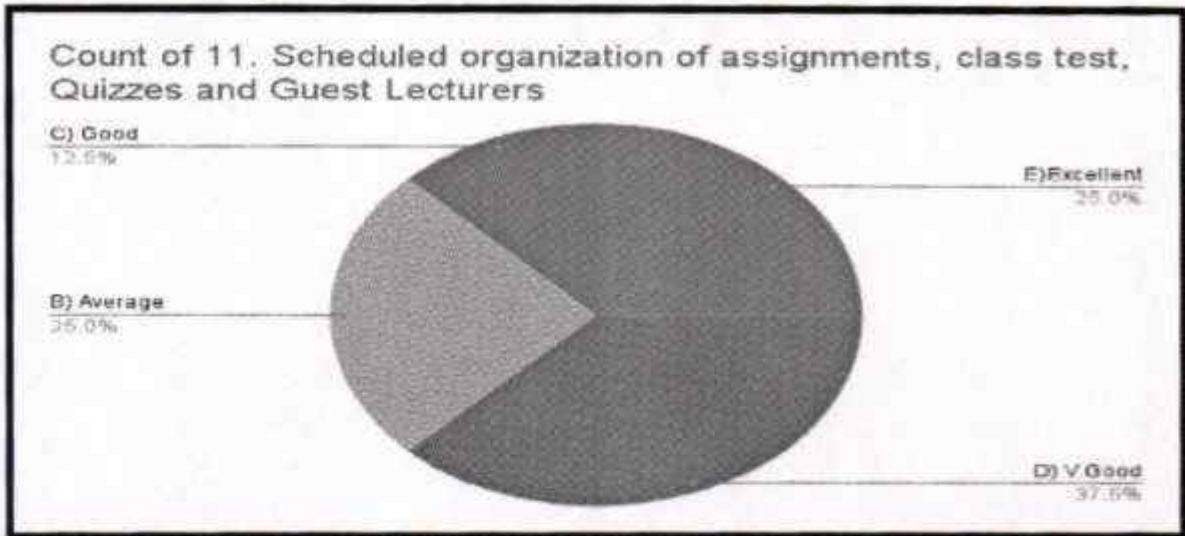

87% of students gave positive reviews on their punctuality in class. We have made attempts to keep the most recent student feedback's standard at or higher than it.

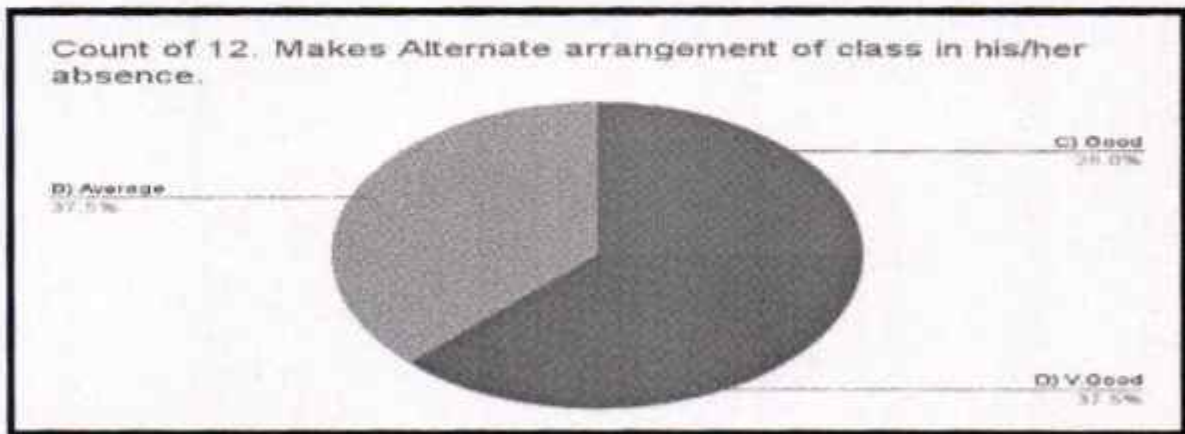

The typical response from students who attend classes regularly is 25%. We work hard to enhance the number of excellent feedback ratings for students who attend lessons frequently.

87% of students gave us extremely positive feedback for meeting the course's syllabus deadline. We have worked to keep the level of the current student feedback at or above it.

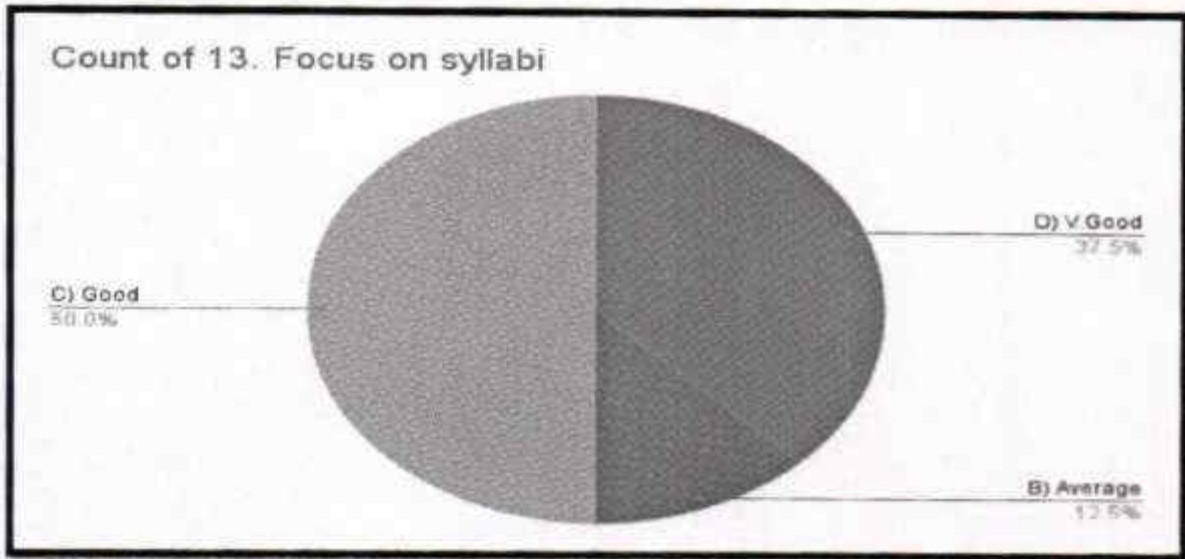

25% of the typical student feedback regarding the timing of assignments, tests, quizzes, and guest lecturers in an effort to maintain the higher level of the lecture and assignments

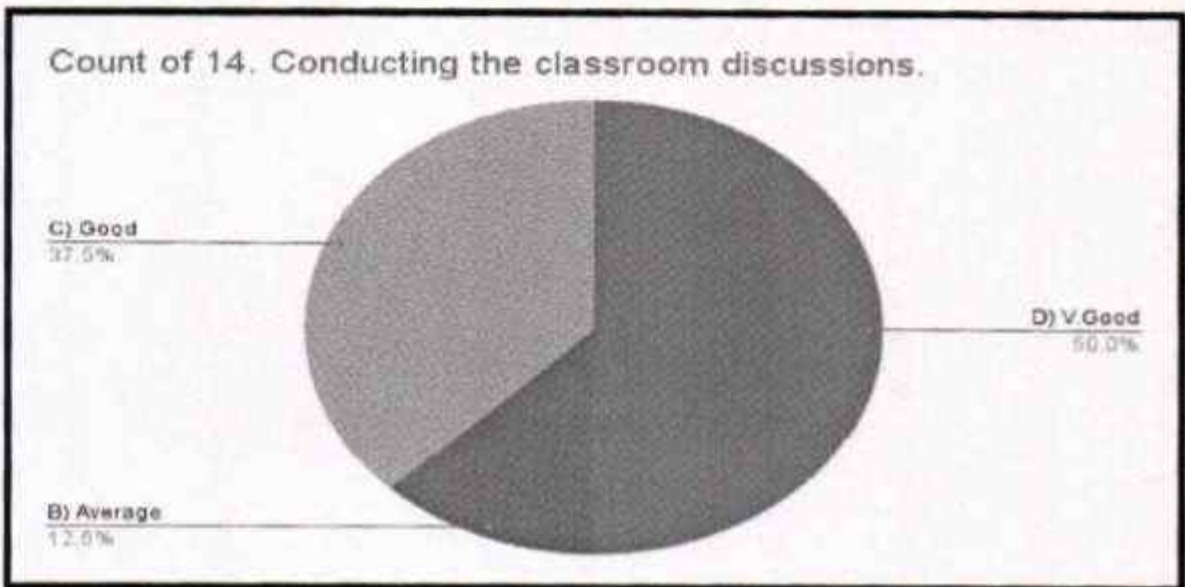

In order to maintain the higher standard of the lecture and assignments, different arrangements for class are made in 37.5% of the cases where input from the students is received.

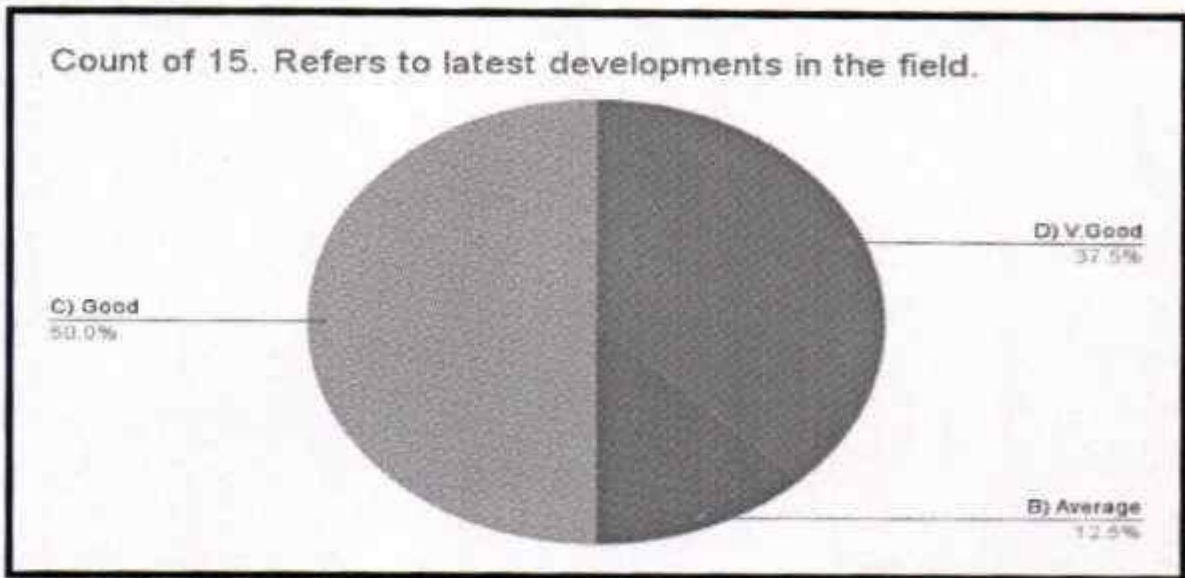

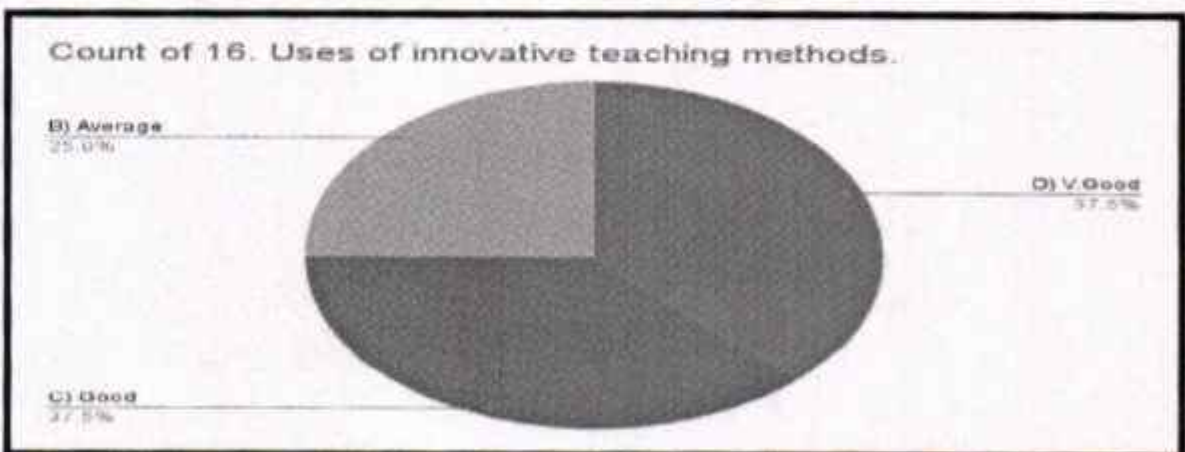

We have endeavoured to maintain the level of the present student feedback at or above it. 87.5% of the students gave us positive feedback on our focus on the curricula.

We have endeavoured to maintain the level of the present student feedback at or above it. 87% of students have given us very good feedback regarding how the class discussions are conducted.

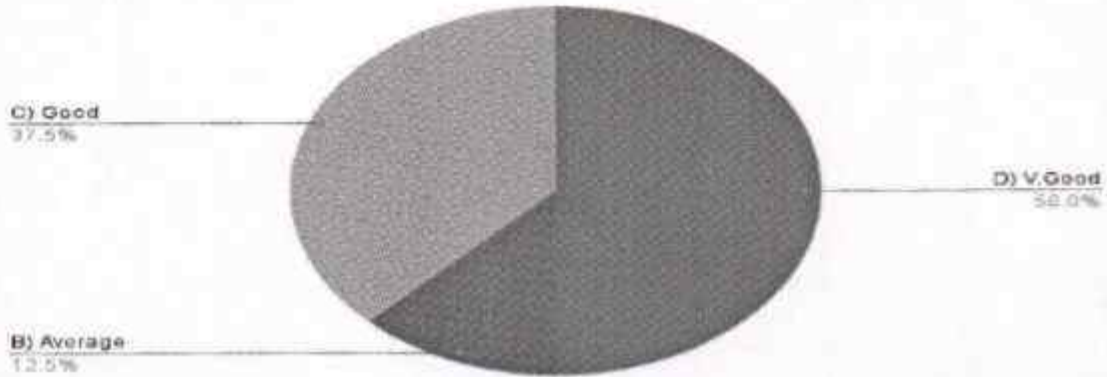

Regarding the most recent advancements in the profession, 87% of positive student opinion is positive. The level of the most recent student feedback has been kept at or above it thanks to our efforts.

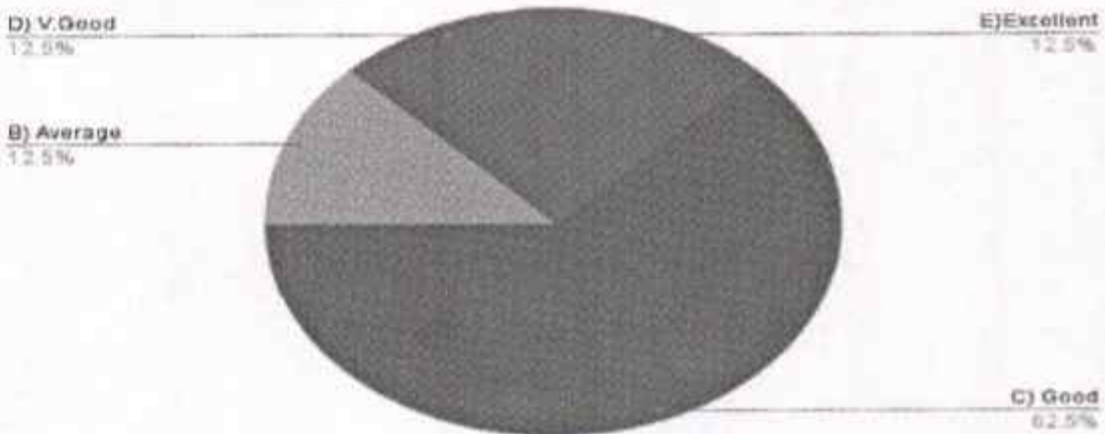

25% of the typical student response on the utilisation of creative teaching techniques in an effort to keep the quality of the lectures and assignments at a high standard, instructors

Count of 17. Helping approach towards various academic interests of students.

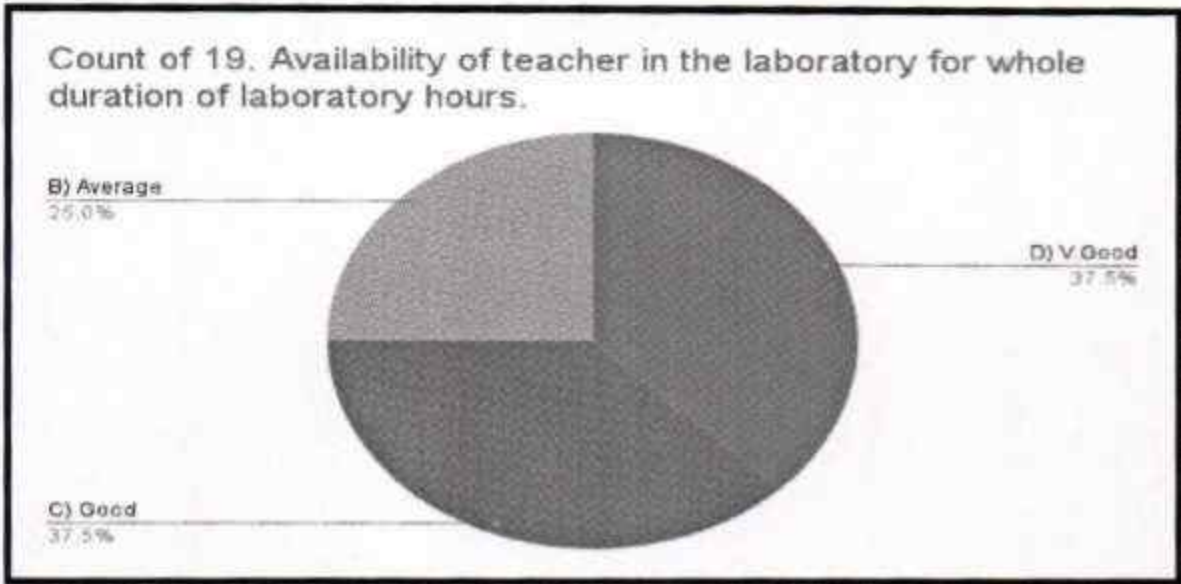

87% of students gave extremely positive feedback for the approach's assistance with the students' diverse academic interests. Thanks to our efforts, the level of the most current student feedback has been maintained at or above it.

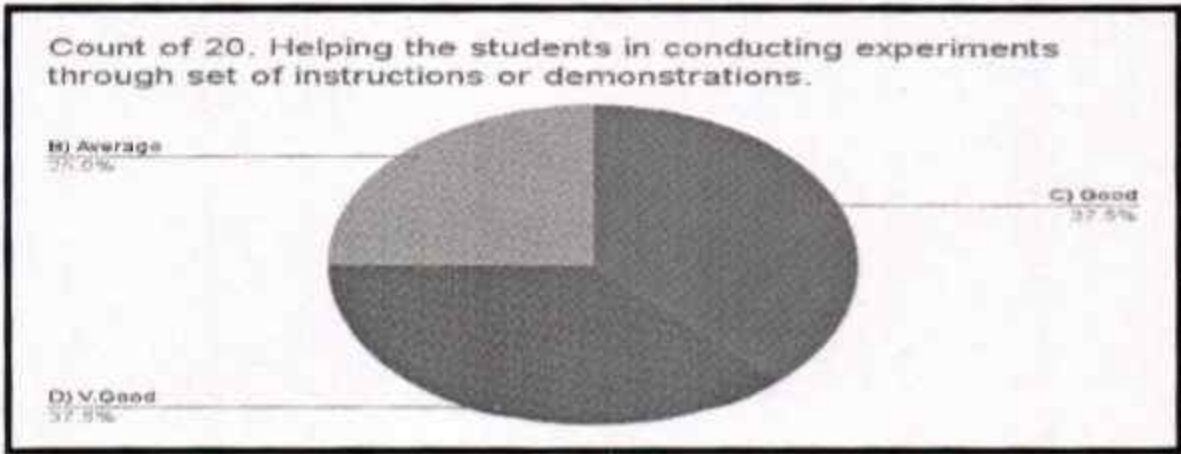

Count of 18. Helping students in realizing career goals.

87.5 percent of students gave positive feedback for helping them achieve their job goals. Thanks to our efforts, the level of the most current student feedback has been maintained at or above it.

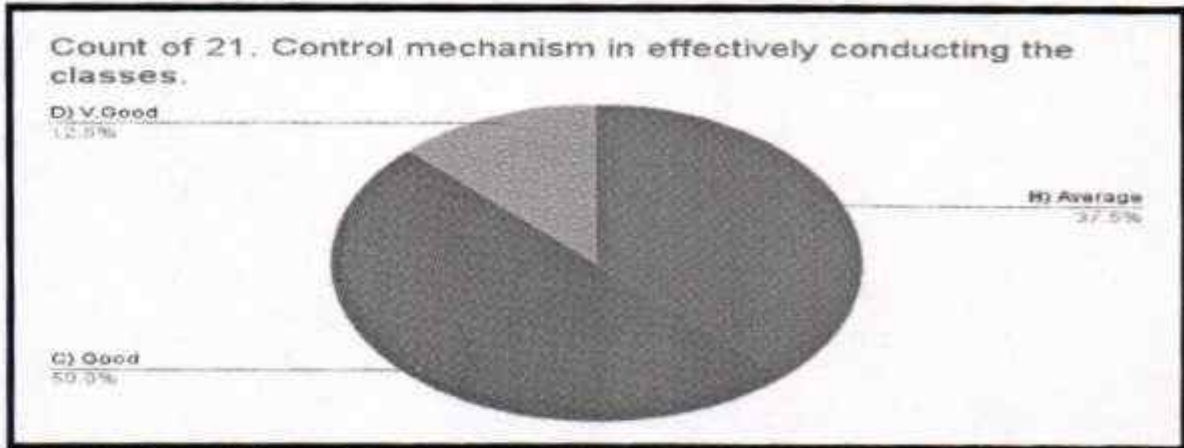

25% of the typical student feedback regarding the teacher's presence during the entire lab session In an effort to uphold the higher level of teacher accessibility during lab hours

In 25% of the comments, it was mentioned that we had helped the students carry out experiments by giving them guidelines or examples. Thanks to our efforts, the level of the most current student

feedback has been maintained at or above it. feedback has been maintained at or above it.

We received an average of 30% input on our control mechanisms for successfully running the classes, and we have worked to raise the level of the current student feedback.

