"NATIONAL SCIENCE DAY 2025" DATE: 20.02.2025

A REPORT ON ELOCUTION, POSTER PRESENTATION, QUIZ & WORKING MODEL EXIBITION COMPETITIONS

The National Council for Science and Technology Communication (NCSTC), under The Department of Science and Technology, Government of India, has collaborated with the Tamil Nadu State Council for Science and Technology (TNSCST), The Department of Higher Education, Government of Tamil Nadu, celebrate **National Science Day-2025** on 20th February, 2025.

The NCSTC aims to communicate science and technology to the masses, stimulate scientific and technological temper, and coordinate efforts throughout the country. As part of this celebration, K.M.G.College of Arts and Science (Autonomous), Gudiyattam was given the chance to conduct this program on 19.02.2025 and 20.02.2025.

The National Science Day celebration featured competitions for both College students in various Science courses and School students from 7th to 9th standard, across Vellore, Ranipet, Tirupattur and Tiruvannamalai Districts on19.02.2025 and 20/02/2025. These competitions were conducted to encourage students to explore the importance of science and technology in their daily lives and in the development of the Nation. A total of 350 students enthusiastically Registered in the National Science Day competitions.

Number of Colleges Participated: 15

Number of Students Participated: 100

Number of Schools Participated: 20

Number of Students Participated: 150

Elocution Competitions:

Topic: Role of Science & Technology in the Growth of Tamilnadu

தமிழ்நாட்டின் வளர்ச்சியில் அறிவியல் மற்றும் தொழில்நுட்பத்தின் பங்கு

Mastering public speaking through elocution not only enhances one's communication skills but also builds self-esteem and leadership qualities. In order to develop confidence and clarity among student community, we have organized this event. Totally 15 students have participated in this event from 08 different Colleges.

Poster presentation Competitions:

Topic: Role of Science & Technology in the Growth of Tamilnadu

தமிழ்நாட்டின் வளர்ச்சியில் அறிவியல் மற்றும் தொழில்நுட்பத்தின் பங்கு

Poster making and Drawing is a visual art that enhances observation skills, fosters creativity, and promotes self-expression and easy learning. So, to allow students to uncover their natural talents in Creative thinking and sketching and illustrations this event was planned. Totally 46 students have participated in this event from 15 different Colleges. In order to develop confidence and clarity in Scientific concepts among student community, we have organized this event.

Quiz Competitions:

Topic: Role of Science & Technology in the Growth of Tamilnadu

தமிழ்நாட்டின் வளர்ச்சியில் அறிவியல் மற்றும் தொழில்நுட்பத்தின் பங்கு

Participants are showcasing their knowledge across various science subjects through a competitive format, often aiming to promote learning and critical thinking skill among the school students. Quiz is an important tool for expressing ideas, opinions, and Critical thinking. It is also a great way to demonstrate our knowledge and understanding of a given Science topics. In order to promote short thinking among school students we motivated to participate in this event. Totally 24 students have participated in this event from 12 different schools.

Working model Competitions:

Topic: Role of Science & Technology in the Growth of Tamilnadu

தமிழ்நாட்டின் வளர்ச்சியில் அறிவியல் மற்றும் தொழில்நுட்பத்தின் பங்கு

Working model making and Exhibition are a visual art that enhances observation skills, fosters creativity, and promotes self-expression and easy learning. So, to allow students to uncover their natural talents in Creative thinking and sketching and illustrations this event was planned. Totally 52 students have participated in this event from 20 different Schools. In order to develop confidence and clarity in scientific concepts among student community, we have organized this event.

K.M.G. COLLEGE ARTS AND SCIENCE, (AUTONOMOUS), GUDIYATTAM "NATIONAL SCIENCE DAY 2025" DATE: 20.02.2025 VALIDICTORY FUNCTION

The National Council for Science and Technology Communication (NCSTC) under the Department of Science and Technology, Government of India, has collaborated with the Tamil Nadu State Council for Science and Technology (TNSCST) under the Department of Higher Education, Government of Tamil Nadu and K.M.G.College of arts and Science to celebrate National Science Day on 20th February 2025. Dr.C.Dhandabani, Principal, K.M.G.College of arts and Science (Autonomous) Presides over the gathering. Dr.B.Venkatraman, Executive Chairman, Southern Zone, National Council for Science Museums, Ministry of Culture. Distinguished Scientist and former Director, Indira Gandhi Centre for Atomic Research, Kalpakkam. Member-Syndicate Thiruvaluvar University gave special lecture on the theme Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat to both Students and Staff Members. Dr.J.Thirumagal, Assistant Professor and Head, PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, and Programme Coordinator welcome the Gathering.

The overwhelming response from students demonstrated their keen interest in science and technology. Students displayed a remarkable interest in scientific learning, underscoring the success of all the events. The events were well organized by the PG and Research Department of Biochemistry. The department played a key role in hosting the events, aligning with NCSTC's mission to promote scientific awareness and encourage technological innovation.

The Session comes to end with the vote of thanks delivered by the Coordinator, Dr. J.Thirumagal, Assistant Professor and Head, PG and Research Department of Biochemistry, K.M.G.College of Arts and Science. College Students Coordinator, Dean of Academics, Heads of Various Departments, Faculty members, non teaching staffs, various school students and teachers, various college students and their faculties were participated. The young buds are acknowledged with prizes and certificates.

The programme came to an end with the National Anthem followed by a group photo session of the participants. The National Science Day celebration was really a resounding success, promoting scientific awareness and education across Tamil Nadu. The NCSTC's efforts to organize this event demonstrate their commitment to fostering a scientifically inclined community.
