Department of Microbiology Association Activities of the academic year 2022-2023.

About the Association:

Microbiology department is to create a centre of academic excellence in the field of education and research. To promote the social commitment of students, the department conducted different awareness programme.

Objectives:

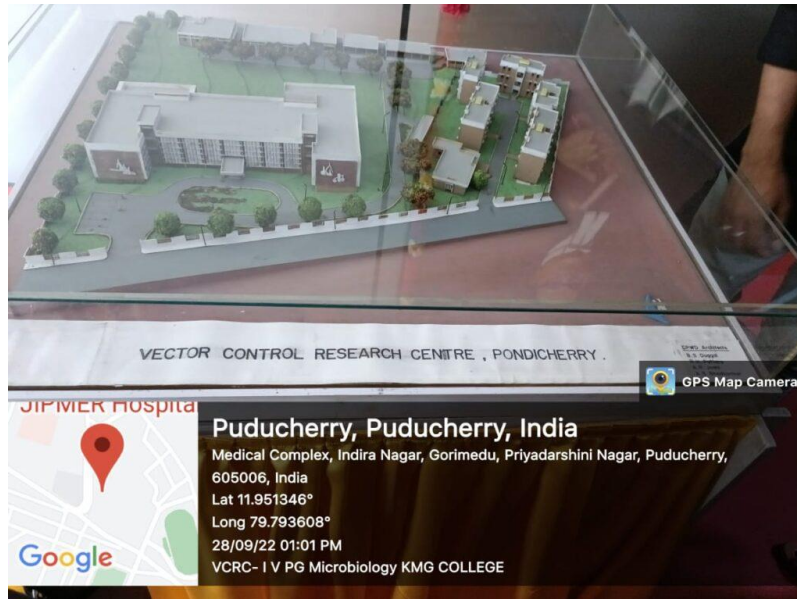

- Produce graduates who will be scientifically equipped and be able to translate scientific knowledge into technology that can address the needs of the society in different areas such as health sector, environment, Biotechnology, food industry and agriculture
- To help students develop skills and be well equipped to teach in schools or lecture and/or research in universities and research institutes.
- To provide manpower that would contribute positively to the different life endeavour where microbiologists are in demand.

Members of Association

Dr. D.Manikandan	Coordinator
Prof. C.Kavitha	Member
Dr. A.M.Rajalakshmi	Member
Prof M.Sakthivel	Member
Dr .N.Sundaramoorthy	Member
Prof S.Sujitha	Member
Dr.S.Dineshkumar	Member
Dr.D.Sudha	Member
Prof.P.Jeevitha	Member

Vector Control Research Centre – ICMR (Pondyicherry)

On 28.09.2022, PG students and faculty members were visited the Vector Control Research Centre – ICMR (Pondyicherry).

Bridge course

Bridge course was conducted for I B Sc students from june month onwards , to generate interest in subject .

Composting process

The Department of Microbiology initiated composting to make use of our college food waste. Food wastes were added to the compost set up followed by the addition saw dust, soil and dried cow dung.