## PG AND RESEARCH DEPARTMENT OF CHEMISTRY

### STUDENT FEEDBACK 2020-2021

#### Inference:

The above table showed that The content of the subject was useful and interesting is 21.7 % excellent 30.4 % very good and 47.8% good.

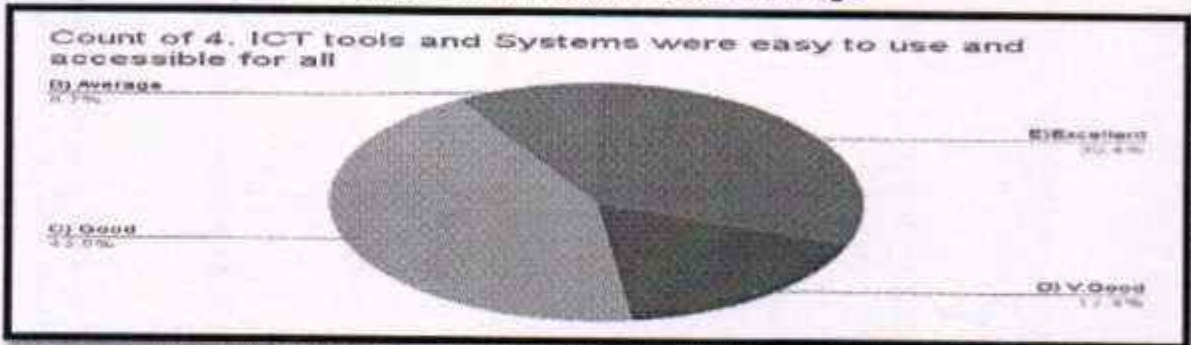

#### Inference:

The above table showed that the teachers to give the for students 30.4 % excellent 30.4 % very good and 39.1% good that of The lecture was structured and well organized.

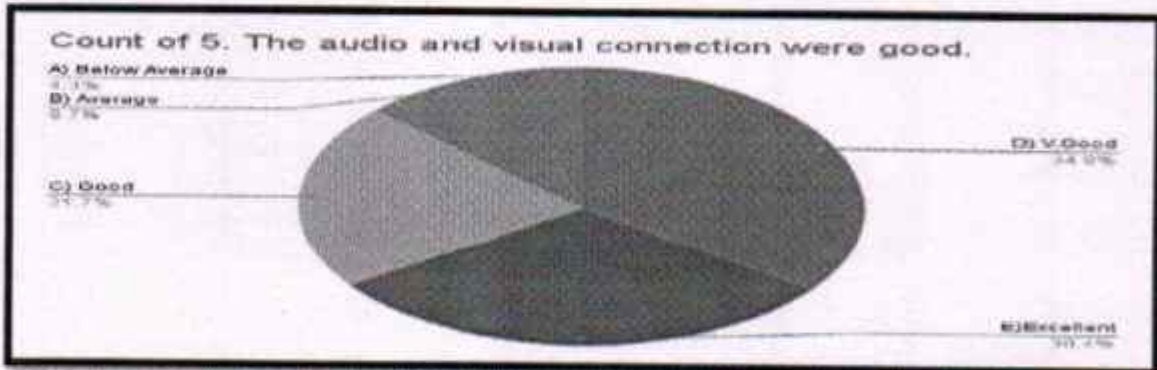

**Inference:**

The above table showed that the students to give feedback for learning material was accessible is 39.1% excellent, 34.8% very good, 17.4% Good and 8.7% average.

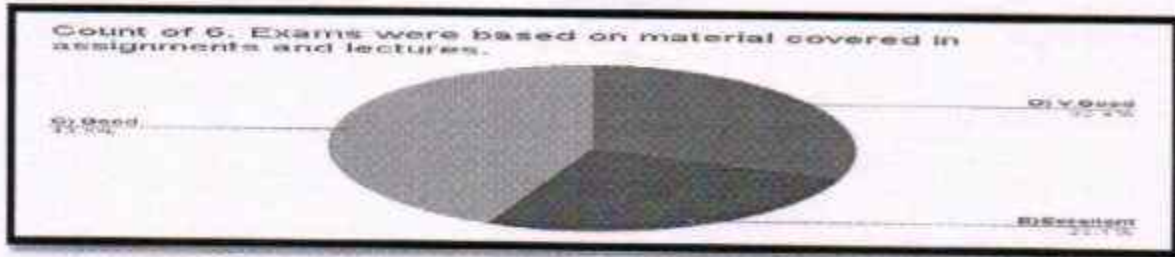

**Inference:**

The above table showed that students feedback for ICT tools and systems were easy to use and accessible for all is in the college was 30.4% excellent, 17.4% very good, 43.5% good and 8.7% average.

**Inference:**

The above table showed that students feedback for The audio and visual connection were good was 30.4% excellent, 34.8% Very good, 21.7% Good and 8.7% average, 4.3% below average.

**Inference:**

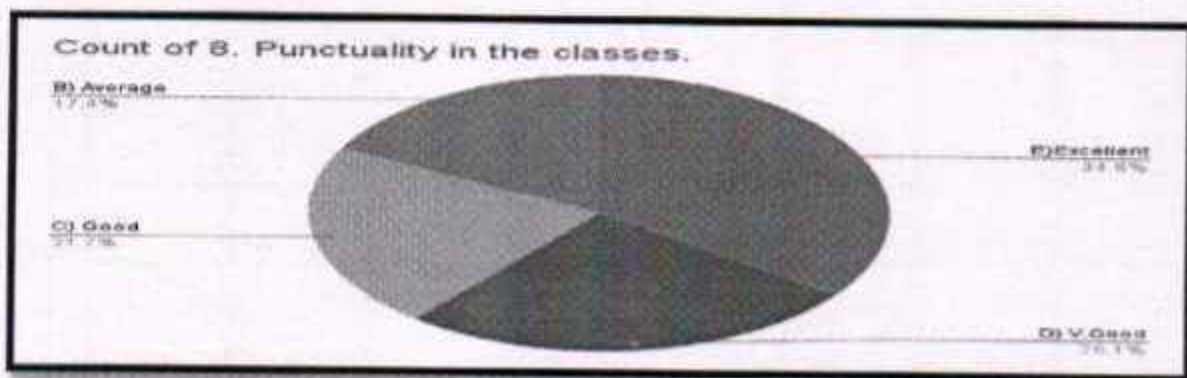

The above table showed that students feedback for exams were based on material covered in assignment and lectures was 26.1% excellent, 30.4% Very good and 43.5% Good.

Count of 7. The instructor was qualified to teach this class.

**Inference:**

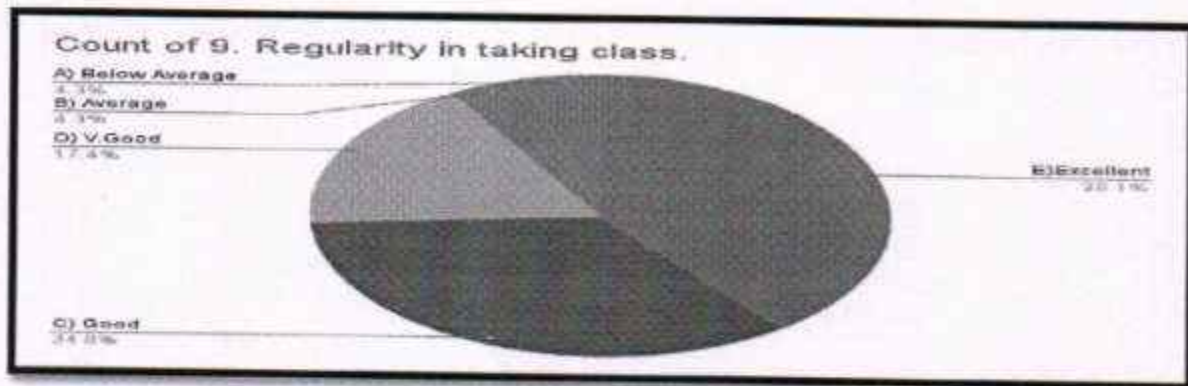

The above table showed that students feedback for The instructor was qualified to teach class was 47.8% excellent, 30.4% Very good and 21.7% Good

**Inference:**

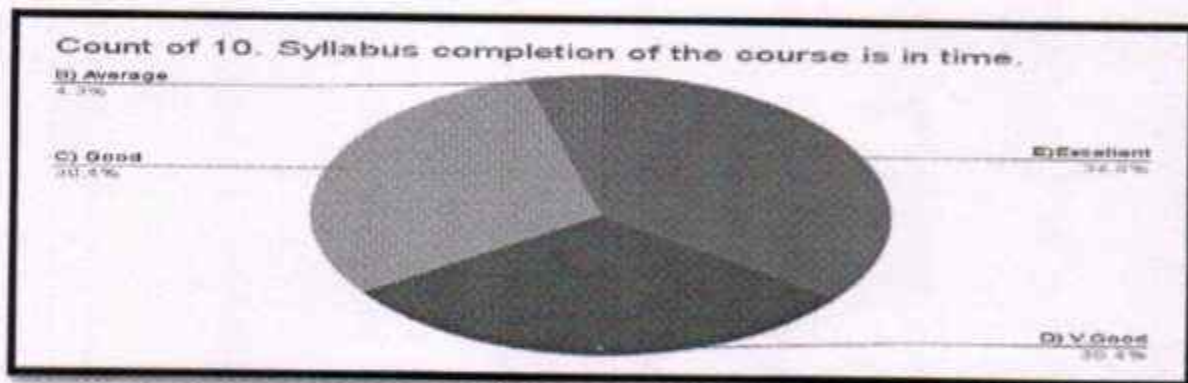

The above table showed that students feedback for The punctuality in the class was 34.8% excellent, 26.1% Very good, 21.7% Good and 17.4% average.

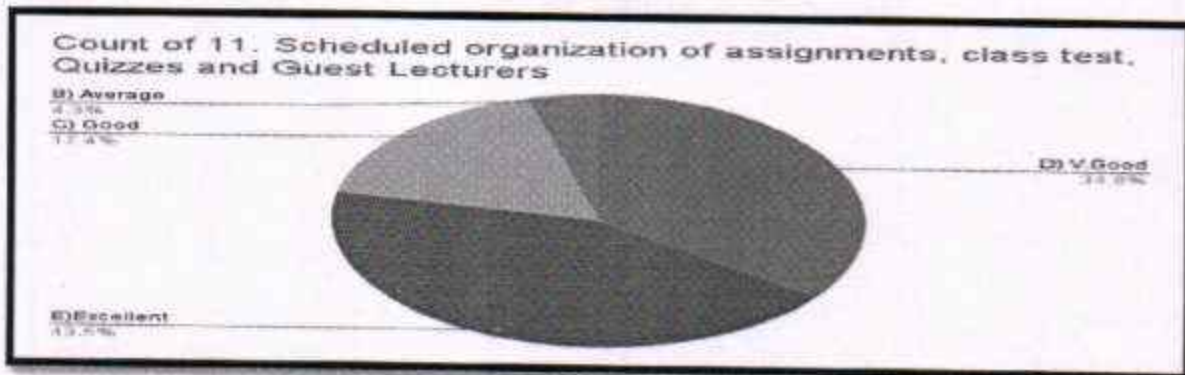

**Inference:**

The above table showed that students feedback for The reguarity in taking class was 39.1% excellent, 17.4% Very good, 34.8% Good and 4.3% average, 4.3% below average.

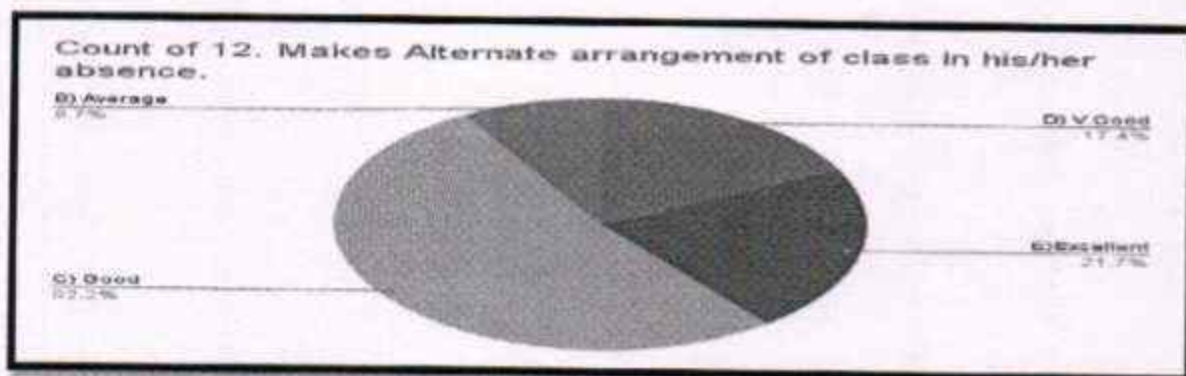

**Inference:**

The above table showed that students feedback for The syllabus completion of the course is in time was 34.8% excellent, 30.4% Very good, 30.4% Good and 4.3% average.

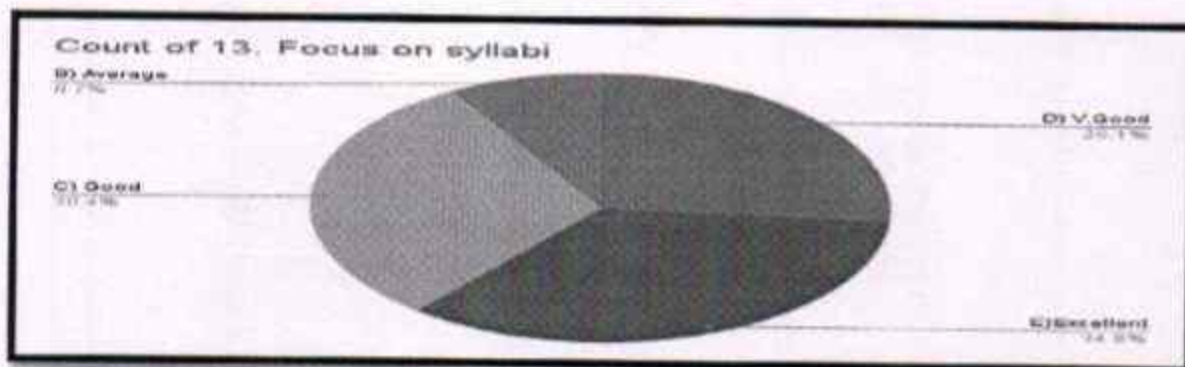

**Inference:**

The above table showed that students feedback for The syllabus completion of the course is in time was 34.8% excellent, 30.4% Very good, 30.4% Good and 4.3% average.

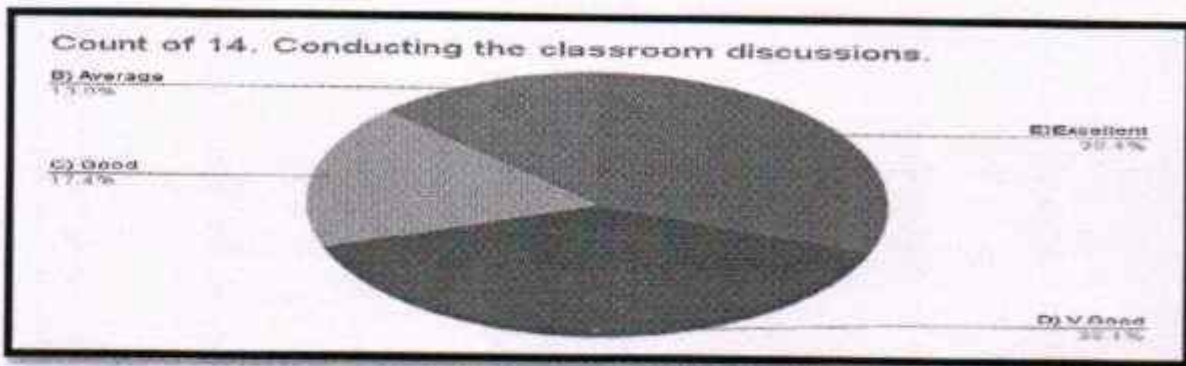

**Inference:**

The above table showed that students feedback for The Makes alternate of class in his/her absence was 21.7% excellent, 17.4% Very good, 52.2% Good and 8.7% average.

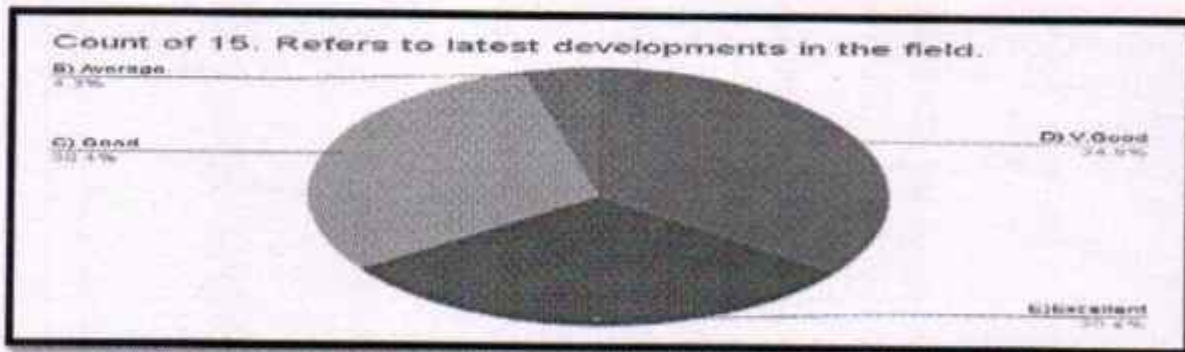

**Inference:**

The above table showed that students feedback for The Focus on syllabus was 34.8% excellent,26.1% Very good, 30.4% Good and 8.7% average.

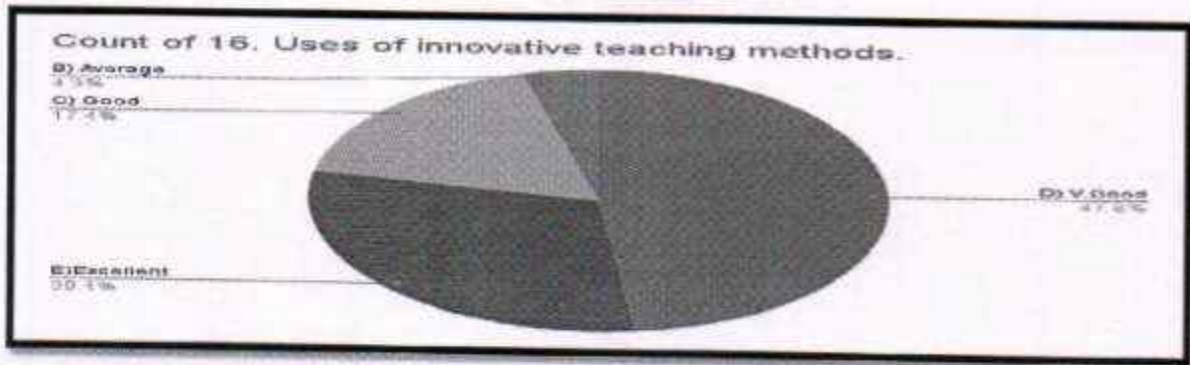

**Inference:**

The above table showed that students feedback for The Conducting the classroom discussions was 30.4% excellent,39.1% Very good, 17.4% Good and 13.0% average.

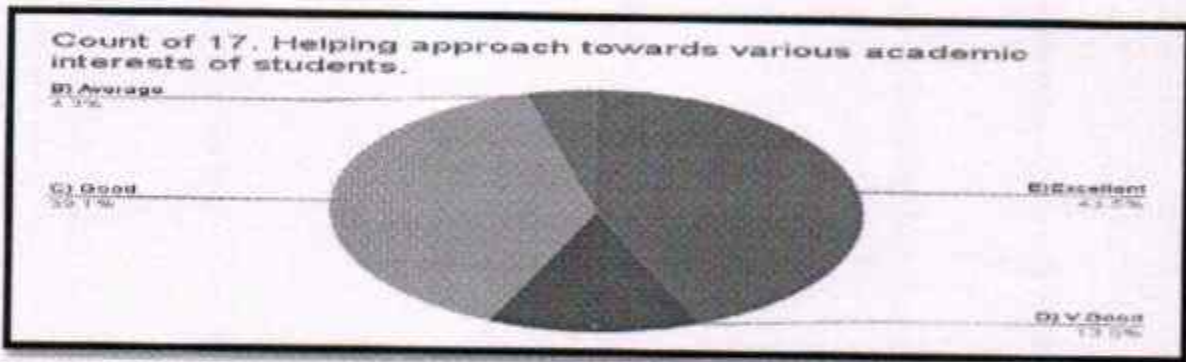

**Inference:**

The above table showed that students feedback for The Refers to latest developments in the field was 30.4% excellent,34.8% Very good, 30.4% Good and 4.3% average.

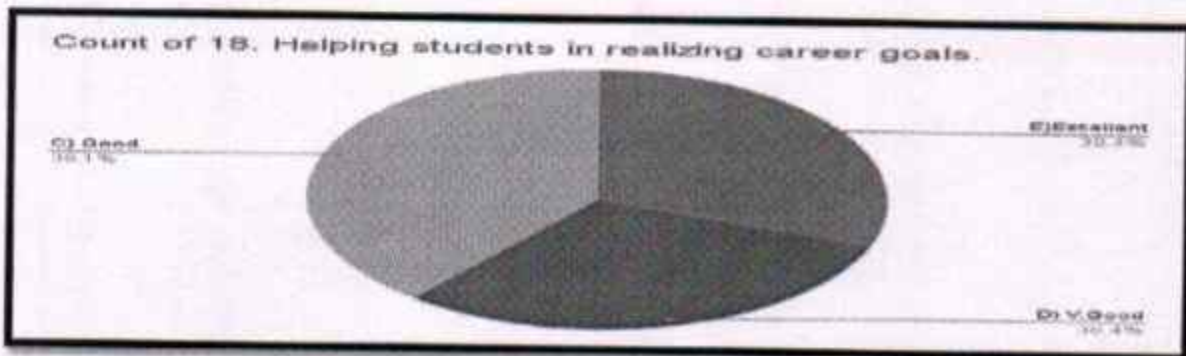

**Inference:**

The above table showed that students feedback for The Uses of innovative teaching methods was 30.4% excellent, 47.8% Very good, 17.4% Good and 4.3% average.

