

## Academic Activities 2022 – 2023

### PG AND RESEARCH DEPARTMENT OF BIOCHEMISTRY

#### Event: 1

#### **National Seminar on Recent Trends in Molecular Biology (RTMB-2022)**

##### **Resource Persons**

**1. Dr. G.Duraimuthamani,**

Asst.Professor, Department of Biochemistry,  
SRM University,  
Chennai, Tamil Nadu.

**2. Dr.N.Karthik,**

Asste.Professor in Biochemistry,  
Allied Health Sciences,  
REVA University,  
Bangalore, Karnataka.

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam, organizes National Seminar on **Recent Trends in Molecular Biology (RTMB-2022)** on 29.08.2022 in our campus by the students and staff members of Biochemistry department. 20 faculty members and 200 Students were participated and get certificate, Prizes for best poster and paper presentation.

#### Event: 2

#### **Skill based training Programme - Mushroom cultivation.**

##### **Resource Person:**

Mr.G.Ravikumar,  
Tamil Nadu Agricultural University, Coimbatore,  
ARS, KVK, Virinjipuram, Vellore District

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam organized **Skill based training Programme - Mushroom cultivation for UG and PG Students** in our campus by on 05.11.2022. The faculty members and 20 Students of biochemistry were maintaining Mushroom Cultivation hunt.

#### Event: III

#### **Millets and its importance.**

Judges for the Events:

1. Prof.R.Ranjitham. Physical Director
2. Prof.R.M.Balamurugan,Asst. Prof. in Computer Science
3. Mr.S.Palani, Canteen Master.

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam organizes **Programme on - Millets and its importance for UG and PG Students** in our campus on 24.11.2022. Both UG and PG students were participated in food preparation with millets competition in this event.

#### Event: IV **Extension Activity - Blood group Identification Camp**

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam organizes Extension activity on “Blood group Identification Camp” for School children’s at

Ammannangkuppam Govt High School on 24.11.2022 by the students and staff members of Biochemistry department.

## **Event: v**

### **Herbal Gardening**

PG and Research Department of Biochemistry, K.M.G.College of arts and science, Gudiyattam maintaining herbal garden in our campus (18.09.2022). The faculty members and 20 Students were maintaining this garden.

## **Event: VI**

### **Poster presentation**

Resource Persons

1. Prof.G.Raghuvarman, Asst.Prof. Department of Biochemistry.
2. Prof.V.Renu, Asst.Prof. Department of Biochemistry

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam organized Poster Presentation on 09.11.2022 for Biochemistry students in our campus. The Students were participated and won the Prizes I, II and III for best posters.

## **Event: VII - Paper presentation.**

### **Resource Persons:**

1. Dr.C.Venkatesan, Asst.Prof. Department of Biochemistry.
2. Prof.S.Karthigaidevi, Asst.Prof. Department of Biochemistry.

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam organized Paper Presentation on 10.11.2022 for Biochemistry students in our campus. Students were participated for the best Paper presentation got the Prizes for I, II and III.

## **Event: VIII – Quiz Competition.**

### **Resource Persons:**

- 1.Dr.C.Venkatesan, Asst.Prof. Department of Biochemistry.
2. Prof.V.Renu, Asst.Prof. Department of Biochemistry.

PG and Research Department of Biochemistry, K.M.G.College of Arts and Science, Gudiyattam organized Quiz Competition on 13.02.2023 for Biochemistry students in our campus. Five teams of students were participated and won the Prizes for I, II and III.