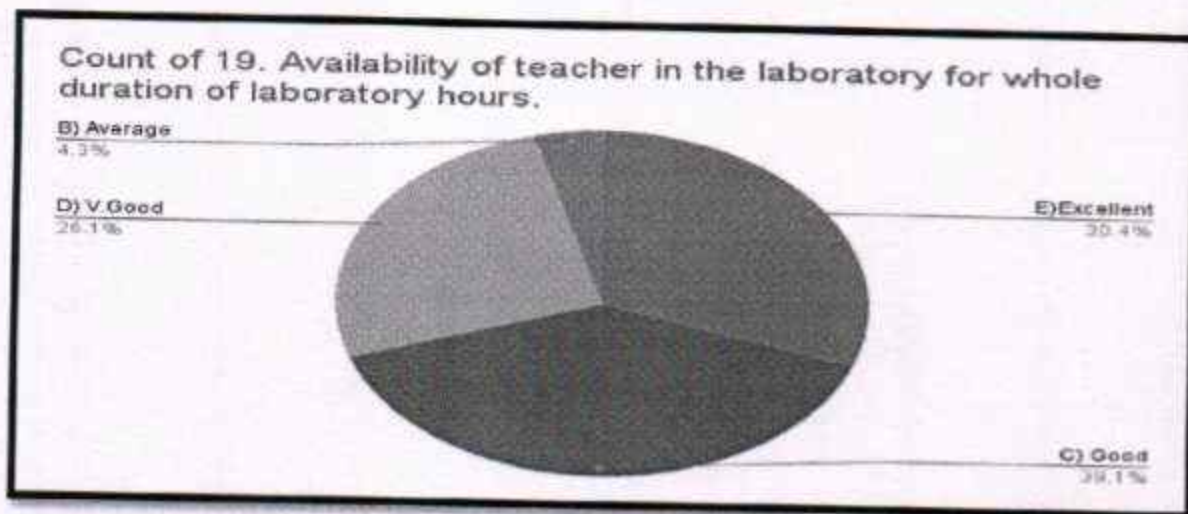

**Inference:**

The above table showed that students feedback for The helping approach towards various academic interests of students was 43.5% excellent, 13.0% Very good, 39.4% Good and 4.3% average.

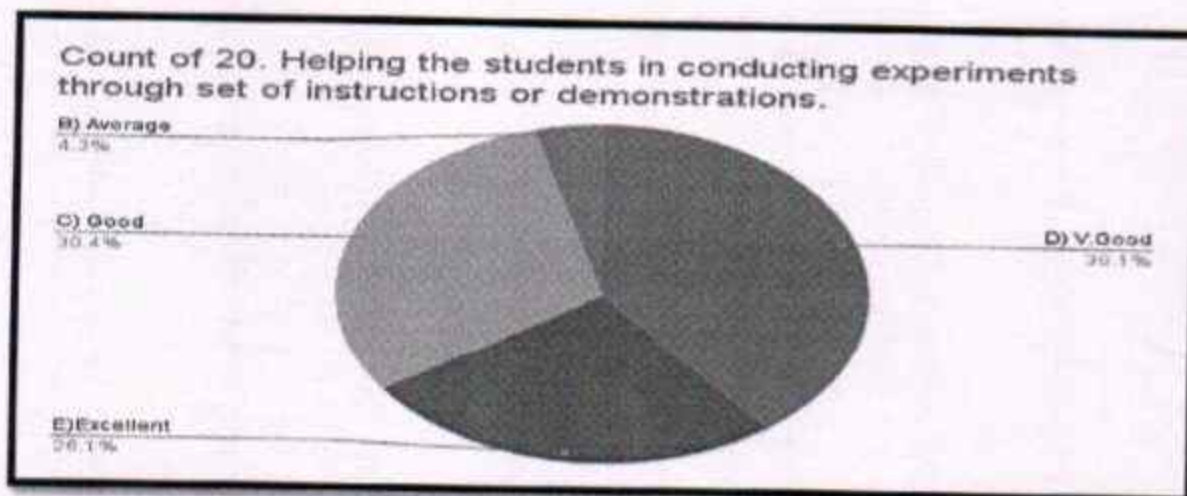

**Inference:**

The above table showed that students feedback for The helping students in realizing career goals was 30.4% excellent,30.4% Very good and 39.1% Good.

**Inference:**

The above table showed that students feedback for The availability of teacher in the laboratory for whole duration of laboratory hours was 30.4% excellent,26.1% Very good, 39.1% Good and 4.3% average.

**Inference:**

The above table showed that students feedback for The helping the students in conducting experiments through set of instructions or demonstrations was 30.4% excellent,26.1% Very good, 39.1% Good and 4.3% average.

Count of 21. Control mechanism in effectively conducting the classes.

A) Below Average

4.3%

B) Average

4.3%

C) Good

26.1%

E) Excellent

34.8%

D) V.Good

30.4%

**Inference:**

The above table showed that students feedback for The control mechanism in effectively conducting the classes was 34.8% excellent, 30.4% Very good, 26.1% Good and 4.3% average, 4.3% below average.

**Action Taken:**

Based on the above analysis it is concluded that the students feedback were excellent in the majority of the questions. So we follow the same and try to development the same on the need base.

## ENGLISH STUDENT FEEDBACK 2020-2021

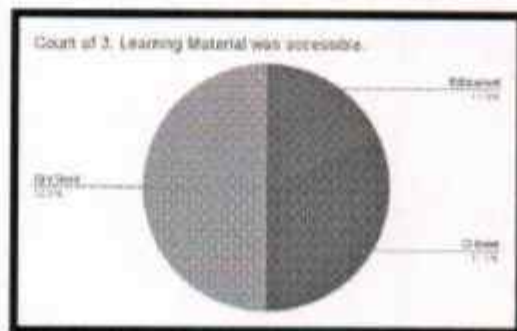

### Analysis

The above Pie Chart showed that 21.4% of students felt that Excellent in the content of the subject was useful and interesting ,42.9% of students felt very good and 35.7% of students felt good.

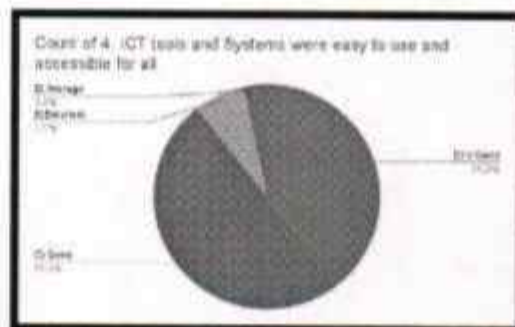

### Analysis

The above Pie Chart showed that 14.3% of students felt that Excellent lecture,sturcture and well organized,39.3% of students felt very good and 46.4% of students felt good.

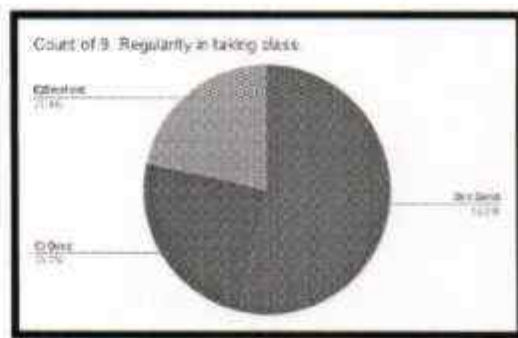

### Analysis

The above Pie Chart showed that 17.9% of students felt that Learning accessible material is Excellent,50% of students felt very good and 32.1% of students felt good.

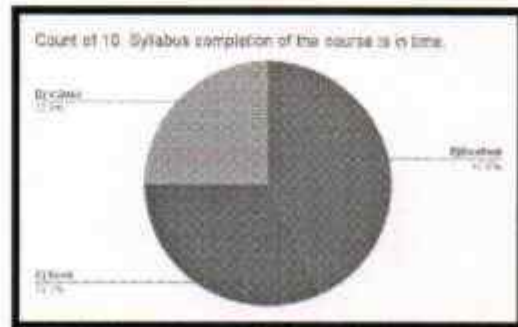

### Analysis

The above Pie Chart showed that 7.1% of students felt that ICT tools and systems were easy to use and accessible to all is Excellent,39.3% of students felt very good,50% of students felt good and 3.6% of students felt average.

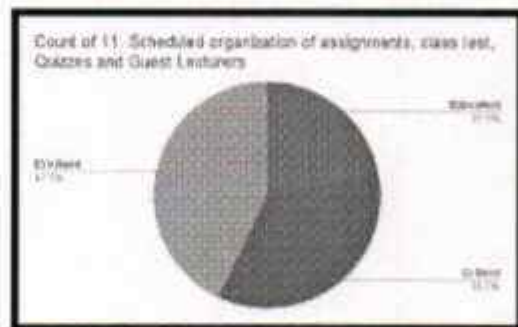

**Analysis**

The above Pie Chart showed that 21.4% of students felt that regularly in taking classes is Excellent, 53.6% of students felt very good and 25% of students felt good.

**Analysis**

The above Pie Chart showed that 42.9% of students felt that syllabus completion of the course in time is Excellent, 25% of students felt very good and 32.1% of students felt good.

**Analysis**

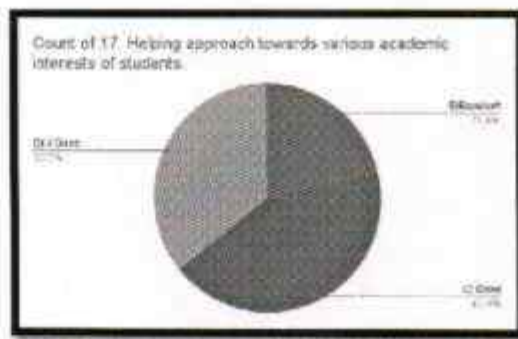

The above Pie Chart showed that 21.4% of students felt that scheduled organization of assignments, class, test, quizzes and guest lecturers are Excellent, 42.9% of students felt very good and 35.7% of students felt good.

**Analysis**

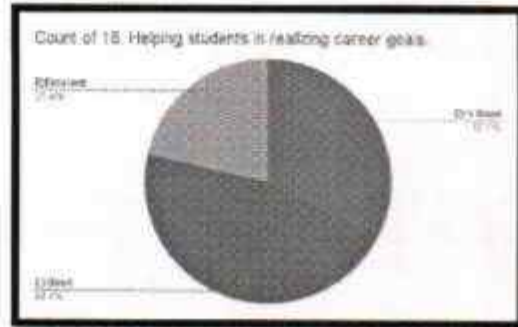

The above Pie Chart showed that 3.6% of students felt that makes alternate arrangement of class in his/her absence are Excellent, 53.6% of students felt very good and 42.9% of students felt good.

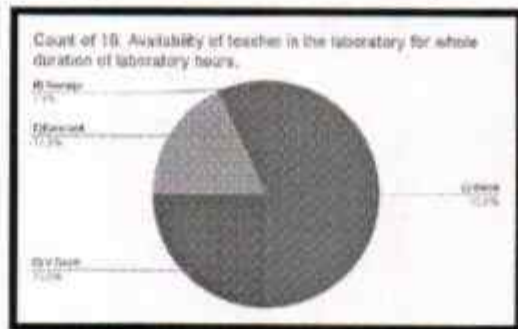

**Analysis**

The above Pie Chart showed that 21.4% of students felt that helping approach towards various academic interest of students is Excellent, 35.7% of students felt very good and 42.9% of students felt good.

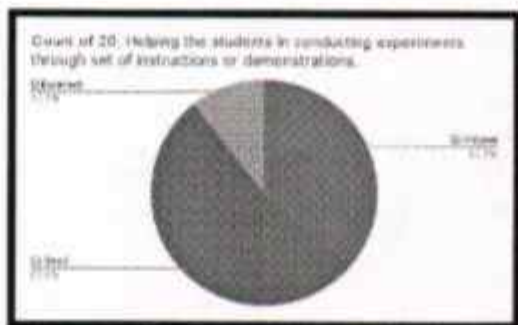

**Analysis**

The above Pie Chart showed that 21.4% of students felt that helping students in realizing career goals is Excellent, 32.1% of students felt very good and 46.4% of students felt good.

**Analysis**

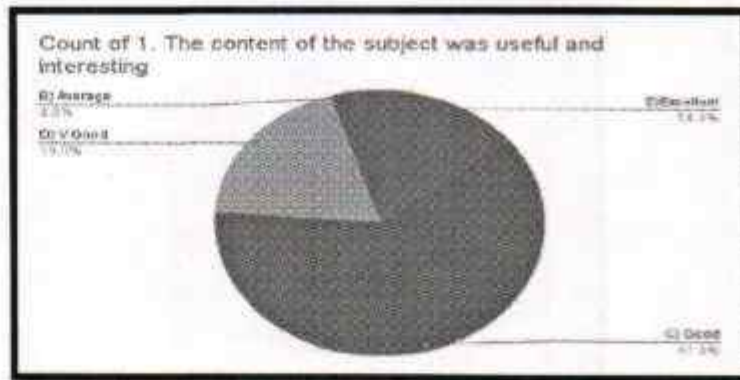

The above Pie Chart showed that 17.9% of students felt that availability of teacher in the laboratory for whole duration of laboratory hours is Excellent, 25% of students felt very good, 50% of students felt good and 7.1% students felt average.

**Analysis**

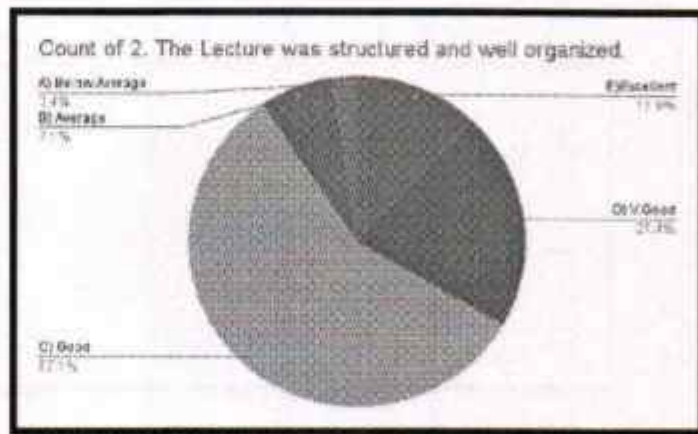

The above Pie Chart showed that 10.7% of students felt that helping students in conducting experiments through set of instructions or demonstration is Excellent, 35.7% of students felt very good and 53.6% of students felt good.

STUDENTS FEEDBACK ANALYSIS 2020-2021

Analysis:

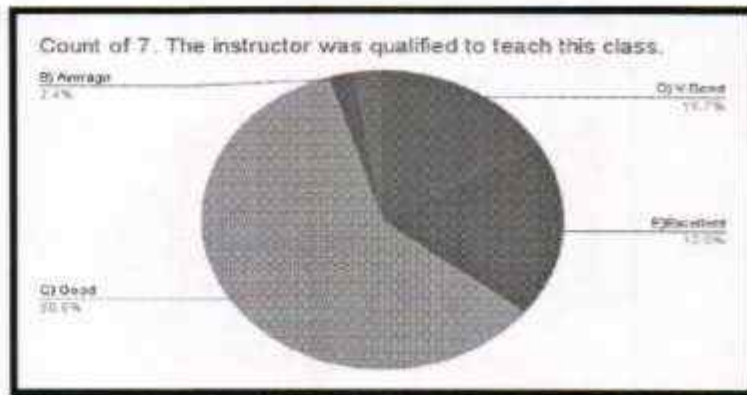

The above Pie chart showed that 14.3% of students felt that the content of subject was useful and interesting is Excellent, 19% of students felt very good, 61.9% of students felt good and 4.8% of students felt average.

Analysis:

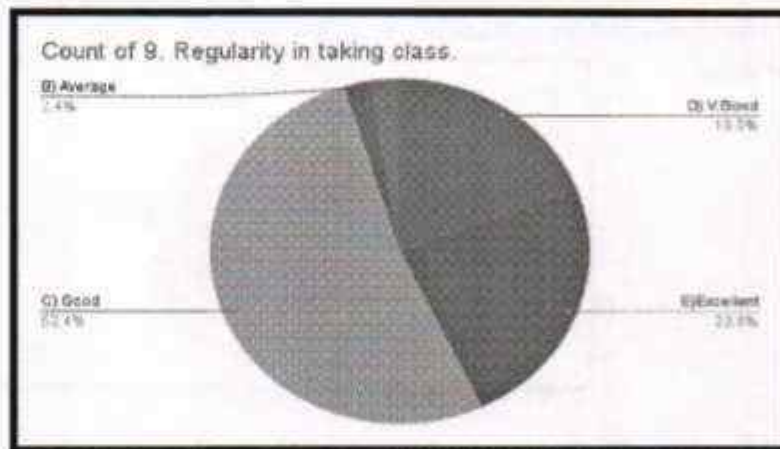

The above Pie chart showed that 11.9% of students felt that the lecture was structured and well organized is Excellent, 21.4% of students felt very good, 57.1% of students felt good, 7.1% of students felt average and 2.4% of students felt below average.

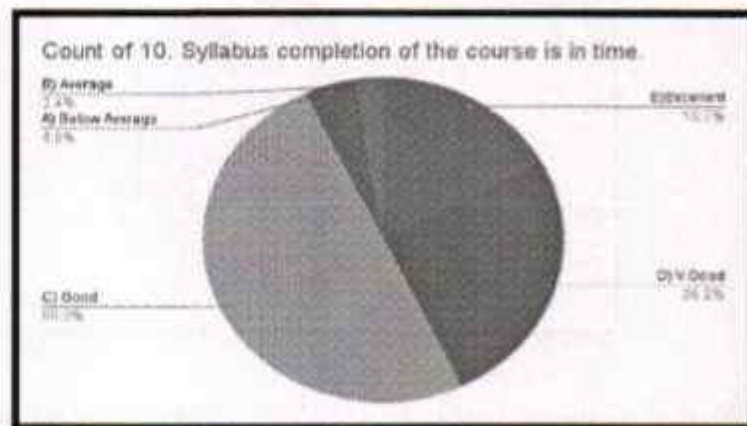

Analysis:

The above Pie chart showed that 19% of students felt that the instructor was qualified to teach this class is Excellent, 16.7% of students felt very good, 59.5% of students felt good, 2.4% of students felt average and 2.4% of students felt below average.

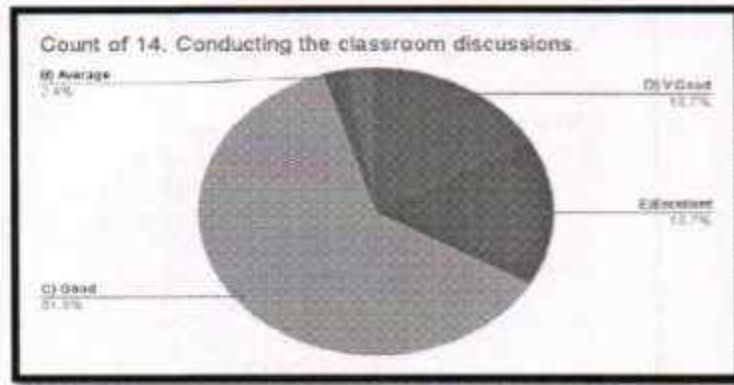

Analysis:

The above Pie chart showed that 23.8% of students felt that regularity in taking class is Excellent, 19% of students felt very good, 52.4% of students felt good, 2.4% of students felt average and 2.4% of students felt below average.

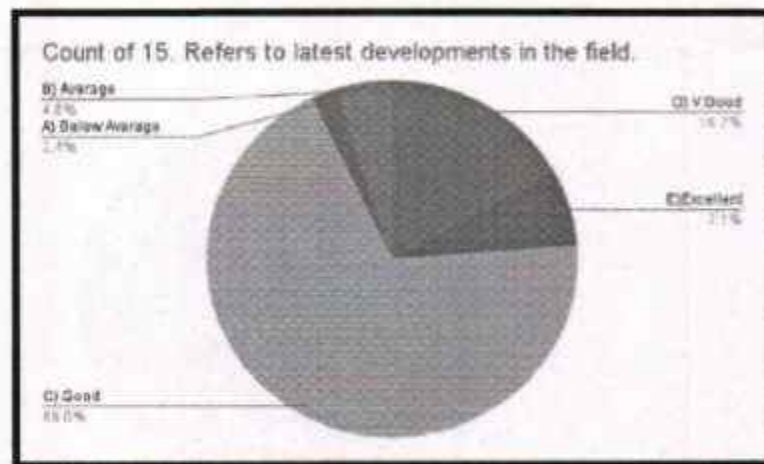

Analysis:

The above Pie chart showed that 16.7% of students felt syllabus completion of the course is in time is Excellent, 26.2% of students felt very good, 50% of students felt good, 4.8% of students felt average and 2.4% of students felt below average.

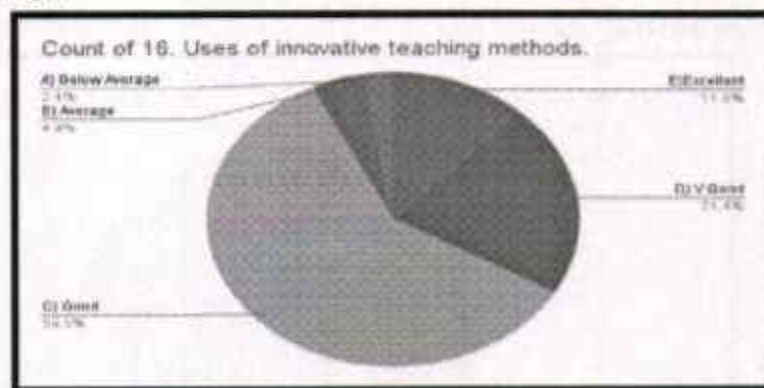

Analysis:

The above Pie chart showed that 16.7% of students felt that conducting the classroom discussions is Excellent, 16.7% of students felt very good 61.9% of students felt good, 2.4% of students felt average and 2.3% of students felt below average.

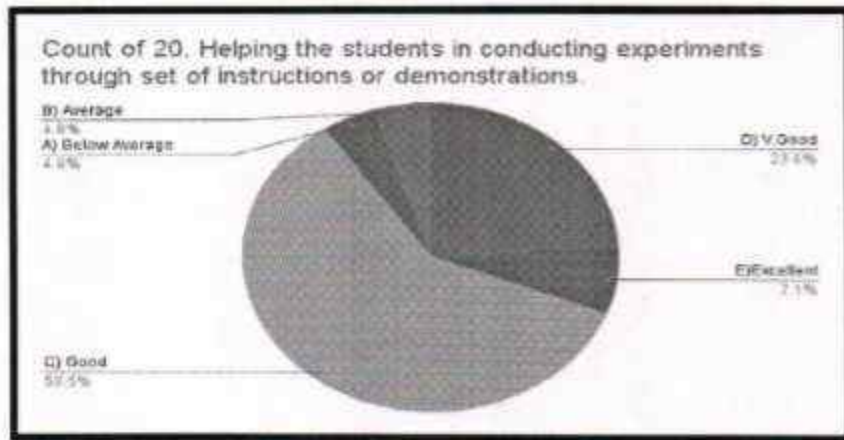

Analysis:

The above Pie chart showed that 7.1% of students felt that refers to latest developments in the field is Excellent, 16.7% of students felt very good 69% of students felt good, 4.8% of students felt average and 2.4% of students felt below average.

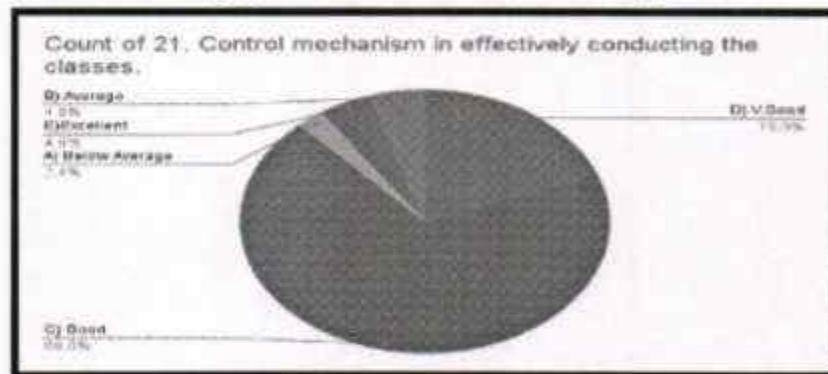

Analysis:

The above Pie chart showed that 11.9% of students felt that uses of innovative teaching methods are Excellent, 21.4% of students felt very good 59.5% of students felt good and 4.8% of students felt average and 2.4% of students felt below average.

**Analysis:**

The above Pie chart showed that 7.1% of students felt that helping the students in conducting experiments through set of instructions or demonstrations are Excellent, 23.8% of students felt very good, 59.5% of students felt good, 4.8% of students felt average, and 4.8% of students felt below average.

**Analysis:**

The above Pie chart showed that 4.8% of students felt that control mechanism in effectively conducting the classes are Excellent, 19% of students felt very good, 69% of students felt good, 4.8% of students felt average, and 4.8% of students felt below average.

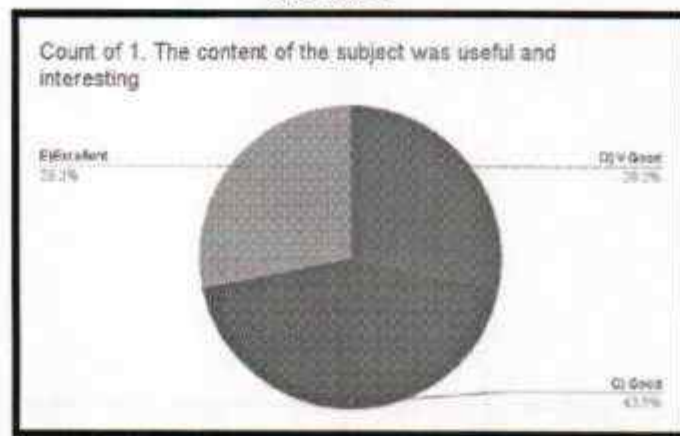

**ACTION TAKEN:**

Majority of the Student's responses are Favorable and the department should maintain the same for the coming years and also improve some facilities based on the needs of the students.

DEPARTMENT OF BCA  
STUDENTS FEEDBACK  
2020-2021

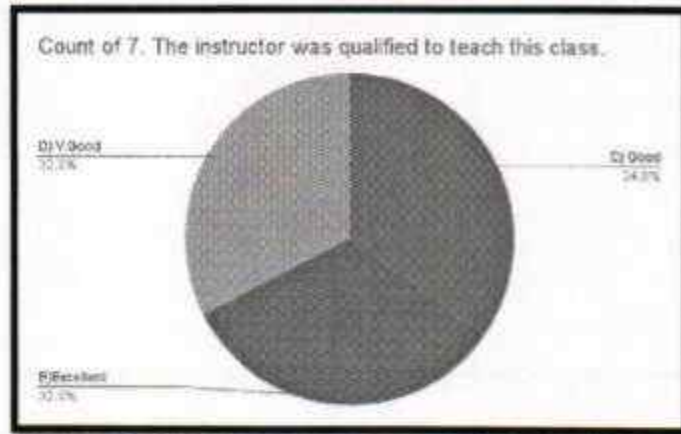

The above Pie Chart showed that 28.3% of students felt that Excellent in the content of the subject was useful and interesting, 28.3% of students felt very good and 43.5% of students felt good.

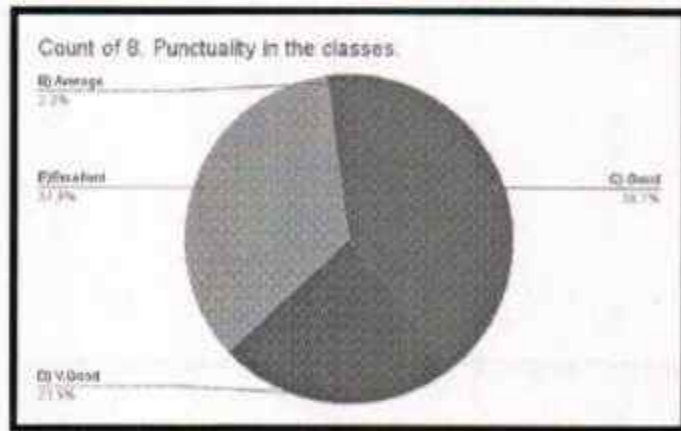

The above Pie Chart showed that 30.4% of students felt that Excellent lecture, structure and well organized, 39.1% of students felt very good and 30.4% of students felt good.

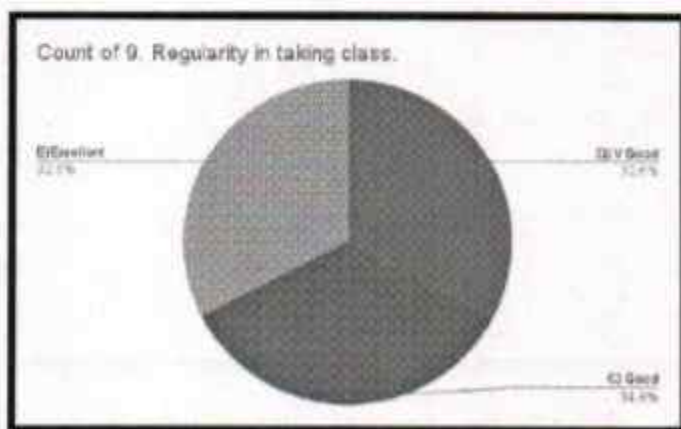

The above Pie Chart showed that 26.1% of students felt that Learning accessible material is Excellent, 30.4% of students felt very good and 37.0% of students felt good, 6.5% of Students felt that Learning material is Average.

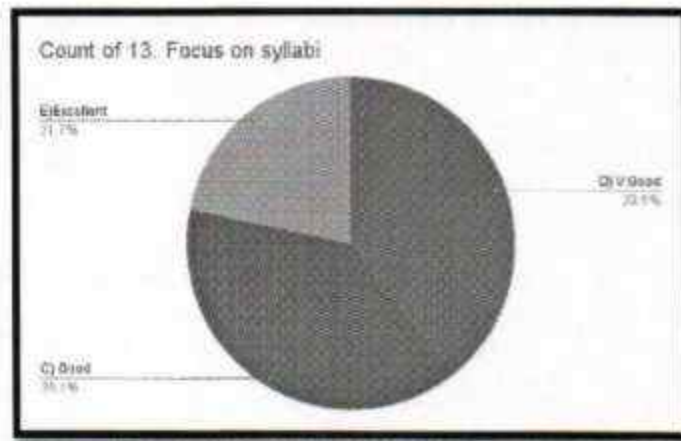

The above Pie Chart showed that 32.6% of students felt that Excellent instructor was qualified to teach this class, 32.6% of students felt very good and 34.8% of students felt good.

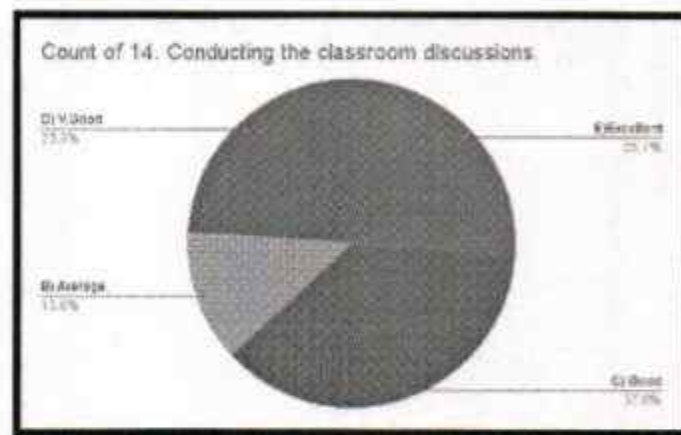

The above Pie Chart showed that 34.8% of students felt that Punctuality in the classes is Excellent, 23.9% of students felt very good, 39.1% of students felt good and 2.2% students felt average.

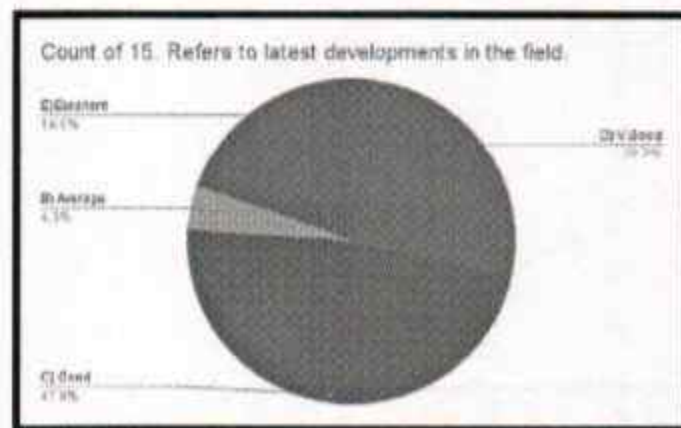

The above Pie Chart showed that 32.6% of students felt that regularly in taking classes is Excellent, 32.6% of students felt very good and 34.8% of students felt good.

The above Pie Chart showed that 21.7% of students felt that focus on syllabi is Excellent,39.1% of students felt very good and 39.1% of students felt good.

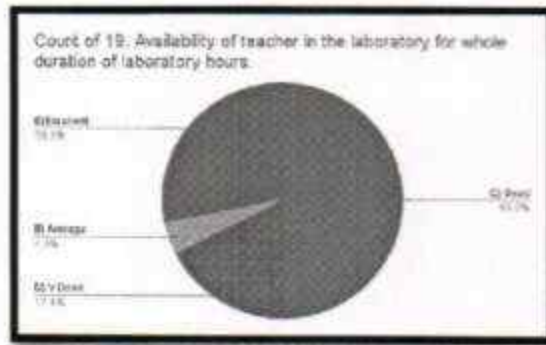

The above Pie Chart showed that 26.1% of students felt that conducting the classroom discussion is Excellent,23.9% of students felt very good and 37.0% of students felt good,13.0% Of students felt Average.

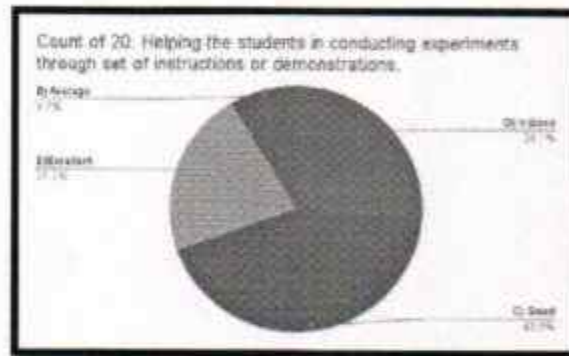

The above Pie Chart showed that 19.6% of students felt that refers to latest development in the field is Excellent,28.3% of students felt very good and47.8% of students felt good,4.3% of students felt average.

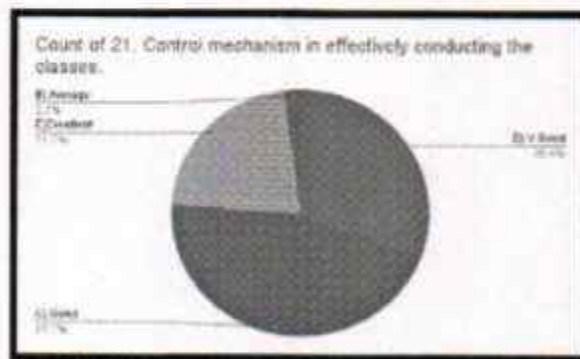

The above Pie Chart showed that 28.3% of students felt that availability of teacher in the laboratory for whole duration of laboratory hours is Excellent, 17.4% of students felt very good, 50.0% of students felt good and 4.3% students felt average.

The above Pie Chart showed that 21.7% of students felt that helping students in conducting experiments through set of instructions or demonstration is Excellent, 26.1% of students felt very good and 43.5% of students felt good, 8.7% of students felt average.

The above Pie Chart showed that 21.7% of students felt that control mechanism in effectively conducting the classes is Excellent, 30.4% of students felt very good and 45.7% of students felt good, 2.2% of students felt average.

**Action taken:**

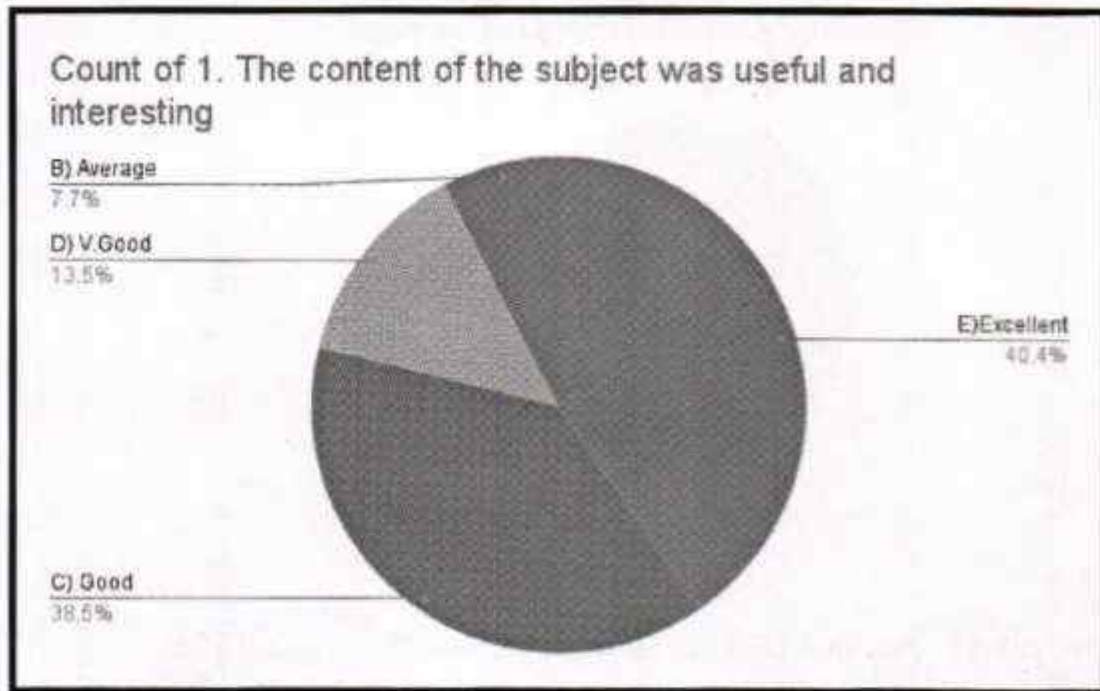

We have received good response in all parameters and we are trying to sustain the same.

11.5%

#### Analysis

The above chart shows that **44.2%** students have given Excellent, **26.9%** students have given Good, **15.4%** students have given Very Good, **11.5%** students have given Average, **1.9%** students have given below Average about class room discussions being conducted by the teachers.

### Count of 15. Refers to latest developments in the field.

B) Average

9.6%

C) Good

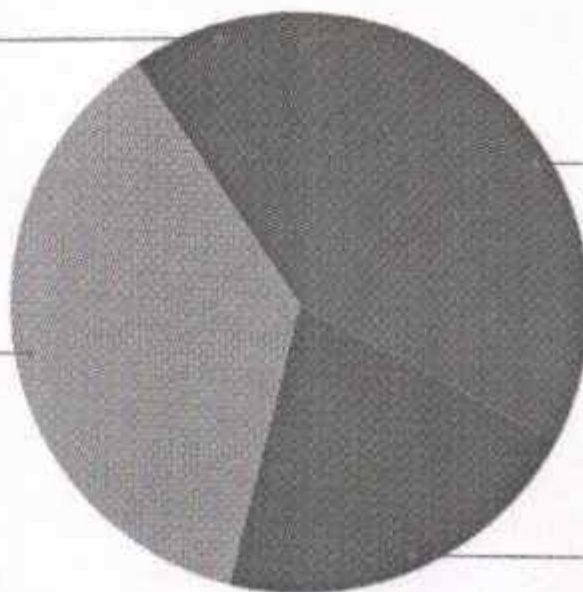

36.5%

E) Excellent

32.7%

D) V. Good

21.2%

#### Analysis

The above chart shows that **32.7%** students have given Excellent, **36.5%** students have given Good, **21.2%** students have given Very Good, **9.6%** students have given Average about the reference given by the teachers regarding the latest developments in the field.

### Count of 16. Uses of innovative teaching methods.

B) Average

9.6%

C) Good

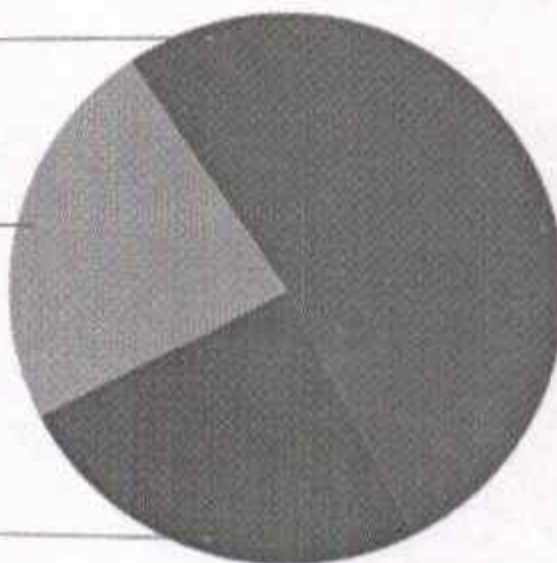

23.1%

D) V. Good

25.0%

E) Excellent

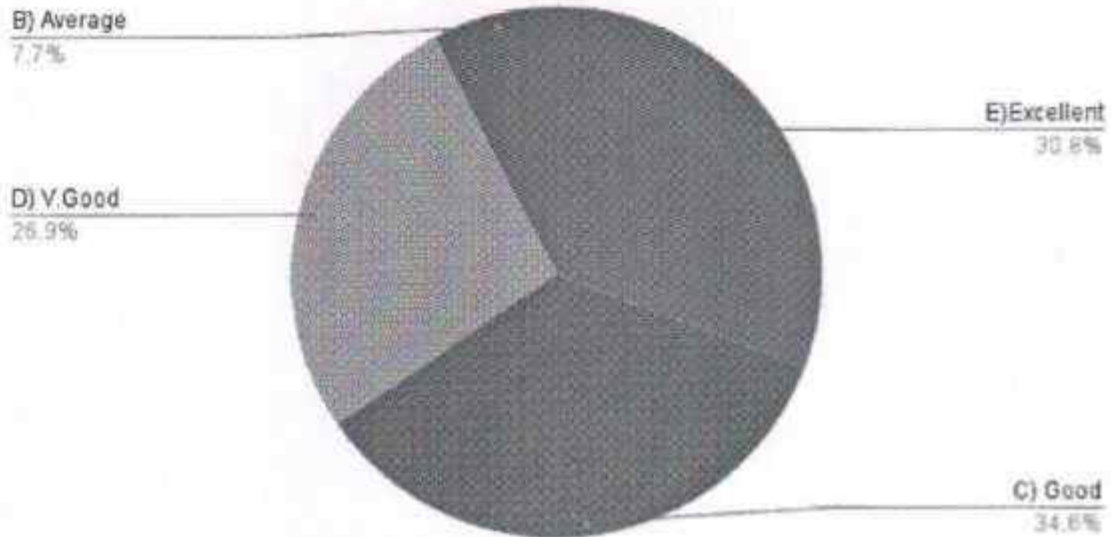

42.3%

#### Analysis

The above chart shows that **42.3%** students have given Excellent, **23.1%** students have given Good, **25.0%** students have given Very Good, **9.6%** students have given Average about the Innovative teaching methods being adopted by the teachers.

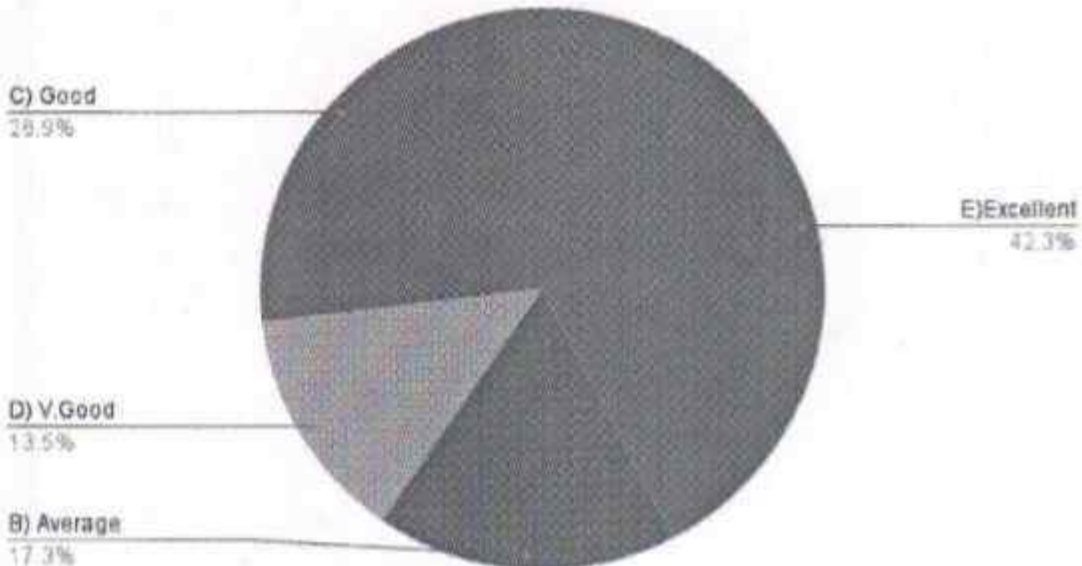

Count of 17. Helping approach towards various academic interests of students.

**Analysis**

The above chart shows that **30.8%** students have given Excellent, **34.6%** students have given Good, **26.9%** students have given Very Good, **7.7%** students have given Average about the helping approach shown by the teachers towards academic interests of the students .

Count of 18. Helping students in realizing career goals.

**Analysis**

The above chart shows that **42.3%** students have given Excellent, **26.9%** students have given Good, **13.5%** students have given Very Good, **17.3%** students have given Average about the teachers who help the students in realizing their career goals.

Count of 19. Availability of teacher in the laboratory for whole duration of laboratory hours.

B) Average

9.6%

C) Good

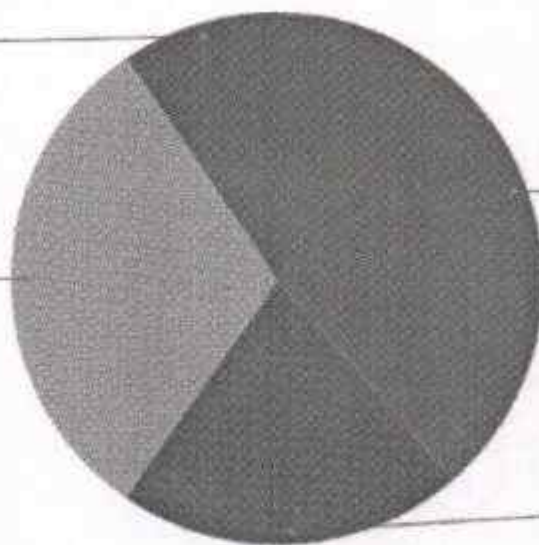

30.9%

E) Excellent

38.5%

D) V. Good

21.2%

#### Analysis

The above chart shows that **38.5%** students have given Excellent, **30.8%** students have given Good, **21.2%** students have given Very Good, **9.6%** students have given Average for the teacher's availability in the laboratory for the whole duration of laboratory hours.

Count of 20. Helping the students in conducting experiments through set of instructions or demonstrations.

C) Good

25.0%

D) V. Good

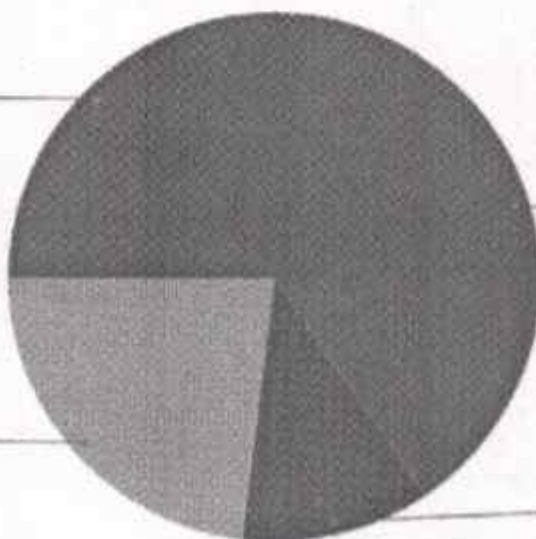

23.1%

E) Excellent

40.4%

B) Average

11.5%

#### Analysis

The above chart shows that **40.4%** students have given Excellent, **25%** students have given Good, **23.1%** students have given Very Good, **11.5%** students have given Average about the teachers' helping approach in conducting experiments through set of instructions or demonstrators.

Count of 21. Control mechanism in effectively conducting the classes.

B) Average

5.8%

D) V.Good

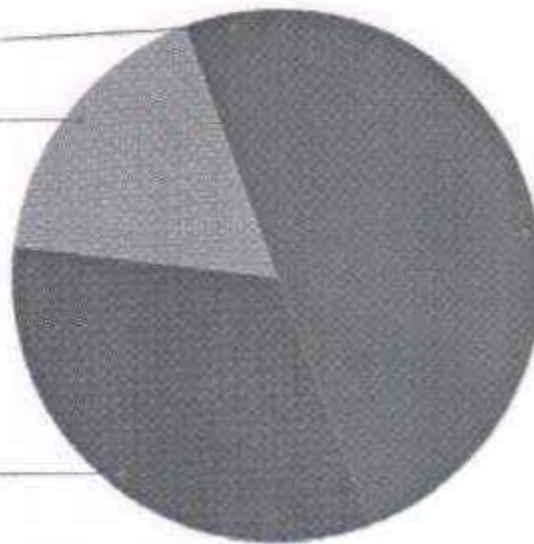

17.3%

C) Good

32.7%

E) Excellent

44.2%

**Analysis**

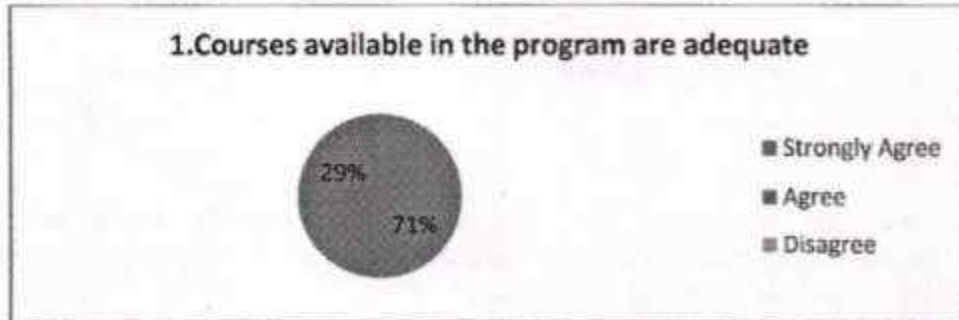

The above chart shows that **44.2%** students have given Excellent, **32.7%** students have given Good, **17.3%** students have given Very Good, **5.8%** students have given Average for the control mechanism being effectively used by the teachers in the classes.

**PG & RESEARCH DEPARTMENT OF COMMERCE**  
**(2020-2021) TEACHERS FEEDBACK ANALYSIS**

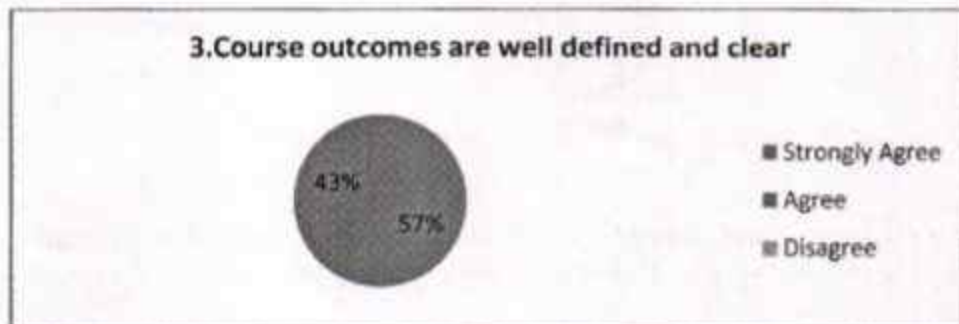

**Inference:**

The above pie chart showed that 29 % of the teachers were strongly agreed that courses available in the program are adequate and 71 % of the teachers were agreed that courses available in the program are adequate.

**Inference:**

The above pie chart showed that 14% of the teachers were strongly agreed and 86 % of the teachers were agreed that courses content is relevant

**Inference:**

The above pie chart showed that 43% of the teachers were strongly agreed, and 57% of the teacher were agreed that courses outcomes are well defined and clear.

**4. Course contents have enough scope for development of analytical, logical, technical and creative skills to the students**

**Inference:**

The pie chart showed that 86% of the teachers were strongly agreed, and 14% of the teacher were disagreed that courses content have enough scope for development of analytical, logical, technical and creative skills to the students.

**5. Course activities (Internships / Field visit / Guest Lecturers / Assignments / Seminars / others) are relevant for development of various skills for employment and self – employment**

**Inference:**

The above pie chart showed that 57% of the teachers were strongly agreed, and 43% of the teacher disagreed that courses activities are relevant for development of various skills for employment and self-employment.

**6. The syllabus has good balance between theory and application**

**Inference:**

The above pie chart showed that 57% of the teachers were strongly agreed, and 43% of the teacher were disagreed that the syllabus has good balance between theory and application.

**7. Courses motivate students to use various resources that are available in the college and outside for their effective learning**

**Inference:**

The above pie chart showed that 57% of the teachers were strongly agreed, and 43% of the teachers were agreed that courses motivate students to use various resources that are available in the college and outside for their effective learning.

**8. The college has good ambience for effective delivery of the academic process**

**Inference:**

The above pie chart showed that 100% of the teachers were strongly agreed that the college has good ambience for effective delivery of the academic process.

**9. The college has enough relevant resources which are updated regularly for teaching learning purposes**

**Inference:**

The above pie chart showed that 75% of the teachers were strongly agreed, and 25% of the teachers were agreed that the college has enough relevant resources which are updated regularly for teaching learning purposes.

### 10. Enough opportunities are given for self-development

- Strongly Agree
- Agree
- Disagree

#### Inference:

The above pie chart showed that 50 % of the teachers strongly agreed and 50% of the teacher agreed that enough opportunities are given for self-development.

#### Action Taken:

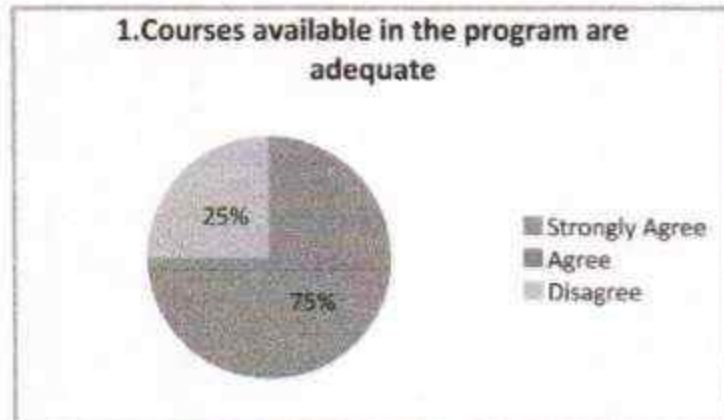

Based on the above analysis it is concluded that the teacher's feedback were strongly agreed in the majority of the questions. So we try to sustain the same and improve on the need base.

TEACHERS' FEEDBACK  
2020-2021**

We received 71% agree, 27% strongly agree feedback for courses available in the program are adequate in our department

We received 86% agree, 14% strongly agree feedback for course content is relevant and need based in our department

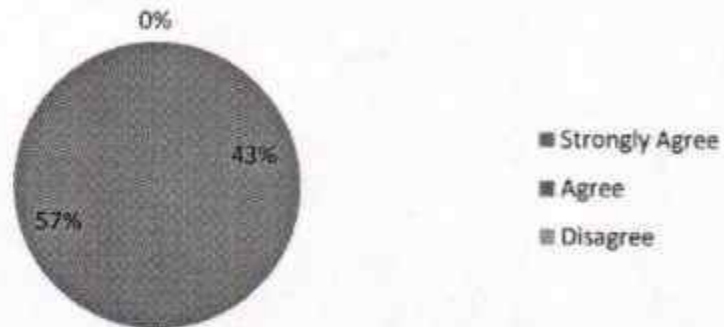

We received 71% agree, 29% strongly agree feedback for course outcomes are well defined and clear in our department

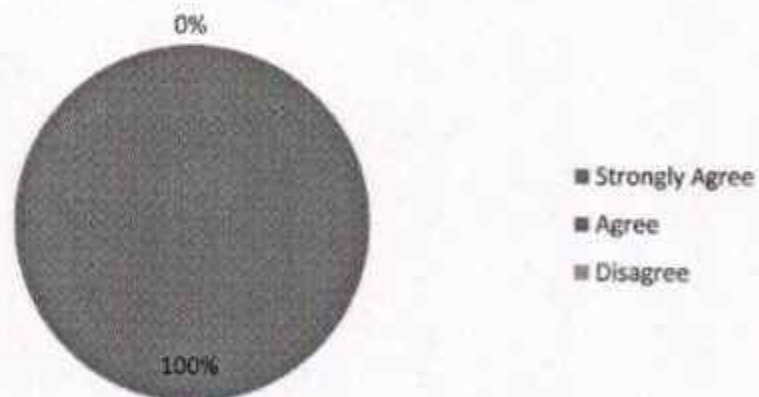

We received 100 strongly agree feedback for course contents have enough scope for development of analytical, logical, technical and creative skills to the students in our department

**5. Course activities (Internships / Field visit / Guest Lecturers / Assignments / Seminars / others) are relevant for development of various skills for employment and self – employment**

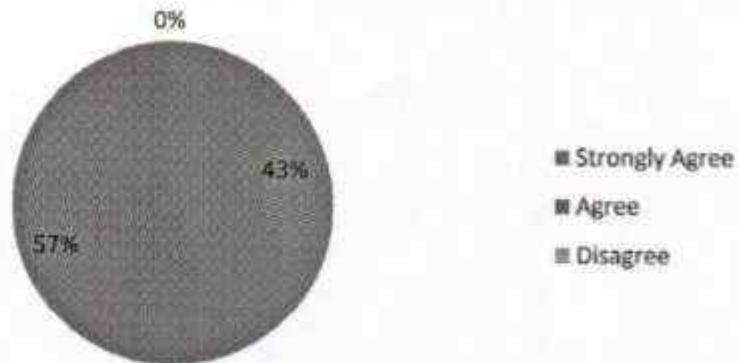

We received 53% agree, 47% strongly agree feedback for course activities are relevant for development of various skills for employment and self-employment in our department

**6. The syllabus has good balance between theory and application**

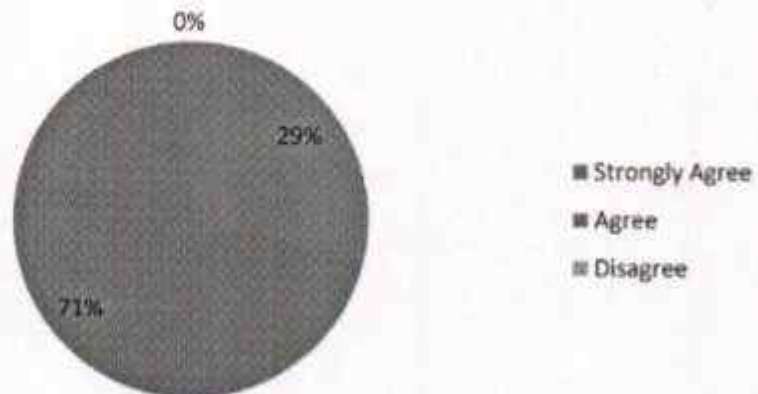

We received 80% agree, 20% strongly agree feedback for the syllabus has good balance between theory and application in our department

**7. Courses motivate students to use various resources that are available in the college and outside for their effective learning**

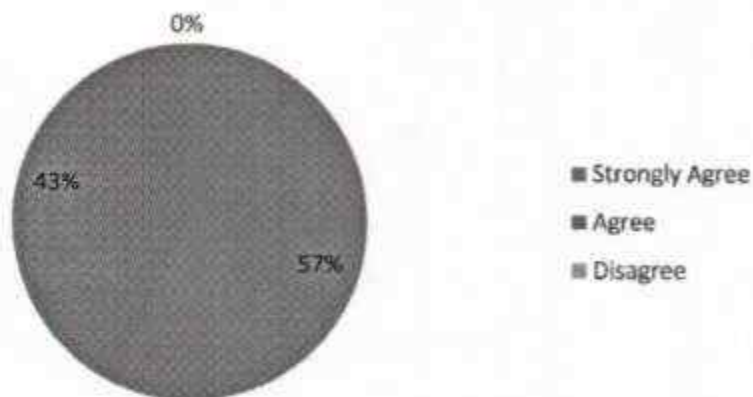

We received 43% agree, 57% strongly agree feedback for courses motivate students to use various resources that are available in the college and outside for their effective learning in our department

**8. The college has good ambience for effective delivery of the academic process**

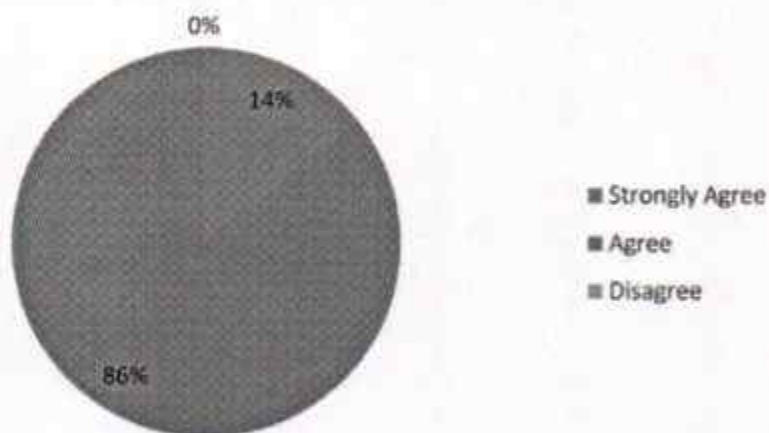

We received 71% agree, 29% strongly agree feedback for the college has good ambience for effective delivery of the academic process in our department

**9. The college has enough relevant resources which are updated regularly for teaching learning purposes**

We received 43% agree, 57% strongly agree feedback for the college has enough relevant resources which are updated regularly for teaching learning purposes

**10. Enough opportunities are given for self-development**

We received 86% agree, 14% strongly agree feedback for enough opportunities are given for self-development in our college

TEACHERS' FEEDBACK  
2020-2021**

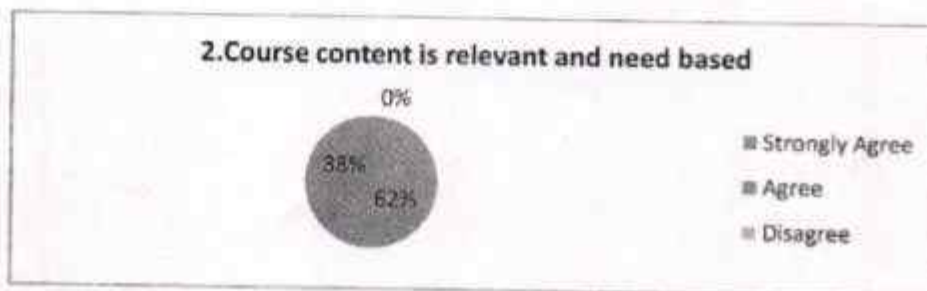

**Inference:**

The above table showed that 67 % of the teachers were strongly agreed that courses available in the program are adequate and 33 % of the teachers were agreed that courses available in the program are adequate.

**Inference:**

The above table showed that 33 % of the teachers were strongly agreed and 67 % of the teachers were agreed that courses content is relevant.

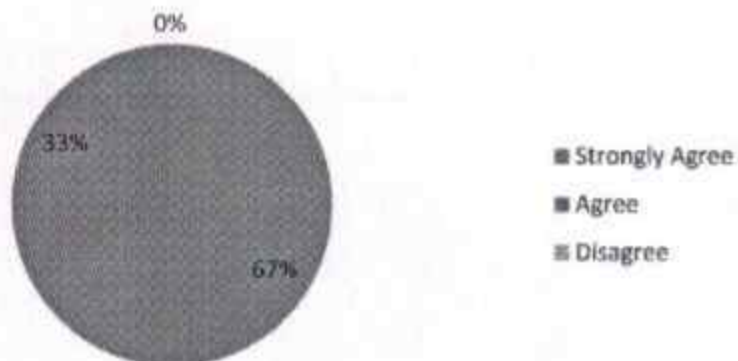

### 3. Course outcomes are well defined and clear

**Inference:**

The above table showed that 33 % of the teachers were strongly agreed and 67 % of the teachers were agreed that courses outcomes are well defined and clear.

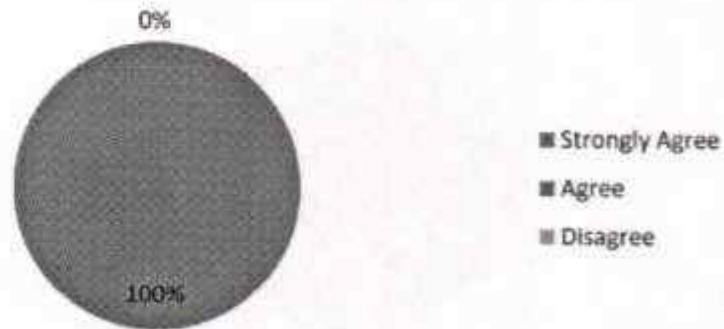

### 4. Course contents have enough scope for development of analytical, logical, technical and creative skills to the students

**Inference:**

The above table showed that 67 % of the teachers were strongly agreed and 33 % of the teachers were agreed that courses content have enough scope for development of analytical, logical, technical and creative skills to the students.

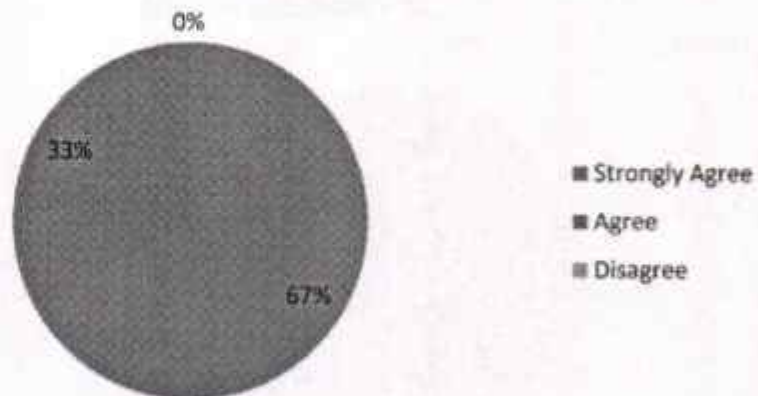

**5. Course activities (Internships / Field visit / Guest Lecturers / Assignments / Seminars / others) are relevant for development of various skills for employment and self – employment**

**Inference:**

The above table showed that 100 % of the teachers were agreed that courses activities are relevant for development of various skills for employment and self-employment.

**6. The syllabus has good balance between theory and application**

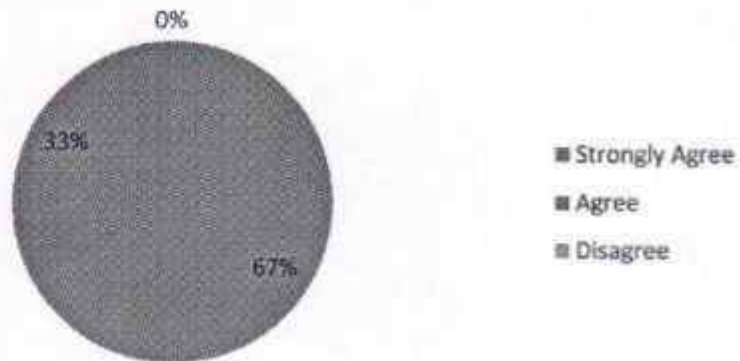

**Inference:**

The above table showed that 67 % of the teachers were strongly agreed and 33 % of the teachers were agreed that the syllabus has good balance between theory and application.

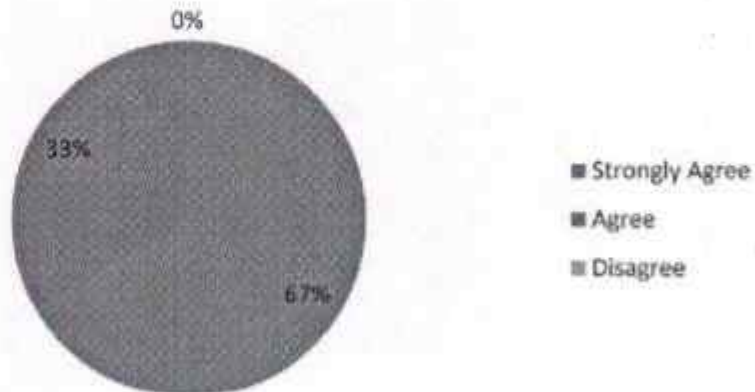

**7. Courses motivate students to use various resources that are available in the college and outside for their effective learning**

**Inference:**

The above table showed that 67 % of the teachers were strongly agreed and 33 % of the teachers were agreed that courses motivate students to use various resources that are available in the college and outside for their effective learning.

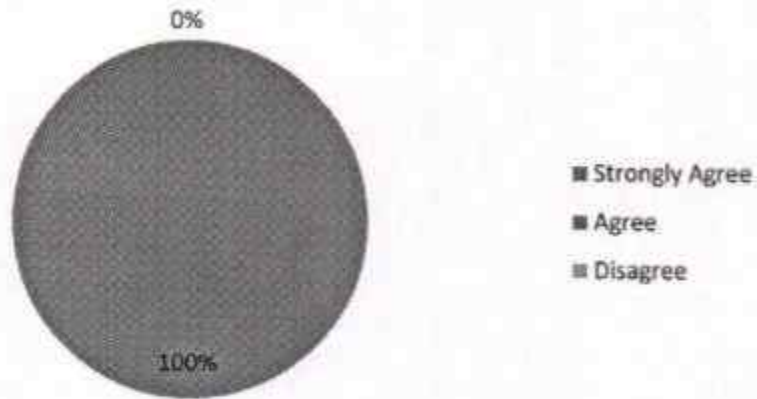

**8.The college has good ambience for effective delivery of the academic process**

**Inference:**

The above table showed that 67 % of the teachers were strongly agreed and 33 % of the teachers were agreed that the college has good ambience for effective delivery of the academic process.

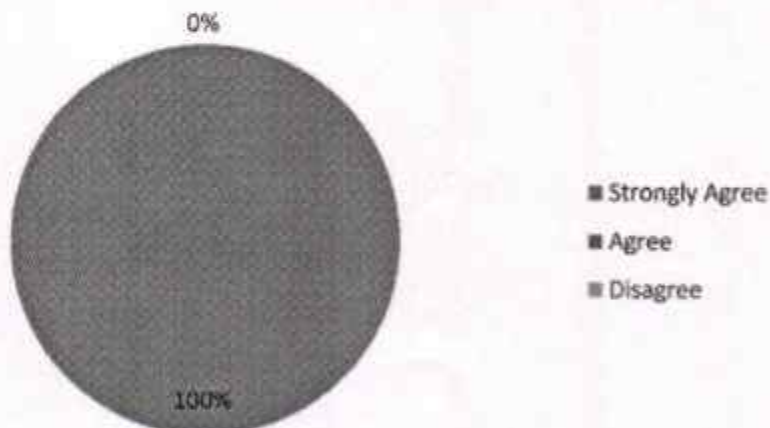

**9. The college has enough relevant resources which are updated regularly for teaching learning purposes**

**Inference:**

The above table showed that 100% of the teachers were strongly agreed that the college has enough relevant resources which are updated regularly for teaching learning purposes.

**10. Enough opportunities are given for self-development**

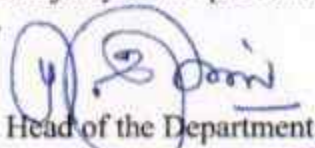

**Inference:**

The above table showed that 100 % of the teachers strongly agreed that enough opportunities are given for self-development.

**Action Taken:**

Based on the above analysis it is concluded that the teacher's feedback were strongly agreed in the majority of the questions. So we follow the same and try to development the same on the need base.

## Action Taken Report on Feedback 2020-2021

### Students Feedback

SNO	AREAS NEEDS IMPROVEMENTS/SUGGESTIONS	ACTION TAKEN
1.	Conducting the class room discussions	Steps have been taken to improve class room discussions through online mode. Microsoft-Teams software has been procured by the college to teach the students in online mode at the time of pandemic period.
2.	Focus on Syllabus	Steps have been taken to focus on syllabi through online mode.

### Parents Feedback

SNO	AREAS NEEDS IMPROVEMENTS/SUGGESTIONS	ACTION TAKEN
1.	Library Facility	Every year the college library updates the book stock by procuring new books according to the need of every department.

### Teachers Feedback

SNO	AREAS NEEDS IMPROVEMENTS/SUGGESTIONS	ACTION TAKEN
1.	Course activities (Internships / Field visit / Guest Lectures / Assignments / Seminars / others) are relevant for development of various skills for employment and self-employment.	Guest Lectures, Seminars and field visits have been organized by the department. Assignment works are also given to the students for self-study and improvements. Actions have been taken to provide for internship programs and more field visits.

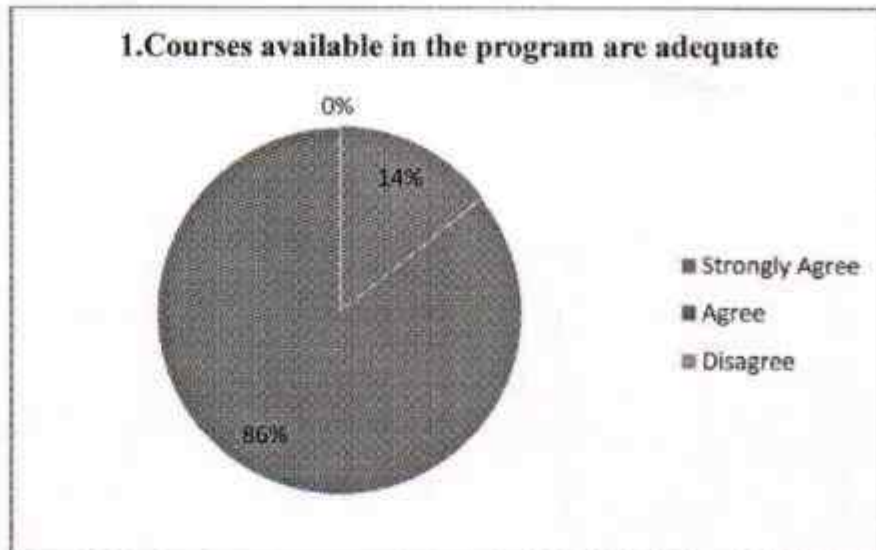

### Alumni Feedback

SNO	AREAS NEEDS IMPROVEMENTS/SUGGESTIONS	ACTION TAKEN
1.	Training and placement	Steps have been taken to organize more training and placement programs in the future for further improvement. Collaboration with other institutes and companies has been made by signing MOU with organizations.

## COMPUTER SCIENCE

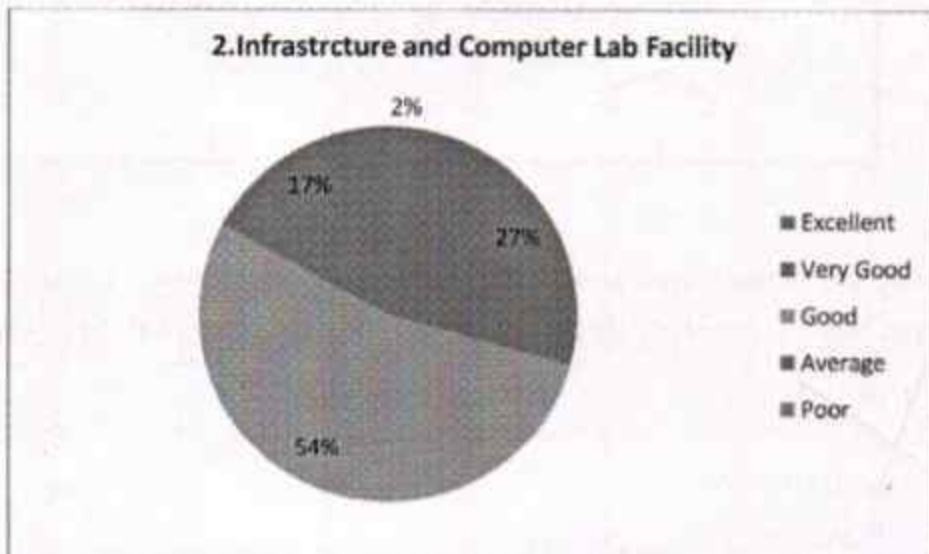

### PARENTS FEED BACK

2020-2021

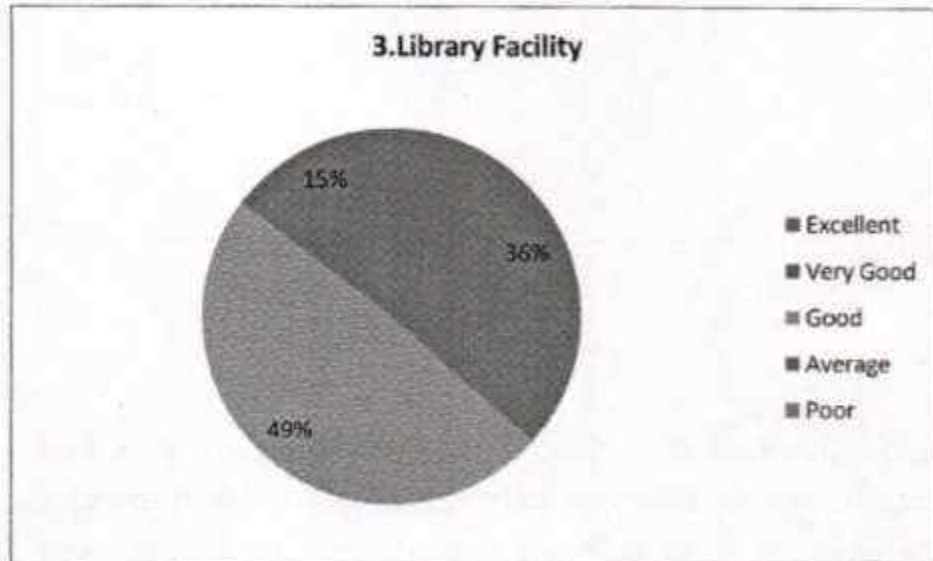

#### Analysis

The above chart shows that **76%** as respondents have given good, **17%** respondents Very Good and **7%** respondents Average for the Admission procedure.

### Analysis

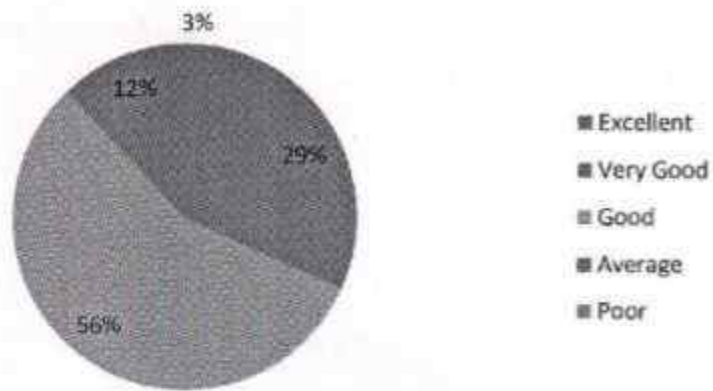

The above chart shows that **54%** as respondents have given good, **27%** respondents Very Good, **17%** respondents Average and **2%** as respondents poor for the Infrastructure and Computer Lab Facility.

### Analysis

The above chart shows that **49%** as respondents have given good, **36%** respondents Very Good and **15%** respondents Average for the Library facility.

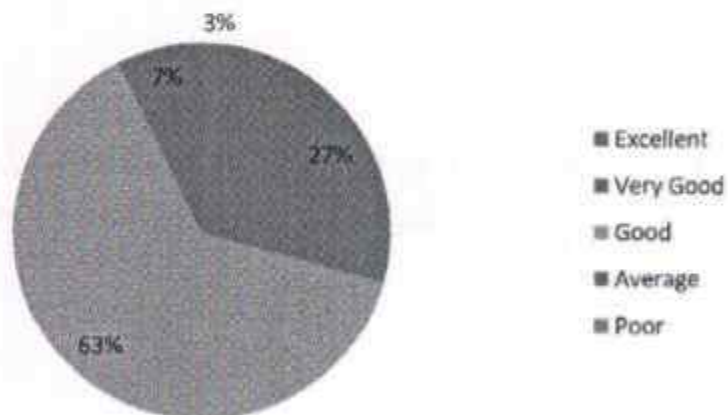

#### 4. Staff Behavior (Teaching/Non-Teaching) is warm and Co-operative

#### Analysis

The above chart shows that 56% as respondents have given good, 29% respondents Very Good, 12% respondents Average and 3% respondents poor for the Staff Behavior (Teaching/Non-Teaching) is warm and co-operative.

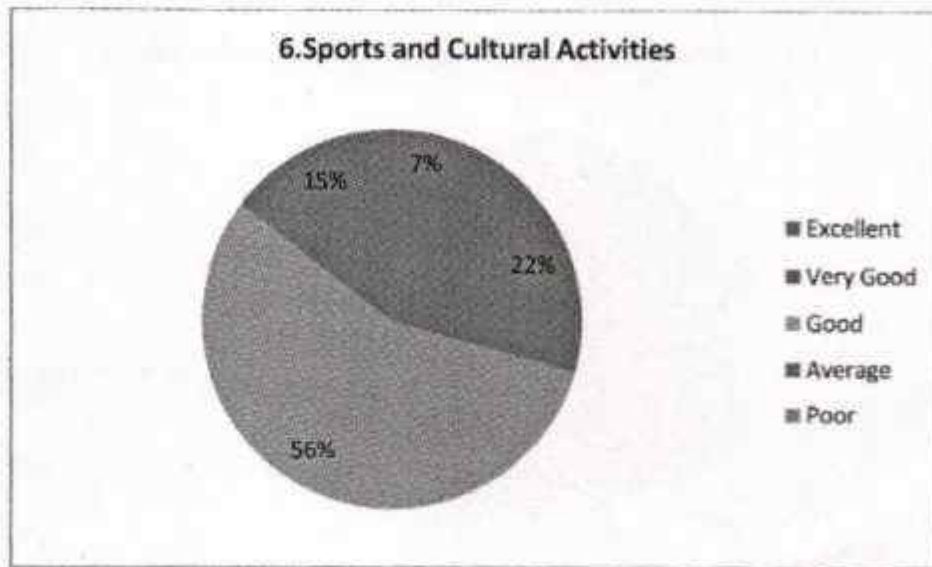

#### 5. The Syllabus is need based

#### Analysis

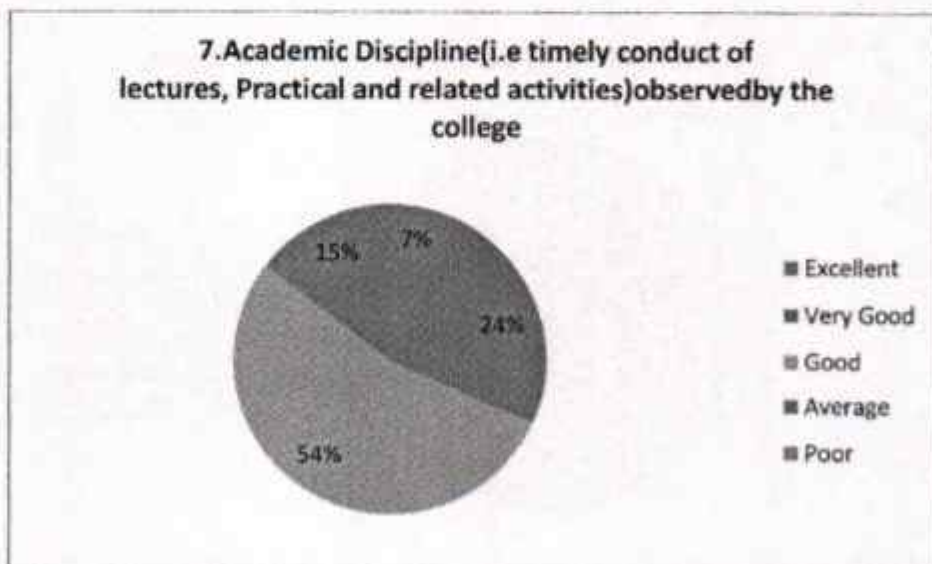

The above chart shows that 63% as respondents have given Good, 27% respondents Very Good, 7% respondents Average and 3% respondents poor for the syllabus is need based.

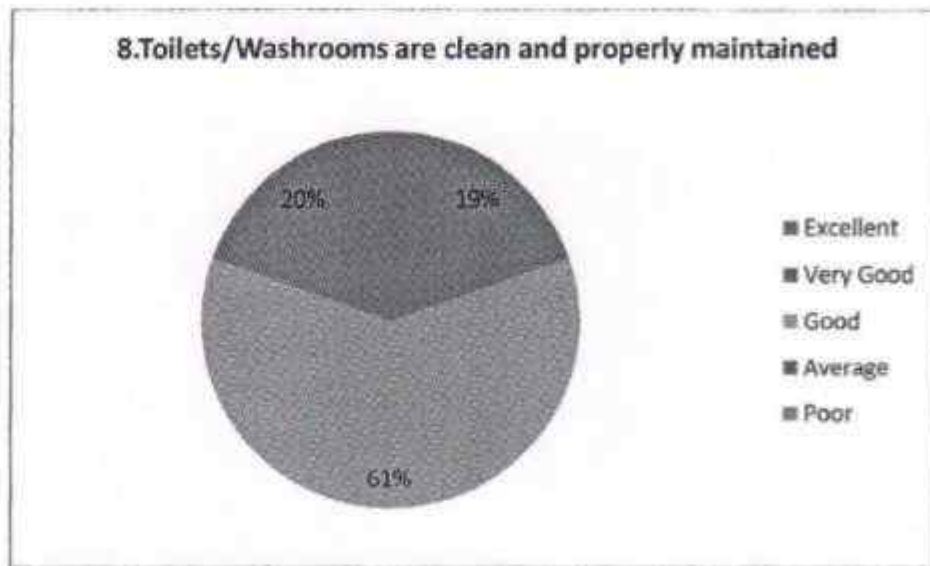

### Analysis

The above chart shows that **56%** as respondents have given Good,**22%** respondents Very Good ,**15%** respondents Average and **7%** respondents poor for the Sports and Cultural activities.

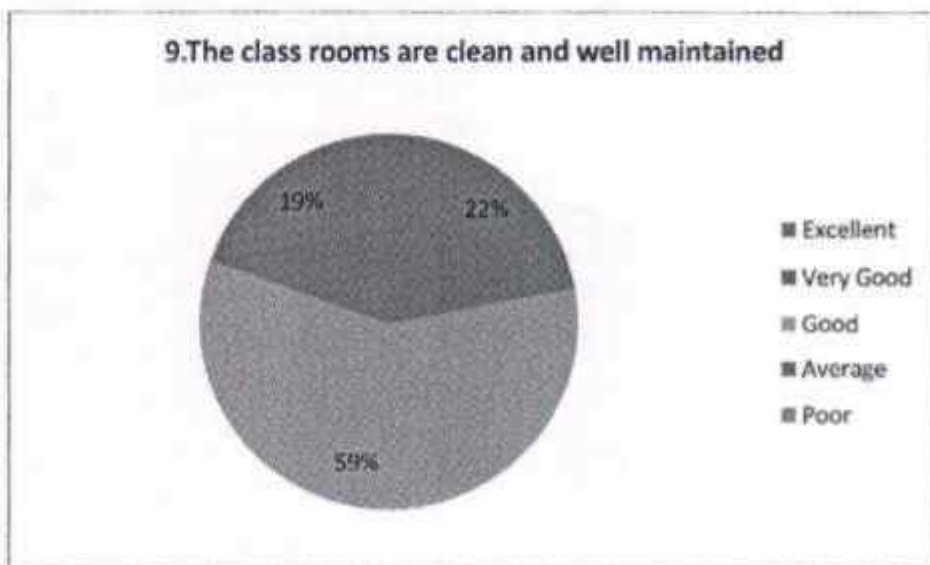

### Analysis

The above chart shows that **54%** as respondents have given Good,**24%** respondents Very Good ,**15%** respondents Average and **7%** respondents poor for the Academic Discipline(i.e timely conduct of lectures, Practical and related activities)observed by the college.

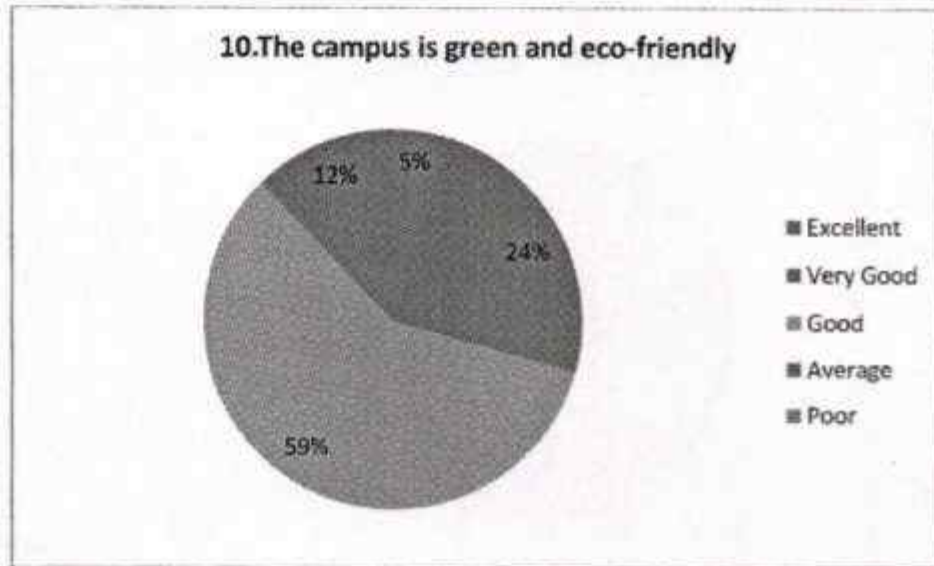

**Analysis**

The above chart shows that **61%** as respondents have given Good, **20%** respondents Average, **19%** respondents Very Good for the Toilets/Washrooms are clean and properly maintained.

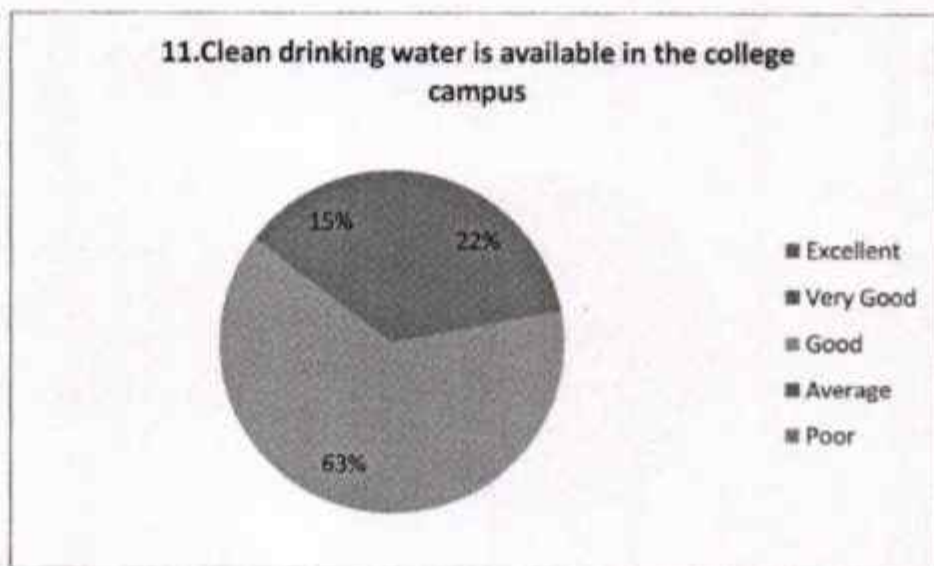

**Analysis**

The above chart shows that **59%** as respondents have given Good, **22%** respondents Very Good, **19%** respondents Average for the class rooms are clean and well maintained.

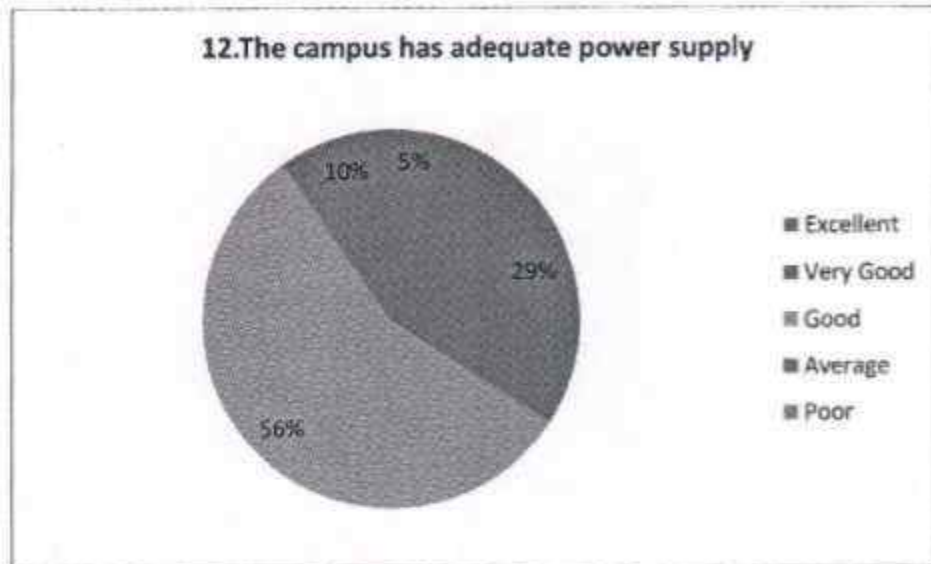

**Analysis**

The above chart shows that **59%** as respondents have given Good,**24%** respondents Very Good ,**12%** respondents Average and **5%** respondents poor for the campus is green and eco-friendly.

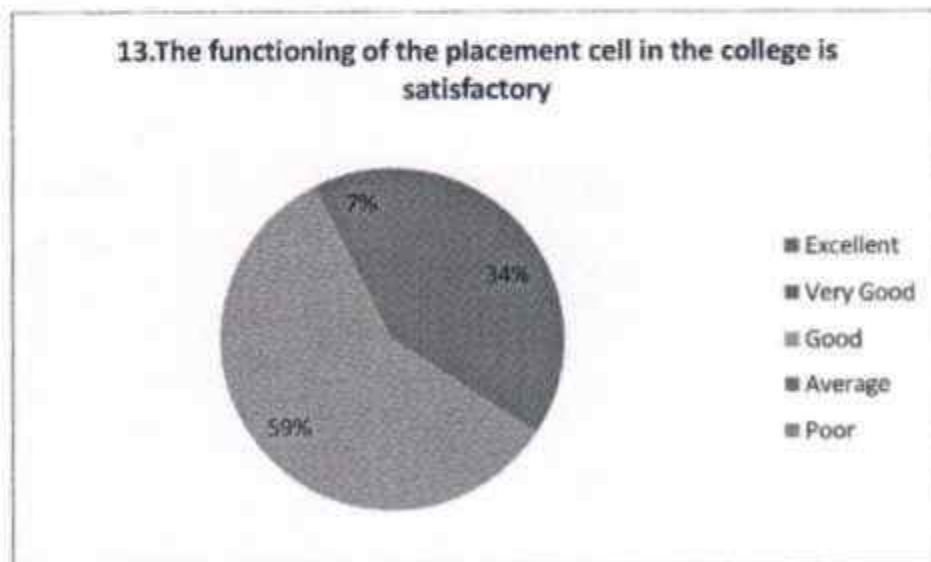

**Analysis**

The above chart shows that **63%** as respondents have given Good,**22%** respondents Very Good ,**15%** respondents Average for the Clean drinking water is available in the college campus.

### Analysis

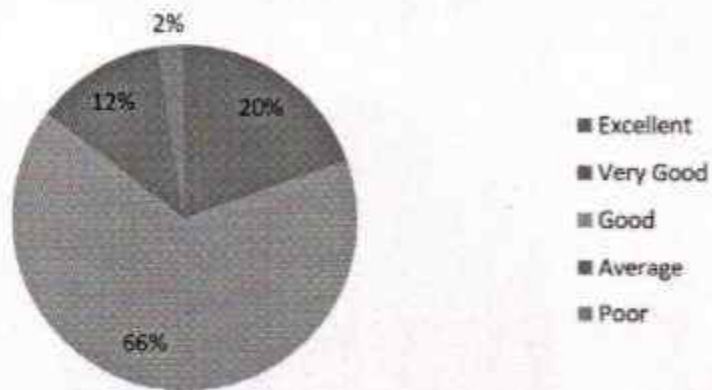

The above chart shows that **56%** as respondents have given Good,**29%** respondents Very Good ,**10%** respondents Average and **5%** respondents poor for the campus had adequate power supply.

### Analysis

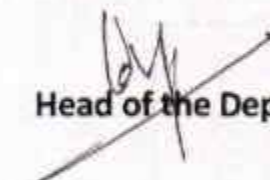

The above chart shows that **59%** as respondents have given Good,**34%** respondents Very Good ,**7%** respondents Average for the functioning of the placement cell in the college is satisfactory.

**14. Continuous effort are taken by the college to improve the quality of teaching and learning.**

**Analysis**

The above chart shows that **66%** as respondents have given Good, **20%** respondents Very Good, **12%** respondents Average and **2%** respondents poor for the Continuous effort are taken by the college to improve the quality of teaching and learning.

2

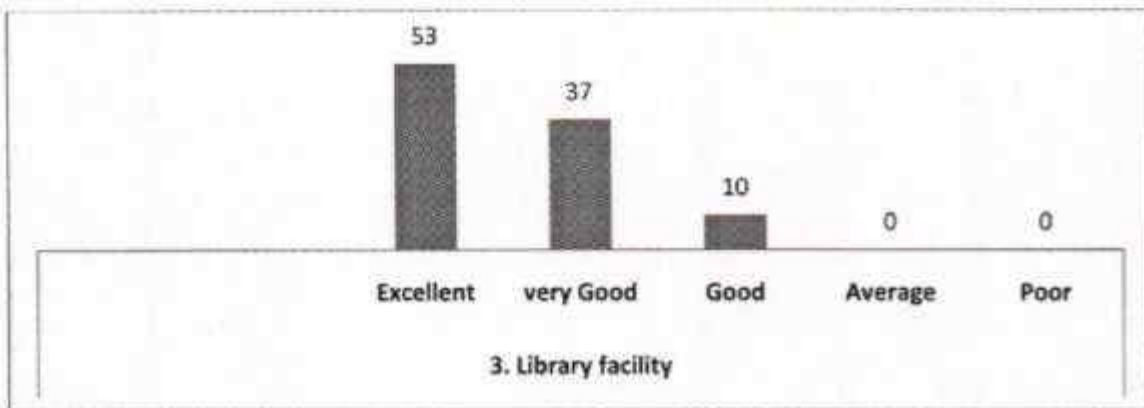

**Inference:**

From the above table it shows that 53% of the parent's opinion that the college follows very good in admission procedure and 47% of the parents express their opinion that excellent in admission procedure.

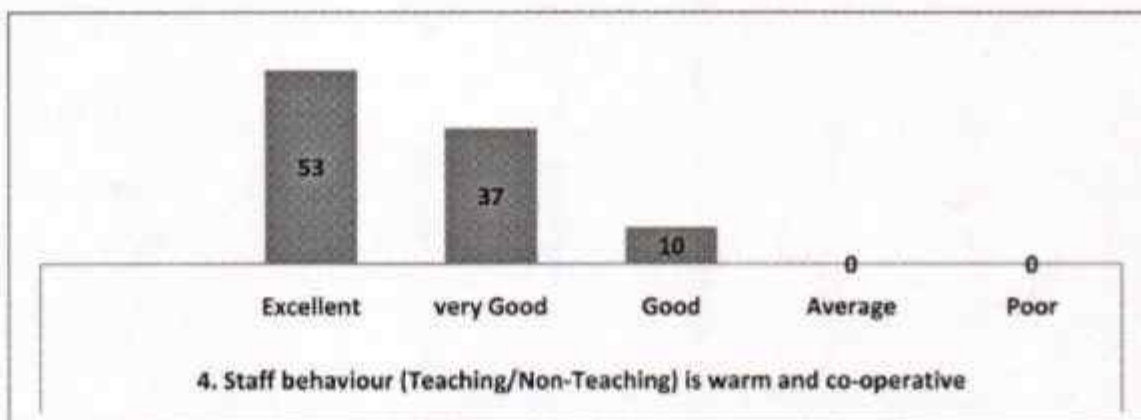

**Inference:**

From the above table it reveals that 42% majority of the parent's opinion that the college follows excellent infrastructure and computer lab facility and 36% of the parents express their opinion that good infrastructure and computer lab facility.

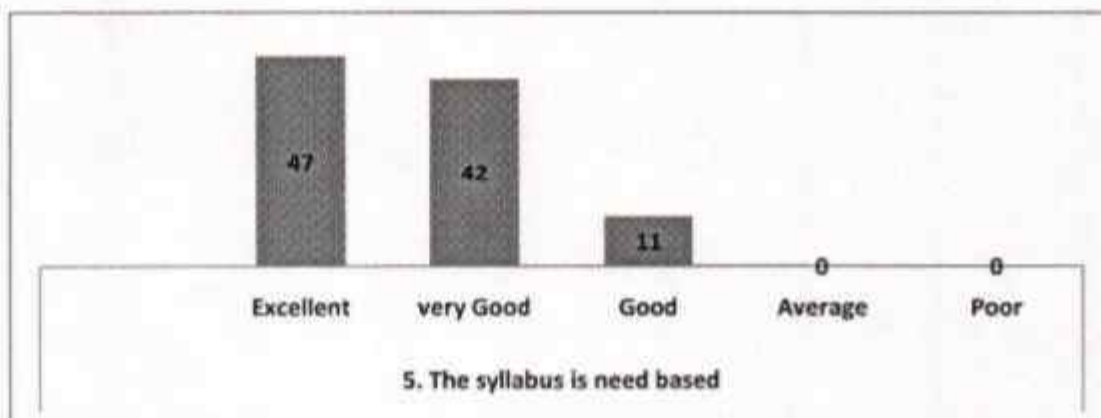

**Inference:**

From the above column chart majority 53% of the parents opinion of the library facility is excellent, 37% opinion of the parents is good and 10% parent's opinion was good.

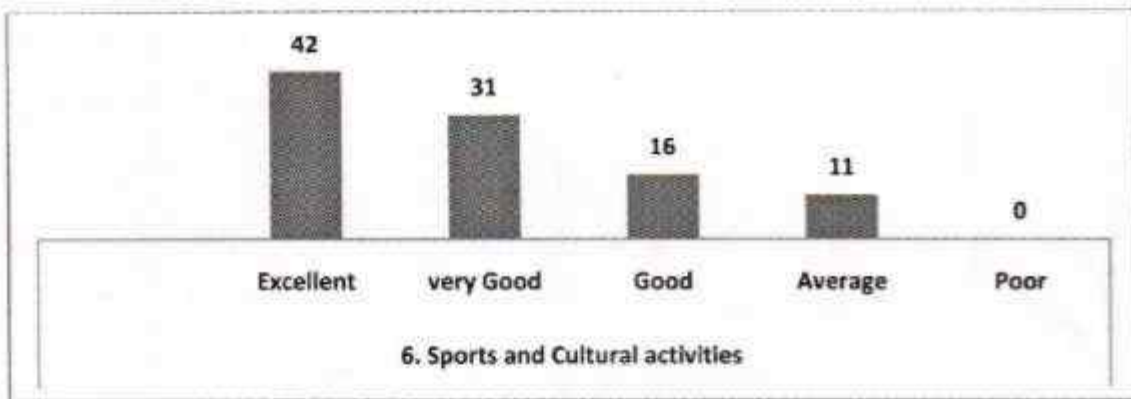

**Inference:**

The above column chart shows that 53% of the parents felt that the staff behaviour of (Teaching and Non-teaching) is warm and co-operative, 43% of the parents very good and 10% of the parents are good.

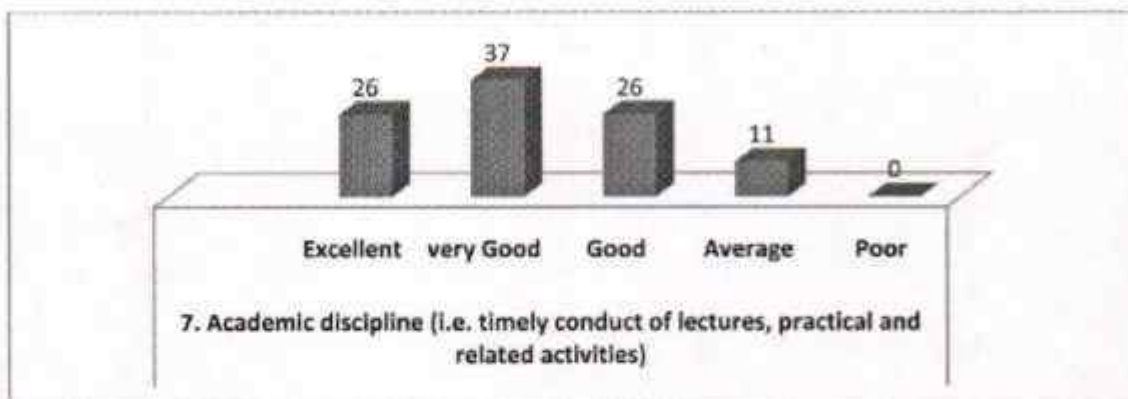

**Inference:**

The above table reveals that the 47% majority of the parent's opinion that the syllabus was framed in a excellent as per the need, 42% of the parent's opinion is very good.

**Inference:**

The above table shows that 42% of the parent's opinion is excellent of the sports and cultural activities of the college, 31% of the parent's opinion is very good, 16% of the parent's opinion is good and 11% of the parent's opinion is average.

**Inference:**

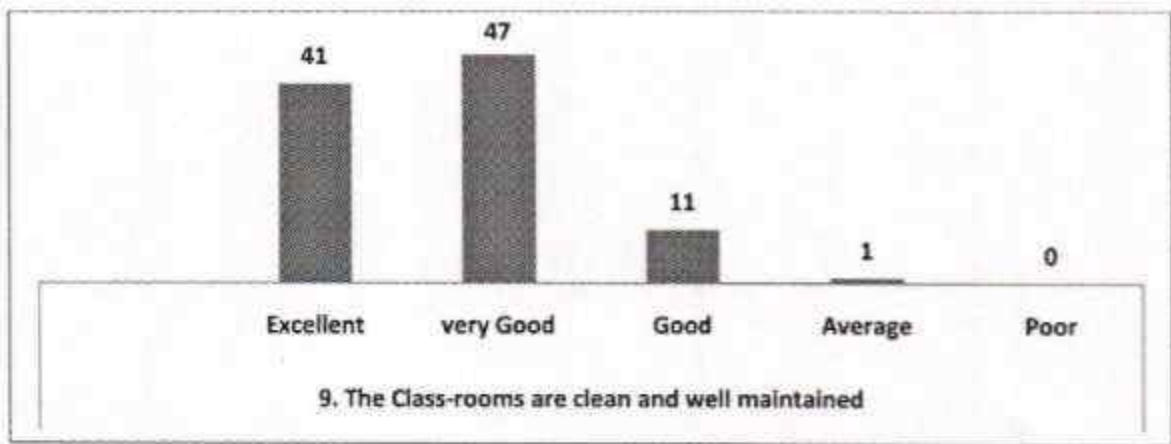

The above table reveals that the majority 37% of the parent's opinion is very good of academic discipline (i.e. timely conduct of lectures, practical and related activities), 26% of the parent's opinion is excellent and 26% of the parents is good of the college academic discipline.

**Inference:**

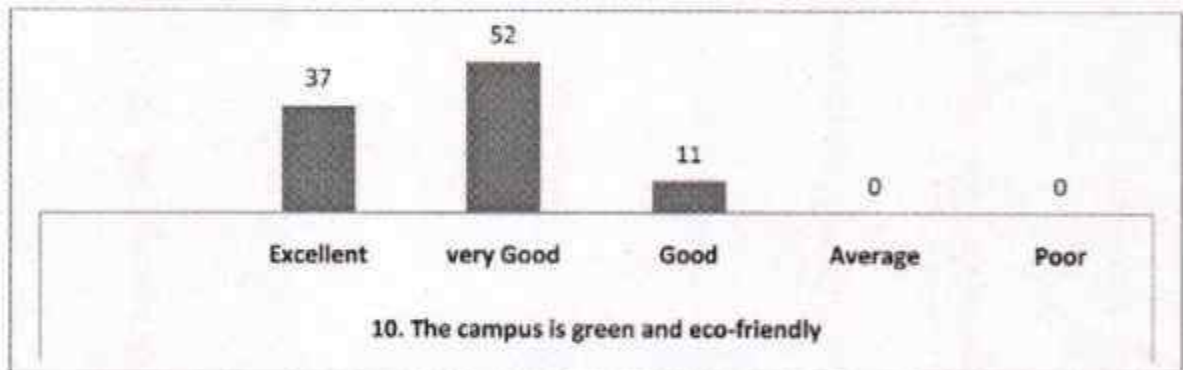

The above table shows that the majority 53% of the parents opinion is very good of their toilets/washrooms are clean and properly maintained in the college, 26% of the parents opinion is excellent and 21% of the parents opinion is good.

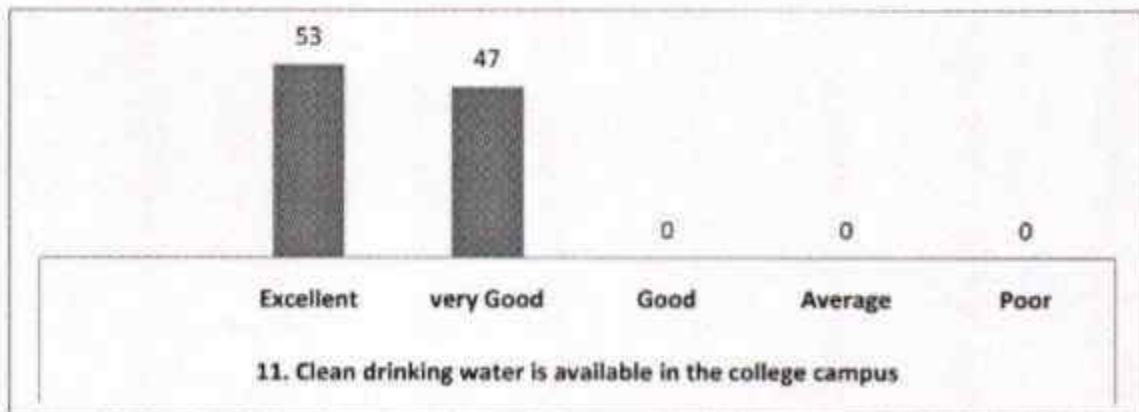

**Inference:**

From above column shows that 47% of the parents felt that very good maintenance of Class rooms. 41% of the parents felt that excellent maintenance of class rooms, 11% of the parents felt that good maintenance of class rooms.

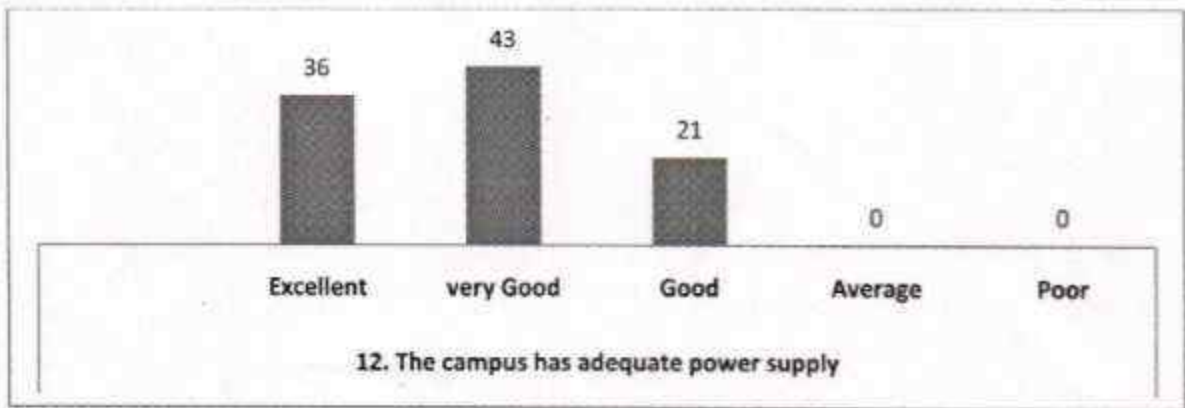

**Inference:**

The above table reveals that the 52% of the parents opinion is very good of the campus is green and eco-friendly of the college, 37% of the parents opinion is excellent and 11% of the parents opinion is good.

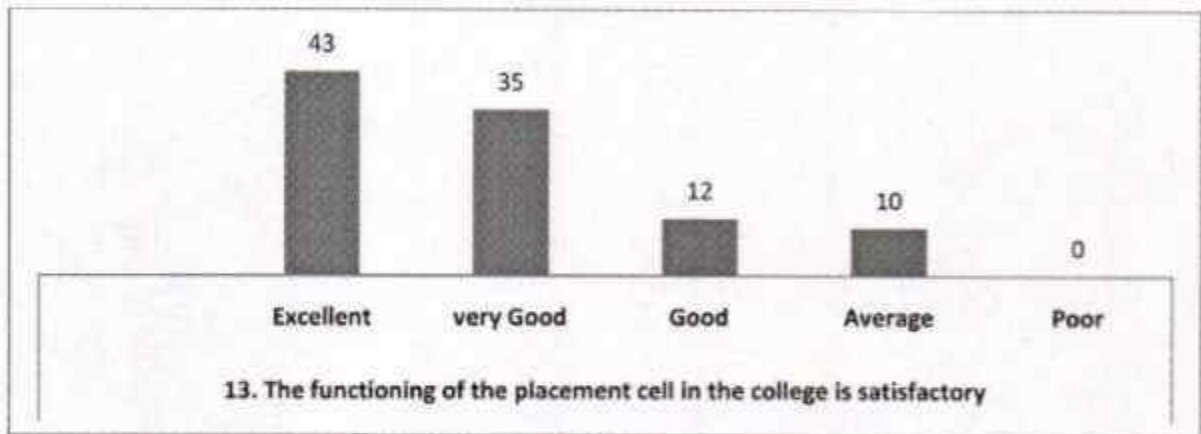

**Inference:**

The above table reveals that the majority 53% of the parents felt that the very good of clean drinking water is available in the college campus was excellent and 47% of the parents felt that very good.

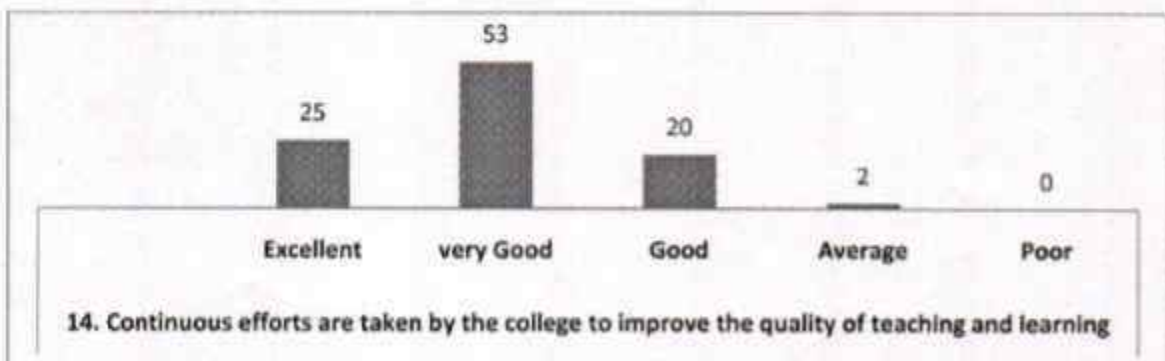

**Inference:**

The above table shows that the majority 43% of the parents opinion is very good of the campus has adequate power supply of the college, 36% of the parents opinion is excellent and 21% of the parents opinion is good.

**Inference:**

Above column chart table showed that 43 % of the parents felt that excellent functioning of placement cell in the college, 35% of the parents felt that very good functioning of placement cell in the college, and 12% of the parents felt that good functioning of placement cell in the college.

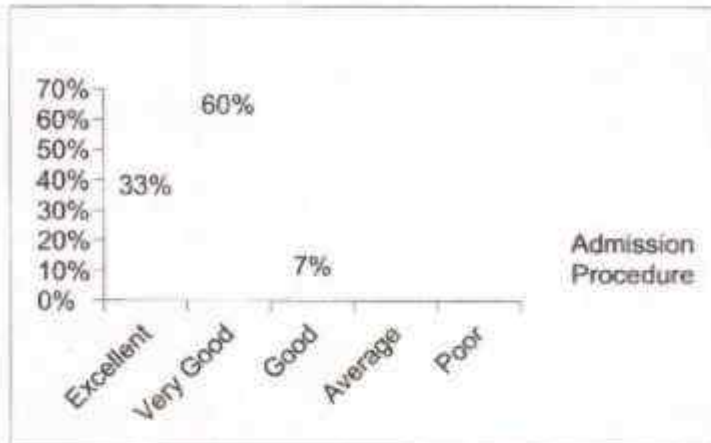

**Inference:**

Above column chart table showed that 26% of the parents felt that excellent improvement in the quality of teaching and learning, 63 % of the parents felt that very good improvement in the quality of teaching and learning, and 11% of the parents felt that good improvement in the quality of teaching and learning.

The above bar graph showed that 3% of the parents felt that the syllabus is need based are excellent, 40% of the parents felt very good and 57% of the parents felt good.

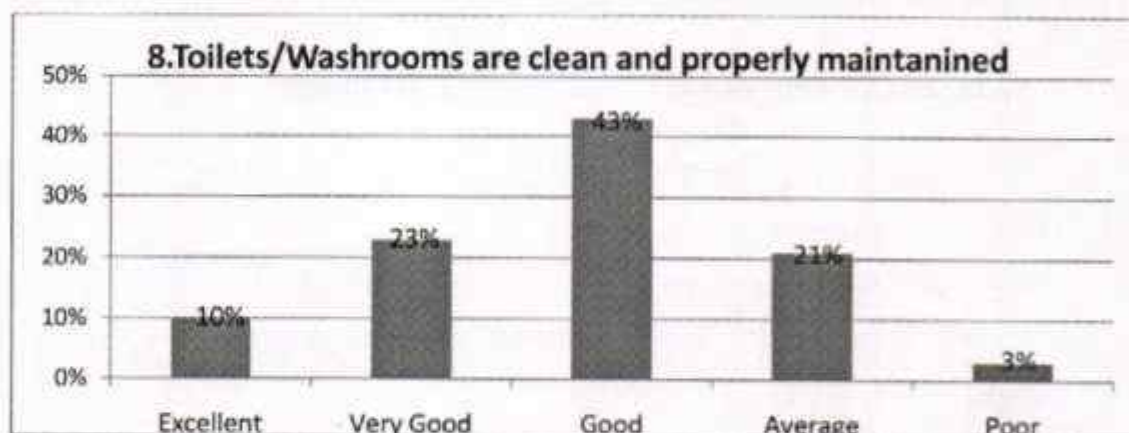

**Analysis:**

The above bar graph showed that 10% of the parents felt that Sports and Cultural activities are excellent, 20% of the parents felt very good, 57% of the parents felt good, 7% of the parents felt average and 6% of the parents felt poor.

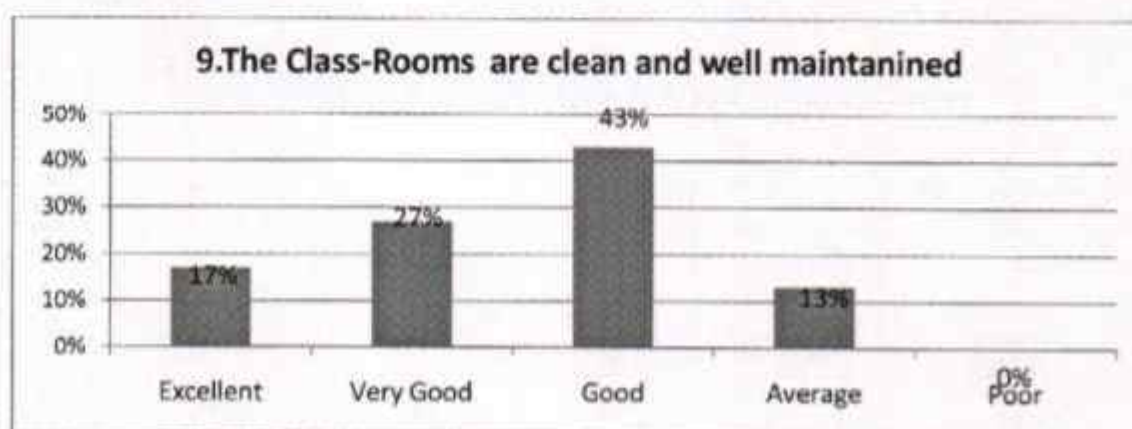

Analysis:

The above bar graph showed that 20% of the parents felt that Academic discipline observed by the college are excellent, 27% of the parents felt very good and 53% of the parents felt good.

Analysis:

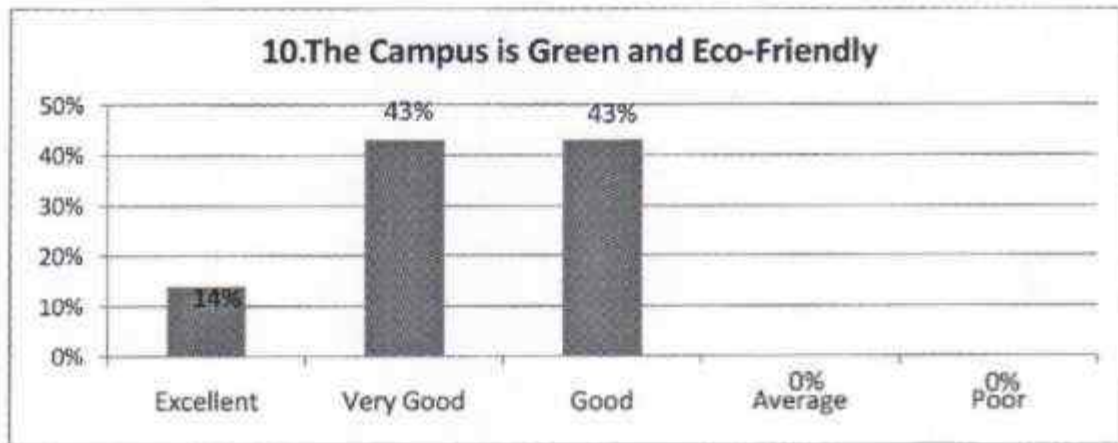

The above bar graph showed that 10% of the parents felt that toilet facilities are excellent, 23% of the parents felt very good, 43% of the parents felt good, 21% of the parents felt average and 3% of the parents felt poor.

Analysis:

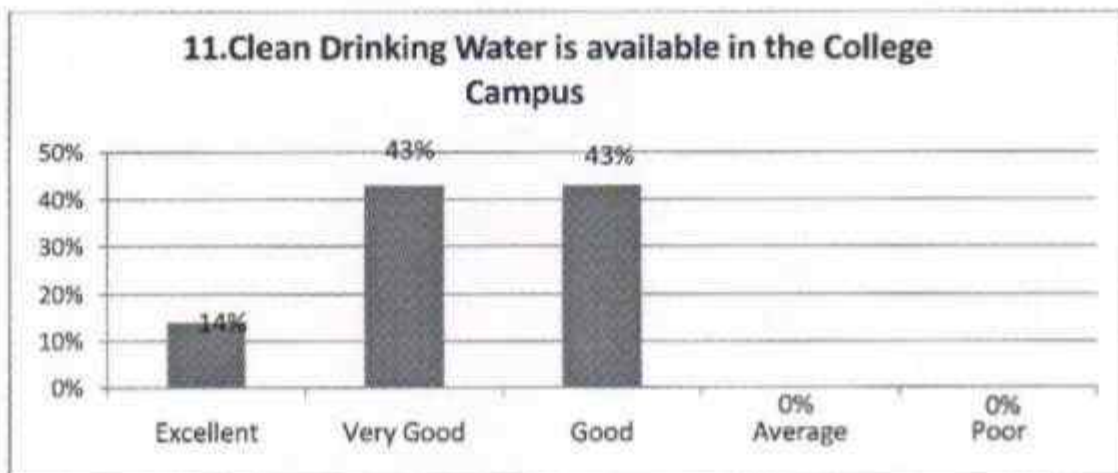

The above bar graph showed that 17% of the parents felt that class rooms facilities are excellent, 27% of the parents felt very good, 43% of the parents felt good and 13% of the parents felt average.

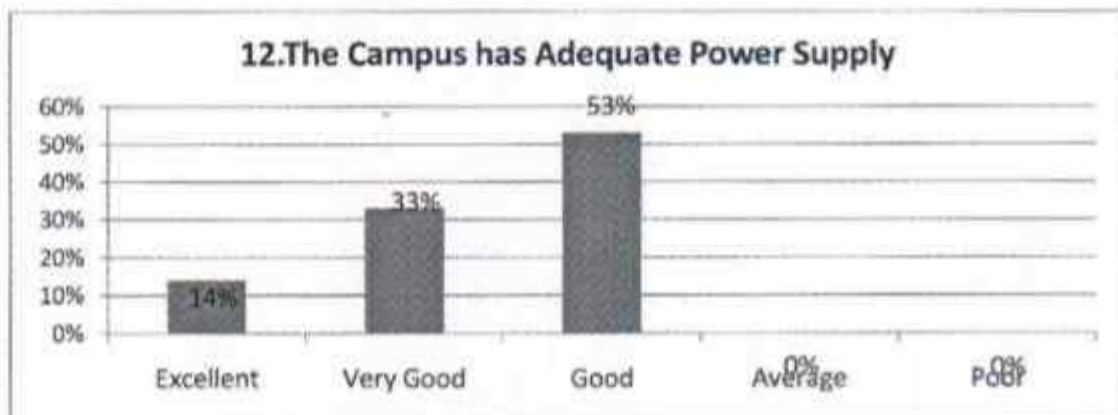

**Analysis:**

The above bar graph showed that 14% of the parents felt that the campus is green and eco-friendly are excellent, 43% of the parents felt very good and 43% of the parents felt good.

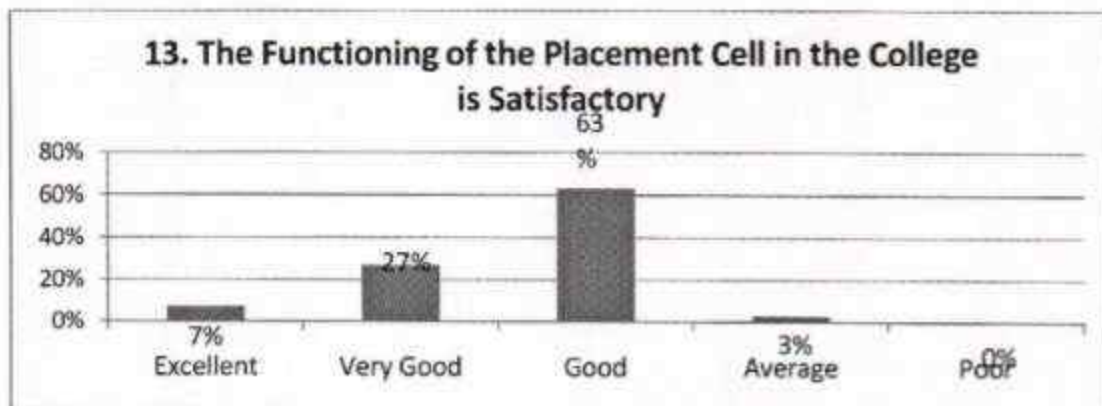

**Analysis:**

The above bar graph showed that 14% of the parents felt that Clean drinking water is available in the college campus are excellent, 43% of the parents felt very good and 43% of the parents felt good.

**Analysis:**

The above bar graph showed that 14% of the parents felt that the campus has adequate power supply is excellent, 33% of the parents felt very good and 53% of the parents felt good.

**Analysis:**

The above bar graph showed that 7% of the parents felt that the placement cell facilities are excellent, 27% of the parents felt very good, 63% of the parents felt good and 3% of the parents felt average.

**Analysis:**

The above bar graph showed that 30% of the parents felt that Continuous efforts are taken by the college to improve the quality of teaching and learning are excellent, 30% of the parents felt very good, 35% of the parents felt good and 5% of the parents felt average.

**ACTION TAKEN:**

Majority of the Parents responses are Favorable and the department should maintain the same for the coming years and also improve some facilities based on the needs of the parents.

PARENTS FEEDBACK ANALYSIS  
DEPARTMENT OF BCA  
2020-2021

### 1. admission procedure

The results show that 40% of respondents felt that "admission procedure" were excellent and 60% very good.

### 2. Infrastructure and computer lab facility

The results show that 20% of respondents felt that "infrastructure and Computer Lab facility" were excellent and 70% very good.

### 3. Library facility

The result shows that 30% of respondents felt that "library facility" was excellent, 40% very good and 30% good.

#### 4. Staff behavior(teaching/non-teaching) is warm and co-operative.

The result shows that 50% of respondents felt that "Staff behavior (Teaching / non-teaching) is warm and co-operative" was excellent, 40% very good and 10% good.

#### 5. The syllabus is need based

The result shows that 40% of respondents felt that "The syllabus is need based" was excellent, 30% very good, and 30% good.

#### 6. Sports and cultural activities

The result shows that 20% of respondents felt that "Sports and Cultural activities" was excellent, 60% very good, and 20% good.

### 7. Academic discipline (i.e. timely conduct of lectures, practical and related activities) observed by the...

The result shows that 30% of respondents felt that "Academic discipline (i.e. timely conduct of lectures, practical and related activities) observed by the college" was excellent, 60% very good and 10% good.

### 8. Toilets/washrooms are clean and properly maintained

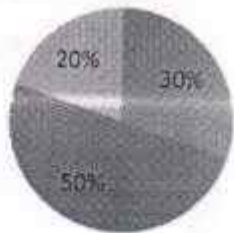

The result shows that 20% of respondents felt that "Toilets/washrooms are clean and properly maintained" was very good, 40% very good and 40% good.

### 9. The class-rooms are clean and well maintained

The result shows that 40% of respondents felt that "The class-rooms are clean and well maintained" was excellent, 40% very good and 20% good.

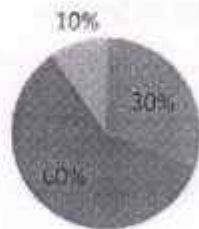

### 10. The campus is green and eco-friendly

- Excellent
- very good
- good
- average
- poor

The result shows that 30% of respondents felt that "The campus is green and eco-friendly" was excellent, 50% very good, and 20% good.

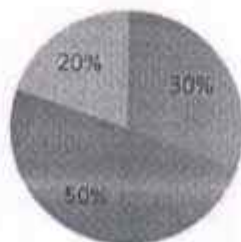

### 11. Clean drinking water is available in the college campus

- Excellent
- very good
- good
- average
- poor

The result shows that 30% of respondents felt that "Clean drinking water is available in the college campus" was excellent, 60% very good and 10% good.

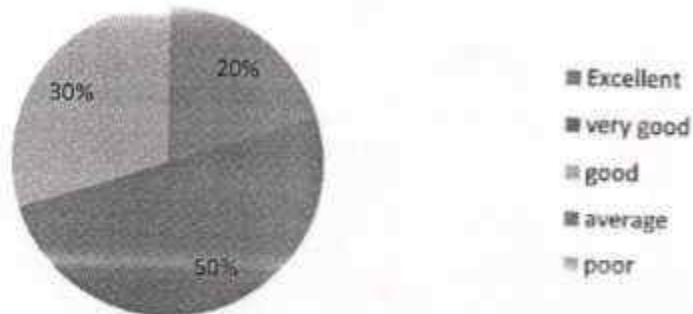

### 12. The campus has adequate power supply

- Excellent
- very good
- good
- average
- poor

The result shows that 30% of respondents felt that "The campus has adequate power supply" was excellent, 50% very good, and 20% good.

### 13. The functioning of the placement cell in the college is satisfactory

The result shows that 20% of respondents felt that "The functioning of the placement cell in the college is satisfactory" was excellent, 50% very good, and 30% good.

### 14. Continuous efforts are taken by the college to improve the quality of teaching and learning

The result shows that 50% of respondents felt that "Continuous efforts are taken by the college to improve the quality of teaching and learning" was excellent, 30% very good and 20% good.

#### Action Taken:

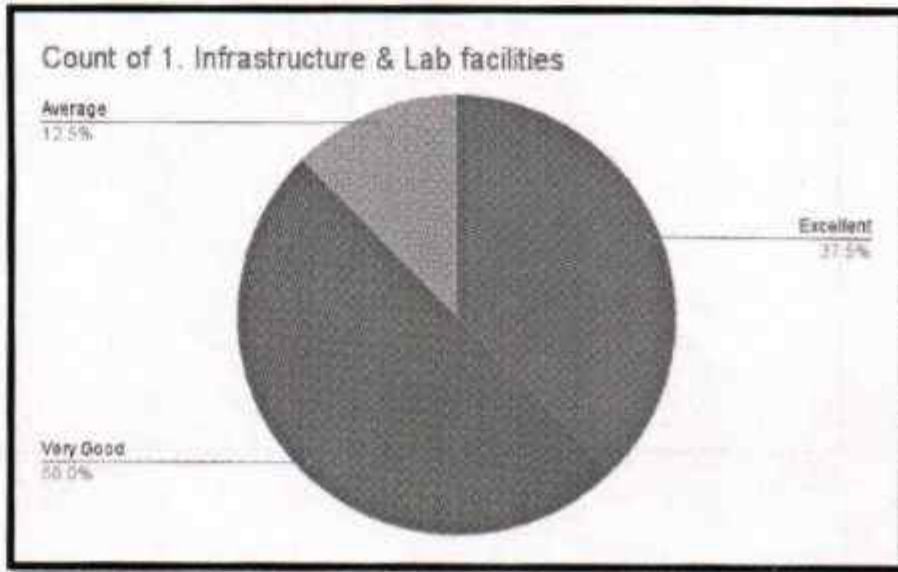

We have received good response in all parameters. We are trying to sustain the same.
